

Read library books this Summer from  
December 2017 to January 2018

Come into the library with the books you've  
read and this folder

Talk to your library staff about your book  
and receive a sticker and reward

Do this four times to receive your invitation  
to the finale. Keep reading for the bonus

Reading with younger children helps encourage them to read on their  
own. Family and friends can assist your child with reading.

Get involved in the free activities and events offered by  
your library as part of the programme.

If you go on holiday you can check in at any Eastern & Central  
participating library. [libraryread.conz](http://libraryread.conz)

Talk to your library staff if you are unable to finish the programme.

Parents Signature \_\_\_\_\_

Helping fund a better community

The Eastern & Central Community Trust  
has generously funded this programme since 1997.

This programme was brought to you by the  
Eastern & Central Reading Encouragement Development Network.
