BEFORE THE RANGITIKEI DISTRICT LICENSING COMMITTEE

As no matters of opposition were raised under section 102 and 103 reports; therefore the matter was considered by the Rangitikei District Licensing Commissioner on the papers contained in the full file provided by the secretary.

Commissioner: Stuart Hylton

**RESERVED DECISION OF THE RANGITIKEI DISTRICT LICENSING
COMMITTEE**

1. Application

On the 13 November 2018, River Valley Ventures Limited on the prescribed form made application for renewal of their on-licence (type-tourism).

The application for renewal of On Licence is in relation to the premises known as '*River Valley Ventures Limited*' situated at 114B Mangahoata Road RD2, Taihape.

The general nature of the business is that of an On-Licence Restaurant. The premises has been licensed under the current licensee for over 25 years. This renewal application seeks to renew with the same existing conditions.

The premises is located within the rural area of Taihape and zoned rural. The premise is not within a liquor ban area.

The complete file included –

- The application
- Fire evacuation scheme compliance statement
- Host Responsibility Policy
- Menu
- List of non-alcoholic drinks
- Staff Training Plans
- Floor plan
- Location map
- Copy of draft public notice
- Evacuation Scheme Declaration by Owner
- Existing Licence
- Reports from Police, Medical Officer of Health and Inspector

2. Decision Making

In considering this application for On-Licence the licensing committee had regard to the criteria under section 131 and 105 of the Act. Section 105 assessments were made using the inspector's full report and own assessment. I accept the inspector's assessment and recommendations.

Key matters raised within the full application file including reports, were –

- The applicant is a private company who was incorporated in 1997 with two directors/shareholders. Three certified managers are nominated for the premises.
- The premises has not come to the notice of authorities in an adverse manner during the renewal period.
- There are no objections to the suitability of the applicant.
- The applicant provided a host responsibility policy that if followed should ensure the object of the act is met.
- The premise is within the rural zone of Taihape and located within an area of rural/farming activities. The premise is not within a liquor ban area.

- Three certified managers were put forward for the licence which is considered to be adequate. The applicant appears to have appropriate systems, staff and training to comply with the law.
- The renewal application is for the same hours as current i.e.

Monday to Sunday 11.00am to 2.00am the following day.

These hours appear quite extensive although the committee would assume they are not the norm but to cover exceptional trading circumstances.

- Floor plan provided shows the whole premise as being undesignated. The area is of simple construction and is basically a restaurant.
- No CPTED or amenity or good order issues raised with renewal. There is no reason to believe the amenity and good order of the locality would likely to be increased, more than a minor extent, by the effects of a refusal to renew the licence.
- The applicant has appropriate systems for staff training and performance.

3 Reporting Agencies

The following reports were received under section 103 of the Act and taken into account during the decision.

3.1 Police – Report received on 21st November 2018, of no opposition.

3.2 Medical Officer of Health – Report received on 3rd December 2018, of no opposition.

3.3 Licensing Inspector – Full report dated 5th December 2018. The inspector has no opposition to the application and assessed the application against s. 105 matters with no matters of opposition raised. The inspector concludes that the application appears to meet the criteria for grant of the licence renewal.

4 Conclusion

Based on the evidence provided to me within the complete file, my assessment above of section 105 matters and the past operation of the premise/licensee, I conclude that the application meets the statutory criteria to be granted a renewal of On-Licence under the Act for a period of three (3) years.

 - there are on the premises, and readily accessible to the customers, staff able to give them comprehensive and accurate information about the forms of transport from the premises that are available at that time; and
 - those staff will on demand give any customer appropriate advice free.
- (f) The licensee must ensure that for each principal entrance to the premises there is displayed at all times a sign attached to the inside or outside of the premises, so as to be easily read by people immediately outside the entrance, stating the ordinary hours of business during which the premises are open for the sale of alcohol

- (g) The licensee must ensure that at all times a copy of the licence, together with a statement of all conditions subject to which it is issued, together with a copy of the floor plan: is displayed -
