Dear [REDACTED],

### **Local Government Official Information Request**

Thank you for your request made under the Local Government Official Information and Meetings Act (LGOIMA), relating to Meridian Central Wind Scheme, received on 3<sup>rd</sup> February 2022. Our response to your question is below:

1. Meridian Central Wind Scheme consent documents. This is in relation to the scheme approved in January 2010 in which the consents have now lapsed. Information request is limited to any market studies or economic studies for project viability which may have been included as part of the resource consent or the subsequent variations.

#### ***Response:***

Staff have researched Council files for the information requested (Meridian – Project Central Wind RM080065), no market studies or economic studies for project viability were located in our records.

Please note that it is our policy to proactively release our responses to official information requests, where appropriate. Our response to your request will be published shortly at <https://www.rangitikei.govt.nz/council/about/contact-us/official-information> with your personal information removed.
