Authority

The functions, powers and duties as the District Licensing Committee is delegated to the committee chairperson where no objection has been filed, and no matters of opposition have been raised by the Police, Medical Officer of Health, and Inspector, in respect of the following applications:

- an application for a special licence

Statutory Provisions

- Section 191(2) and 202(1) of the Sale and Supply of Alcohol Act 2013
- There is no Local Alcohol Policy in place.

Summary of Evidence

Reports from Police, Medical Officer of Health, and an Inspector appointed under the Act do not oppose the issue of applications **attached** as Appendix 2. Based on the information provided to me on the complete files, I have determined not to convene public hearings.

Evaluation of Evidence

I have considered these applications on the basis of the reports received where no objections have been raised, and noted that there have also been no public objection. I therefore conclude there is no reason not to grant these applications.

Decision and Reasons

All reports are satisfactory and no objections have been raised to the granting of these applications. Therefore I determine that this application for a Special Licence be granted as follows by way of Decision Number RDLC 160048.
