

More information

We've got lots of information to share – you might be interested in also having your say on the settlement you call home.

If you want to have a chat in person, or online – go online to find out where information sessions will be held.

You can find the discussion document and other supporting information:

 On our website www.rangitikei.govt.nz/paetawhiti

 In any of our libraries or service centres in Taihape, Marton and Bulls.

Want to know more? Contact the Project Lead: Katrina Gray on 0800 422 522 or katrina.gray@rangitikei.govt.nz

- I own a piece of land I want rezoned
- I want to receive project updates
- I want to receive Council updates
- I want to be in the draw to win one of three prizes valued at \$200 each

Please provide your details if you ticked any of the above.

Purpose of Pae Tawhiti Rangitikei Beyond

Pae Tawhiti Rangitikei Beyond is a district-wide spatial strategy and plan. We aim to capture our community's aspirations for the future.

The plan will provide a blueprint of how we want our communities to develop.

It will provide high level outcomes and actions that will guide Council projects that plan for and respond to growth and development - including our infrastructure planning and District Plan Changes (the rules that guide development).

OPPORTUNITIES, STRENGTHS AND CHALLENGES

What are our strengths/advantages or opportunities for the future?

What are the issues your community is facing?

VISION AND VALUES

Do you think we've identified what is most important to guide decision-making?

Do the vision and values reflect what is important to you?

Have any important values been missed?

PROTECTING WHAT'S IMPORTANT

What do you want to see protected for future generations?

Are the existing protections working? How would we improve their effectiveness?

RURAL ENVIRONMENTS

How do you see our rural environments changing in the future?

Where should we allow new lifestyle blocks to develop?

What rural service activities or industries should be enabled in the rural environment?

What do you think the future of carbon farming in the Rangitikei is?

What do you think the opportunities are in the post-Covid world for those businesses wanting to leverage off the visitor economy?

TRANSPORT NETWORKS

What do you think the roading priorities should be for the future?

What role do you think autonomous vehicles will have?

What do you see the opportunities are for rail in the Rangitikei?

What are your transformational ideas for the future of public transport?

What do you think the opportunities are for air transport?

Where do you think the priority is for developing walking and cycling networks?

NATURE NETWORKS

What are the significant nature networks in your community?

How can we celebrate these networks?

How do we create greater connections with these areas?

How can these nature networks support the connections between our settlements?
