2	31-Jan-22	HWTM to find out about the Bulls Plunket room and why they are being sent to Marton Plunket. To also find out if this Plunket is Council owned or a reserve building.	HWTM	In December an operational situation led to Bulls Plunket clinics being temporarily cancelled. Clients used the Marton facility during that time. The Bulls clinic has now been reinstated. The Marton Plunket building is Council owned and was purchased by the Marton Borough Council in 1926. It is locally significant as one of two Heritage NZ listed Women's Rest and Plunket Rooms that has served the local Marton Community for nearly 90 years. It is currently closed due to earthquake strengthening required. Marton Plunket groups are currently being held in Humphries St building at the rear of Centennial Park from 4 April.	Closed

5	28-Oct-21	With regards to the request from the Bulls Community Committee, and as per resolution 21/RDC/384 : Staff to contact Wallace Development and request that they supply more bins and arrange for more regular disposal of the contents.	Murray Phillips / Russell Smith	<p>The shopping centre is administered by Morgans Property Advisors. Staff have passed on the Committee's request to MPA, and they've responded with the below advice:</p> <ol style="list-style-type: none"> 1. There are sufficient bins to accommodate the waste generated by patrons purchasing from the various tenants within the complex, and it is additional rubbish being brought to the site that is causing the bins to become overloaded (e.g., rubbish from people utilising the public toilets). 2. As the complex is private property, the cost of more bins would fall on the owner and tenants by default. 3. Any additional bins would need to be at the expense of the Committee. 	Closed
6	28-Oct-21	With regards to the recommendation from the Bulls Community Committee for rubbish bin/s at the picnic area at the Bulls river: A recommendation by Council to approve this request was lost, and Cr Gordon instead requested that staff contact Horizons Regional Council and request that they investigate this further as this area of land lies under their responsibility. 7	11-Aug-21	RDC please look at traffic calming options on Criterion St and Taumaihi St. 31 Jan 22: The committee believes the traffic count was done but no tubing was laid? 9 Mayoral Update

9.1 Mayoral Update - April 2022

Author: Andy Watson, His Worship the Mayor

“E kore au e ngaro, he kākano i ruia mai i Rangīātea”.

E ngā mate o te wā, e ngā rangatira o tāua rohe o Rangitikei, haere atu i te rangimārie.

Kia kōrua e āku hoa e Robert kōrua ko Koro Mark, kia hora te marino, kia whakapapa pounamu te moana, kia tere te kārohirohi i mua i tōu huarahi, moe mai rā.

Arohanui.

“I will never be lost, for I am a seed of Rangīātea”.

To our recently departed, the two chiefs of our home Rangitikei, go in peace.

To my friends Robert and your father Koro Mark, may the calm be widespread, may the ocean glisten as greenstone, may the shimmer of light ever dance across your pathway, sleep well.

Greatest Love.

I attended the tangi of Robert and his father Mark Gray last week. Koro Mark and Bobby gave so much of their time to our district and district committees. I also attended and spoke on the Rakatapauma Marae to give my condolences to the wider whanau. Koro Mark was a personal friend of mine and I remember with fondness the times where we would sit on his verandah, look out over his farm and just have a chat.

Finally, the covid doors have been opened a little with the move to the “orange” level. We are now permitted more freedoms and the ability to meet in person more easily. For Council this means an opening of libraries and easier access to Council properties. Staff will return to working onsite rather than remotely over the next couple of weeks. I have asked Councillors to attend Council meetings again in person and only use Zoom if it is approved for health or other personal reasons. The relaxation to the orange setting will allow businesses to operate properly and for tourism to again be a main contributor to our country. We even welcome the Ozzies back. But please, covid is still present in our communities and we need to take care to minimise the risk of exposure to us, our families and those that we interact with.

The closing date for submissions to our Annual Plan is 9 May at 5pm. So far we have very few. Koitiata, Scotts Ferry and other small settlements have engaged well but once again our major towns have been quite quiet. This is your chance to talk to us about our plans and budgets and more importantly what you want us to do. Submission forms are available on our website or you can call me on 027 6177-668 or contact any one of the other Councillors.

Our district is facing unprecedented growth which is fantastic and this has been recognised by Powerco who have agreed to meetings of senior staff including the Chief Executive in Marton to look at the power requirements now and into the future. For companies or farms that are struggling with power demand please contact me so that your concerns can be passed on. I know for example that many irrigators are powered by generators because of grid issues.

I have called for public meetings in Bulls, Taihape and Marton to explain the Government process around the Three Waters issue, which is the formation of four water entities to provide for drinking water, waste-water and stormwater rather than Council being the providers. In those meetings I will explain Council's position and the various arguments and call for questions from the floor. Details of these meetings are in the local paper and on our Council website. The Three Waters will be the principal subject but if time permits other issues can be raised.

