

Dear Customer,

Congratulations, your building consent has been granted so your building work can now commence. Do you know we have three ways you can book an inspection?

1 GoBuild

You can do it electronically by using your Smartphone or tablet:

The GoBuild app allows you to request a building inspection from Rangitikei District Council directly from your smartphone or tablet and get written confirmation of the day and time of the inspection as a record.

GoBuild contains the following features:

- Maintains a list of your building consents.
- Request an inspection for a consent by inspection type, date and timeslot.
- Maintains a list of your inspection booking requests.
- Receives notifications when the status of your request changes. eg. Confirmation of booking.
- Once inspected, view the results of the inspection on your device.
- Works across multiple participating councils.
- Syncs bookings across multiple devices eg. Smartphones, tablets.

How to book an inspection

1. Download and open the **GoBuild app**.
** Please allow for notifications*
2. Fill in **User Info** and save.
3. Enter in the **Building Consent number** and select **Rangitikei District Council**.
4. Once the consent is loaded, click on it, and then click on **Request** to make inspection request.
5. Select a **Date** and either AM or PM and then **Submit**.
6. Council will arrange your inspection request and find a suitable time with one of our building officers. You will receive a notification for the exact date and time of your inspection

2 Email

You can do it by email:

building.services@rangitikei.govt.nz

to book an inspection, this gives you a record of the written confirmation of the day and time of your inspection.

3 Phone

Or you can still ring Rangitikei District Council on

06 327 0099 or 0800 422 522

and follow the prompts to book an inspection.
