I wish to obtain a flat in

Taihape Marton Bulls Rātana

- I understand that the information I have supplied here will be used by Council in considering my application for a flat at the time a vacancy arises. There is no guarantee that I will obtain a flat at any specific time.
- I also understand that in the event of my being allocated a flat, I will be fully responsible for the costs of power, telephone and net curtains. Council provides floor coverings, thermal curtains and supplies an electric stove but does not supply any other appliances. I will be responsible for the care, maintenance and cleanliness of the flat during my occupancy..
- I am aware of Council's policy requiring me to pay a bond equal to 4 weeks rental plus 2 weeks rent in advance at the commencement of my tenure. I will then make regular weekly or fortnightly payments either direct from WINZ or by way of automatic payments through my bank account. Contents insurance for tenants is not the responsibility of Rangitikei District Council. I understand that it is my responsibility to have my own contents insurance should I wish to.
- I understand that there may be a waiting list. I also understand that applications are considered on a 'needs' basis rather than a 'first in first serve' basis.

Thank you for your interest in our Community Housing

Rangitikei District Council has 72, 1-bedroom units. There are 50 units in Marton across three complexes, 6 units in Bulls at one complex, 4 units in Rātana Pā at one complex and 12 units in Taihape between two complexes. The purpose of the community housing within the Rangitikei District Council is to provide accommodation for elderly residents with limited incomes.

The units are self-contained and are surrounded by other units within the complexes. The units comply with the Healthy Homes standards – some of the units are exempt due to no access within the floor or roof space. All units have a heat pump installed and thermal curtains are provided.

The rent for these units are currently set at \$155 per week for single and \$186 per week for couples, to be paid at least one week in advance. Due to the demand for community housing within our district there is a current waiting list.

The units are for single applicants only, however couples may apply and be assessed on a case-by-case basis. Rangitikei District Council reserves the right to apply rental market rate for any successful applicant under the age of 65.

Rangitikei District Council seeks to provide a safe environment for its tenants. As part of this process we want to ensure that prospective tenants are suitable for the Community Housing environment. Police checks and character reference checks are part of this process. Please ensure you provide character reference details (not someone who is related to you) and you complete the police check form in full.

Eligibility Criteria:

For all applicants with the exception of the units at Rātana Pā.

1. Must be a New Zealand Resident
2. Over 65 years of age - - Under the age of 65 at the discretion of Rangitikei District Council.
3. Total assets, including cash, investments, house and other property (but not including a car, furniture and personal effects) do not exceed \$8,100 (or if a couple is accepted then the assets must not exceed \$16,200)
4. Income must not exceed the regular Superannuation (including accommodation supplement) plus 25%. This recognises prospective tenants who may have another income source such as a part time job or interest or dividend income to supplement the pension)
5. Have a genuine housing need
6. Are self-reliant or have the necessary support in place to live independently.

Where an applicant does not meet the above criteria, special dispensation may be granted at the discretion of the Manager, Property and Community Housing.

The Rātana Communal Board of Trustees determines the eligibility of tenants for the community housing units at Rātana Pā.