On 8 April our new Youth Council met for the first time this year, with representation from a variety of schools across our entire district. I congratulate Lisa Cruywagen for being elected Chair and note that there were four other people who expressed an interest in the position. The questions raised by these young people about how Local Government works and how meeting procedures are run were insightful and I was incredibly impressed.

I am a Co-Chair on what is called Zone 3 which includes a group of Councils from Wairoa to Gisborne through to Taranaki, Hawkes Bay, Horowhenua and Taranaki together with our local Councils. Yes, we recently discussed the Three Waters at length, but for the first time in my tenure in Local Government the matter of security and personal safety of Councillors and senior staff was at the forefront of discussion. New Zealand seems to have changed. We had a Chief Executive of one of the Councils assaulted recently, seemingly without provocation and a Mayor served a "summons" by self-proclaimed sheriffs on her own personal property which was threatening. This challenge is not unique to Local Government. Police, health, education and social providers are experiencing this on a day-to-day basis. I'm not sure of the answers but at least we should acknowledge it happens.

I am delighted to report that Council has been successful in an application to the Four Regions Trust for funding towards the Taihape Amenities Building Project (refer to Attachment 1), they approved a \$40,000 donation for this project. This is fantastic and very welcome news.

Finally, I hope that everyone has enjoyed a happy Easter with family and friends and you are looking forward to supporting the many district-wide events that can run again under the relaxed Covid settings.

Ngā Mihi,

Mayor Andy Watson

Attention: Crystal Johnston

Dear Crystal

We refer to your application for a donation from the Four Regions Trust.

The Trust receives and considers a large number of requests for donations from a wide variety of community based charitable and non-profit organisations. Like your own organisation these applicants are all performing services for various people within the community, and continue to struggle for funds to fulfil their obligations.

The Trustees have carefully considered your application and I have pleasure in informing you that they have approved a **\$40,000.00** donation towards the Taihape Amenities Building Project.

These funds are available upon producing sufficient evidence, namely invoices and receipts to the Secretary during or upon completion of the project. As payments will be by direct credit, please ensure we have your Bank deposit slip. If you are emailing this information to us, please use - secretary@fourregionstrust.org.nz

We note that your organisation is registered for GST. It is our opinion that as there is no benefit back to us as a donor, this donation is not GST assessable to you, therefore we will reimburse expenditure on a basis of GST exclusive costs only.

Please note that if the project has not been completed and the funds not uplifted within 12 months of the date of this letter then this donation approval will expire and will be withdrawn.

On behalf of the Trustees I wish the very best for you and your organisation.

Yours faithfully

James Bowen

10 Reports for Information

10.1 Destination Rangitikei - Destination Management Plan

Author: Jen Britton, Strategic Advisor - District Promotions

Authoriser: Jo Manuel, Manager Community Development

1. Reason for Report

- 1.1 To provide the committee with the finalised Destination Rangitikei – destination management plan

2. Background

- 2.1 As a part of Council's Long-Term Plan (LTP) it was agreed to develop a Destination Management Plan (DMP) in the 2021/22 year. In July 2021, Kylie Ruwhiu-Karawana from TRC Tourism was contracted to work alongside staff to engage with the community and stakeholders to prepare a draft document now adopted by council.
- 2.2 Over a 3-month period (October to December 2021), engagement was undertaken with the public alongside different community sectors including iwi/hapu/marae as well as internal and external stakeholders. A cross sector advisory group was also established made up of Council staff, business and community representatives, Te Roopuu Ahi Kaa Komiti members and elected representatives.
- 2.3 An initial draft document was released for review, firstly by members of the advisory group, internal staff, iwi/hapu/marae and key external stakeholders through focus group sessions in early March 2022.
- 2.4 Overall, there was strong support for the flavour and direction of the then *draft* Destination Rangitikei document from all community sectors and external stakeholders. Internal stakeholders were also supportive and noted the importance of alignment between this plan and other Council strategies, plans and policies.

3. Destination Rangitikei

- 3.1 Completion of Destination Rangitikei document is an important milestone for Council and the wider community.
- 3.2 Having identified key principles to guide action plans for reaching the shared vision, the plan builds on the local strengths of Rangitikei's people and its landscape to cement the district's position as an integral part of the premier destination that is the Central North Island.
- 3.3 Our guiding principle of Manaaki Tangata, Manaaki Whenua – Care of our People Care for our Land underpins the work we do in this space and

4. Next Steps

- 4.1 The Destination Rangitikei plan is a strategic document, designed to give both Council and stakeholders an agreed direction and a broad pathway for the Rangitikei within a central New Zealand context. Effective delivery will require:

- 4.1.1 A more detailed implementation plan setting out the priorities and timing as well as assigning roles and responsibilities
- 4.1.2 Ongoing oversight from industry and community partners to drive the agreed actions and champion the district
- 4.2 The implementation plan will be a living document to help inform Long Term Planning (LTP) and Annual Planning.
- 4.3 Implementation is heading into year 2, we have laid the foundations now we work towards strengthening relationships and the advisory group to help ensure we continue to deliver on our actions as intended.

