

Minute #6 of Independent Commissioner ADJOURNMENT OF HEARING

1. Introduction

The hearing of the Plan Change was held on 17th and 18th June 2020 at the Council Chambers, Rangitikei District Council, Marton. determination on the proposed plan change to rezone approximately 217 hectares of land to the southeast of Marton from Rural to Industrial. Following the District Council's right-of-reply, I adjourned the hearing at 3.15pm.

I would like to thank all participants for their well prepared and clearly articulated statements, and for providing considered answers to my questions.

2. Next Steps

As part of the Council's right-of-reply, the Council's reporting officer, Greg Carlyon, sought time to reflect upon the points made by submitters to revise his recommended changes to the Plan Change provisions, in liaison with Council's legal counsel. I will allow one week for this work to be undertaken, with the revised recommendations to be circulated to all parties by close-of-business (5pm) on Friday 26th June 2020.

I will review the revised recommendations and then issue a minute to either close the hearing or provide any further directions that I consider necessary.

3. Tabled Statements

In addition to the pre-circulated material, copies of statements and evidence tabled at the Hearing will be uploaded to the Council's website, at:
