Taihape Community Board: retaining the same boundaries as at present (the Northern Ward boundaries, having four members elected by the Taihape Community Board area and two appointed members (rotated annually around the Northern Ward Councillors).

## Changes from the existing representation arrangements

There have been a number of changes from the existing representation arrangements:

- Introduction of two Māori Wards, each with one councillor.
- Movement of a number of people from the southern ward into the central ward along the Turakina Valley area (highlighted on the map). This change was made to achieve 'fair' representation – each councillor representing an equal number of electors.
- Reduction in the number of councillors representing the Northern and Southern General wards from three for each area to two for each area.
