

## Application for Registration of a Food Business Food Act 2014

### BEFORE YOU START, LET'S CHECK THAT YOU HAVE EVERYTHING YOU WILL NEED:

You need to use the 'Where Do I Fit' tool on the Ministry of Primary Industries (MPI) website to find out what rules you need to follow under the Food Act 2014, complete online at <http://www.mpi.govt.nz/food-safety/food-act-2014/where-do-i-fit/>. This will give you an outcome of what registration type you fit in.

You may then need to complete the document 'Scope of Operations' (visit and complete the document online at <http://www.mpi.govt.nz/food-safety/food-act-2014/forms-and-templates/> under 'Application forms' or complete the document attached to this form (if you obtain it over the counter). Once completed, print off and submit with this application. The information provided will assist in describing to Council what activities you carry out.

If you are applying for a National Programme (NP) registration, you can choose your verifier. You will need a confirmation letter from your verifier to attach to this application. A list of recognised verification (or audit) agencies can be found on the Ministry of Primary Industries (MPI) website <http://www.mpi.govt.nz/food-safety/food-act-2014/registers-and-lists/>. The law requires Councils to verify businesses registered under the template food control plan, but NOT National Programmes.

If your business is a registered limited liability company, provide a copy of the company registration certificate. See [www.companies.govt.nz](http://www.companies.govt.nz). You need to make sure you can confirm that the operator of the food businesses is resident in New Zealand within the meaning of section YD 1 or YD 2 (excluding section YD2(2)) of the Income Tax Act 2007.
