I HEREBY STATE THAT

Either

- The building in which the premises are situated has an evacuation scheme for public safety which meets the requirements of Section 21A of the Fire Service Act 1975.

Or

- The building, by reason of its current use, does not require such a scheme, or the building is exempt from having to meet the requirements for such a scheme.

Signed by the applicant _____

Date _____

WHO NEEDS AN EVACUATION SCHEME?

An Evacuation Scheme is required for buildings detailed in section 21A (1) and (2) of the Fire Service Act 1975.

The following is a list of buildings and occupancies that require a Fire Service approved Evacuation Scheme.

Buildings where:

- 100 or more people can gather in a common venue or place of assembly, whether for a commercial, social, cultural, religious or any other purpose, or
- Facilities for employment are provided for more than 10 people, or
- Accommodation is provided for more than 5 people, (unless in 3 or less household units), or
- Whole or part of the building is used for storage or processing of hazardous substances, or
- Early childcare facilities are provided, (other than in a household unit), or
- Specialised nursing, medical or geriatric care is provided, (other than in a household unit), or
- Specialist care is provided for people with disabilities (other than in a household unit), or
- People in lawful detention are accommodated.

Evacuation Schemes must be approved by the Fire Service.

(A waiver may be granted from the requirements to have an approved Evacuation Scheme for your building. Contact your local Fire Safety Officer for advice.)
