Recommendation
That the Minutes of the Marton Community Committee meeting held on 7 February 2012 be taken as read and verified as an accurate and correct record of the meeting.

6 Matters arising

7 Council decisions on recommendations from the Committee

There were no recommendations made to Council from the February meeting.

8 Service requests

At its meeting on 2 February 2012, Council passed the following recommendation: **12/RDC/012**
That all Community Boards and Committees be reminded of the Service Request process in the first instance, for matters requiring attention, rather than making recommendations to Council.

Making a recommendation to Council to carry out repairs may result in delays in actioning requests therefore you are requested to use the Service Request process.

Consultation on these documents opened on 24 March 2012 and closes at noon on 24 April 2012. Hearing of oral submissions will be on 26 April (and, if more time is needed, on 27 April 2012).
