Option 1 (Council's preferred option): Yes, Horizons should fund the improved bus services in Whanganui and new bus services in Horowhenua 100% via targeted transport rates (i.e. without NZTA co-investment).

The Rangitikei District Council welcomes the opportunity to submit on the Horizons Regional Council 2024-34 Long Term Plan amendment & Annual Plan Issue 1: Public Transport Funding
• RDC supports Option 1 (Preferred Option) Services in Whanganui & Horowhenua 100% funded via targeted transport rate.
• Although the Rangitikei is not directly affected by this specific change, funding for increased regional services were allocated in last year's LTP.
• As government has not agreed to co-fund these and according to HRC current revenue policy, these would not go ahead.
• If Option 1 is passed, it will require changes to the revenue policy which could allow those increased regional services to proceed (albeit in reduced form).
• RDC supports the precedent of investing in public transport even when government is not.
