

Rangitikei District Council

Community Initiatives Fund Application Form 2017/18

PLEASE NOTE

Applications close 12.00 pm (noon), Thursday 13 September 2018. The respective Community Committees/Boards will meet early-mid October 2018 to consider applications.

PURPOSE

The purpose of the Community Initiatives Fund is to support community based projects in the Rangitikei District that help to develop community cohesion and community resilience.

The Fund is open to all initiatives and opportunities which have potential to benefit the District's communities in one of the following areas:

- Community service and support (programmes/services to support local communities and groups);
- Leisure promotion (projects or programmes that promote participation in leisure within our communities. These can include activities and programmes to increase participation in leisure activities and increased participation in programmes that improve cultural well-being);
- Heritage and environment (projects or programmes which preserve and/or enhance heritage and/or environmental sites, including displays, open days etc.)

Because the characteristics of applications will vary from year to year, there are no fixed allocations for particular categories.

Preference is given to community organisations based in the Rangitikei, but applications will be considered from other organisations (both within and outside the District). Applicants from outside the Rangitikei District will need to provide quantifiable proof of their benefit to the Community.

Please complete this application form in conjunction with the associated notes.

CLOSING DATE FOR APPLICATIONS: 12.00 pm (noon) Thursday 13 September 2018. Late applications will NOT be considered.

All sponsorship applications are copied into the relevant Community Committee/Board Order Papers and are therefore available to the general public.

PROJECT ELIGIBILITY CRITERIA

All projects eligible for funding must:

- Take place within Rangitikei;
- Demonstrate consideration of how they see their proposal would benefit the community
- Provide 3 targets that will be used to monitor the outcome of the project
- Provide a realistic and balanced budget;
- Be able to contribute a significant proportion to the cost of the project (see Section 4).

Please note:

- Applicants cannot have been financially supported by the ratepayers of the Rangitikei District Council through some other means for the same project in the same financial year, i.e. through the Event Sponsorship Scheme, Community Boards/ Committees, Annual Plan etc.;
- Applicants cannot apply for funding from the Community Initiatives Fund more than once in any financial year;
- Proposals which are eligible for funding from Creative New Zealand or Sport New Zealand Rural Travel Fund must state clearly if they have made an application to or intend to apply to either fund. The Community Initiatives Fund assessment committee may limit funding to these groups.
- If you receive confirmation of funding from any other organisation before the Committee meets, you must inform the Grants Administrator at the Council.

Hints and tips:

- Describe your project in full.
- In this section we want to know about the complete project, not just the portion you are seeking funding for.
- Or you may have a project that supports a small number of people over a longer period of time. In this case you will need to explain the long term benefits of the project to this group.
- Be sure to fully describe your target group or those who will benefit from your activity.
- Relate your project back to the category under which you applied. If you ticked Heritage and Environment for example, you will need to demonstrate why this is a Heritage and Environment Project.

Describe your project in full:

Attach additional sheets if you need to.

Who will benefit from your project?

How will the people who will benefit from your project know that this is happening?

How will you acknowledge the funding provided by Rangitikei District Council?

List three targets that will demonstrate the success of your project and benefit the Rangitikei District:

FUNDING GUIDE

An organisation may receive a grant for a project in one or more successive years, but must apply annually. All profits from the projects must be held over towards funding the next project.

Grants will usually be up to a **maximum of \$2,500** for any project in any one financial year.

Grants will not be made to organisations which have not complied with reporting requirements for previous grants.

This section asks for the total cost of your project. In the income section list the funding from all sources. Council is unlikely to fund 100% of project costs, so it is important that you do not restrict your costs to the amount of funding you are requesting.

You must provide valid, written quotes for all goods and services for which you are seeking funding.

If no quotes are supplied your application will be ineligible.

General overheads such as power costs, administration costs etc. must be based on proven figures from previous year's accounts.

Groups registered for GST must provide figures that are GST exclusive.

Please provide a pre-printed bank account deposit slip (or a statement header) for payment should your application be successful.

Please attach your group's latest audited annual accounts. Any organisation that has given away or donated money to other organisations will not be granted Council funding. Recurring events also need to provide a balance sheet.

Quotes must be provided for all goods and services. For services such as power where it is not possible to get a quote, an estimate based on proven figures from previous years must be provided.

Ineligible costs

- Facility development or funding for capital works (i.e. the cost of buildings or items necessary to operate the facility);
- Grants to individuals;
- Purchase or long-term lease of equipment or facilities;
- Food and beverage costs;
- Retrospective project costs;
- Costs of bonds or making good any damage done to venues that are hired;
