SS14/2 Signs for Specified Systems 1-13

P 06 327 0099 | 0800 422 522 (24 hrs) F 06 327 6970 E info@rangitikei.govt.nz 46 High Street, Private Bag 1102, Marton 4741

	 the venue, auditorium, room or area. A map or a display of the area covered by the audio loop, its location if coverage is limited within the venue, and directions to the indicated area are displayed. Where counter loops are installed, each counter displays a sign indicating availability. The transmission channel used for the venue is displayed at the entrances to the venue to allow users to adjust their receivers to the frequency channel in use. Continue on the next page 	
	 SS 13/2 Natural smoke control Checks will be made to ensure any operational signage for the ventilator is still in place and legible. 	
Reporting:	The owner will keep records of all inspections, maintenance and repairs undertaken in the previous 24 months. These will be recorded in the On-Site Log Book, which will remain on the premises with the most recent compliance schedule, and as a minimum include:	
	 Details of any inspection, test or preventative maintenance carried out, including dates, works undertaken, faults found, remedies applied and the person who performed the work. Form 12A provided annually by the IQP
