RESERVED DECISION OF THE RANGITIKEI DISTRICT LICENSING COMMITTEE

Application

(1) The premises at 120 Hautapu Street, Taihape, is currently operating as an off licence ‘Bottle Store’ (**037/OFF/0012/2016**) and this application is to renew the licence. The applicant has operated the Licence since 2009.

(2) The application to renew was made on 5th February 2019 on the prescribed form. The application seeks to renew with similar existing conditions. The general nature of the business will continue to be that of a ‘Bottle Store’.

- (3) The complete file that I received included –
- The application
 - Certificate of incorporation
 - Host Responsibility Policy
 - Floor plan
 - Fire evacuation notice from owner
 - Site Plan
 - Photos of interior and exterior
 - Public Notices including premise notification

- Reports from Police, Medical Officer of Health and Inspector

Decision Making

(4) In considering this application for renewal of Off-Licence the District licensing Committee (here in after referred to as; the Committee) had regard to the criteria specified under s. 131 of the Act.

(5) the object of this Act:

Both the Inspector and Medical Officer of Health inquired into the application seeking evidence that the object of the Act will be complied with under this licence. It is noted that the premise has not come to the notice of the authorities in an adverse way during the renewal period and has a host responsibility plan that if followed, should ensure compliance with the object of the Act.

(6) the suitability of the applicant:

The applicant is a private company incorporated in 2001 with one Director and two Shareholders. The applicant supplied three names of certified managers to be employed on the premises, which is seen as appropriate.

The inspector and reporting agencies do not challenge suitability of the applicant and neither do I.

(7) any relevant local alcohol policy:

No local policy is currently in place.

(8) the days on which and the hours during which the applicant proposes to sell alcohol:

Applicant has applied for the existing hours –

Monday to Saturday 9.00am to 10.00 pm.

Sunday 10.00am to 8.00pm.

These hours are within the national trading hours and same as the hours contained in the current licence. These are considered reasonable.

(9) the design and layout of any proposed premises:

No CPTED assessment received with the application but as it's an existing licence with no issues reported I see no issue with design and layout.

(10) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, to more than a minor extent, by the effects of the issue of the licence:

The premise is in the CBD area of Taihape which is zoned appropriately. I accept the inspectors assessment that there have been no complaints about nuisance type offences in the area in the past and that if managed well this should continue.

(11) whether the applicant has appropriate systems, staff, and training to comply with the law:

The applicant has nominated three managers of varied experience and skills. The inspectors report notes the applicant seeks customer ID's under 25. The inspector notes the training staff receives in their responsibilities.

Reporting Agencies

(12) The following reports were received under section 103/129 of the Act.

(13) **Police** – Report received on 12th February 2019, of no opposition.

(14) **Medical Officer of Health** - Report received on 11th February 2019, of no opposition.

(15) Licensing Inspector

Full report dated 26th March 2019. The inspector provided, amongst other things, her assessment of the application in relation to the Act. The inspector also assessed the application against s105 criteria. This assessment has been referred to in this report.

The inspector concluded that the application is complete and will likely meet the criteria for renewal on the conditions presently attached to the licence.

Committees Decision and Reason

(16) Based on the evidence provided to me within the complete file, lack of opposition from the relevant agencies, my site inspection and my assessment above, I conclude that the application generally meets the s. 105/131 criteria under the Act to be granted renewal of an off - licence for the premise situated at 120 Hautapu Street, Taihape, to be known as 'Taihape Liquorland'.

(17) Accordingly the application is **approved** for renewal for three years subject to the following conditions and payment of any outstanding fees, if any.

(18) The following conditions will apply to the licence:

(a) No alcohol is to be sold or delivered from the premises on Good Friday, Easter Sunday, Christmas Day or before 1.00pm on Anzac Day

(b) Alcohol may only be sold or delivered on the following days and during the following hours:

Monday to Saturday 9.00am to 10.00 pm.

Sunday 10.00am to 8.00pm.

(c) The licensee must ensure that for each principal entrance to the premises there is displayed at all times a sign attached to the inside or outside of the premises, so as to be easily read by people immediately outside the entrance, stating the ordinary hours of business during which the premises are open for the sale of alcohol.

- (d) The licensee and managers on duty must ensure that the provisions of the Act relating to the sale and supply of alcohol to prohibited persons are observed and must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of liquor to minors and the complete prohibition on sales to intoxicated persons.
- (e) The licensee must ensure that at all times a copy of the licence, together with a statement of all conditions subject to which it is issued, is displayed—
- attached to the inside of the premises concerned; and
 - so as to be easily read by people entering each principal entrance.
- (f) Drinking water must be freely available to customers while alcohol is being supplied free as a sample on the premises and signage directing people to drinking water must be prominently displayed on the premises at that time.
- (g) The whole of the premises is designated as ‘**supervised**’.
