Youth Council Overview

Rangitikei District Youth Council is a committee of Council and provide a voice for young people in the Rangitikei district.

It is an opportunity for youth to work alongside Councillors and Council, get more involved in solving local problems and actively engage in the community. It provides a platform for young people to have input on policies, direct access to the policy makers and learn about Council, the wider community, and the district.

The Rangitikei Youth Council is open to all youth aged 15 – 24 that are affiliated to the Rangitikei District. We need representation across district, and successful candidates will be good at communication not just verbally but also email along with maintaining youth committees/networks to get wider youth input.

Youth Councillors need to be open minded and keen to learn, have good time management, want to work with the community and be responsible for deliverables for youth such as leading the Youth Awards Evening.

To become a Youth Councillor or if you would like more information on anything else youth related contact one of our Tamariki Rangatahi Youth Engagement Officers.

TUIA Rangatahi Leadership Programme

Tuia is an intentional, long-term, intergenerational approach to develop and enhance the way in which rangatahi Māori contribute to communities throughout New Zealand.

The programme looks to build a network of support for rangatahi to help them contribute to their communities. This is done through developing relationships between a diverse range of rangatahi throughout the country that recognises, accepts and celebrates diversity.

Three pou make up the Tuia rangatahi experience:

- 1 **Mentoring**
- 2 **Community contribution**
- 3 **Wānanga**

Our mayor will select a rangatahi Māori from our district who they will develop a mutually beneficial mentoring relationship with, in order to enhance their ability to contribute well to community. This will happen on a monthly basis, involving both informal meetings and participation at formal occasions. The relationship will also provide both parties with the opportunity to gain a deeper insight into inter-generational issues, cultural values and experiences.

Selected rangatahi will be expected to undertake a 100 hour community contribution project in their respective communities.

Rangatahi will also attend five wānanga in different parts of the country over the year to build networks, obtain support and have exposure to a diverse range of people from across the country.