- 4.4 The implementation plan with more details will be circulated next reporting period

5. Conclusion

- 5.1 Together with TRC Tourism, staff have undertaken a robust engagement process with community sectors, iwi/hapu/marae and internal and external stakeholders to produce a quality document that reflects the personality of the district.
- 5.2 The Destination Rangitikei – destination management plan gives direction for the industry, community and council and is tool for all stakeholders to lever opportunities for additional resources.
- 5.3 Staff encourage community members wanting to be involved or kept up to date, to reach out and have a chat.

Recommendation

That the 'Destination Rangitikei – Destination Management Plan' report be received.

Foreword

Our district is home to unspoilt land steeped in history with panoramic views leading out to Mount Ruapehu and Taranaki, the Kaimanawa and Ruahine Range and of course our mightiest river - Rangitikei.

Those of us who are lucky enough to live here and experience what our district has to offer take great pleasure in been able to share its majesty with friends, family, and visitors.

We appreciate how special the Rangitikei is – the way life should be - and the importance of looking after our people and land.

Destination Rangitikei is the first destination management plan for the Rangitikei district and highlights ways forward for the community, Council, iwi/hapū/marae and stakeholders to nurture the growth of our visitor economy based on our vision and values as a district.

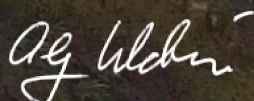

Our district is changing, and we have a very positive feeling for the future. The number of people visiting and moving here, establishing connections, and setting up business is staggering. The growth is both positive and challenging and this plan seeks to build on the positives and address the challenges.

Council is looking for new was to work alongside our communities, iwi/hapū/marae and stakeholders,

While we have work to do to lay the foundations, this plan is designed to be owned by the district and implemented by industry, community, iwi/hapū/marae and stakeholders through the formation of an advisory group. Ultimately Council's role will become largely one of facilitation, helping to tell our story and supporting business growth and product development

I acknowledge the work done over the many years by various groups and organisations that have supported the visitor economy or worked to promote our towns and district. You are all to be commended and I encourage anyone looking to join the journey to reach out to me to see how you can be involved.

I am excited to see the doors this plan can help to open that have previously been closed to us as a district. We simply could not pursue supporting the visitor economy without this plan.

Mayor Andy Watson

May 2022 Community Development Manager Report

Kia ora koutou,

A quick update on what is happening with the Trust:

Upcoming events

Breast Night Out

Our Breast Cancer fundraiser – Breast Night Out is to be held on Wednesday 1 June, at Te Matapihi – with 2 weeks to go seats are almost booked out. Last year’s event was a huge success, and we hope to have a similar outcome this year. Local businesses have been extremely supportive of this worthy cause. All proceeds will again go to the Shocking Pink Charity – a smaller charity that supports young women with Breast Cancer.

Matariki Concert

To be held on Wednesday 22 June from 5.30pm at Te Matapihi, this year it is a collaboration with both Bulls and Clifton schools.

Bulls Christmas Parade and Whanau Day

Although it is our last event for the year, I have started planning this in the background to ensure if there are any challenges, we can deal with them sooner than later. If you would like to form a committee to help with the Parade or Whanau Day then please let me know. It would be great to have like-minded people get together and brainstorm Santa’s cave or ideas for activities at the domain. An idea I have thrown around with some retailers is to hold a late-night shopping evening the week / or night before the parade. So please get in touch with me ASAP so we can make a plan.

Business as Usual

We are busy applying for funding from several sources for us to continue with our work plan. While our work plan has been set for the year, if you have any suggestions of what you would like to see in Bulls whether it be an event, health initiative or something else, or for us to support you in please let me know.

Have a great few months ahead,

Bonnie

Recommendation

That the Funding Schemes Update – May 2022 be received.

10.4 Small Projects Fund Update - May 2022

Author: Ash Garstang, Governance Advisor

1. Allocation

- 1.1 The yearly allocation of the 2021/22 Small Projects Fund for the Bulls Community Committee is \$1,254.
- 1.2 The yearly allocation aligns with the financial year, from 01 July to 30 June. In February 2016 Council resolved to allow a carry-forward from one financial year to the next, of up to 100% of the annual allocation for any Committee or Board's Small Projects Fund², with the proviso that this be a specific resolution from the Committee.
- 1.3 At its meeting 24 June 2021, Council resolved to carry-forward the full amount of unspent funds from the 2020/21 year of \$1,901.90 to the 2021/22 year³, while acknowledging that this was inconsistent with its resolution made on 29 February 2016.
- 1.4 The total allocation of the 2021/22 Small Projects Fund for the Bulls Community Committee is now \$3,155.90.

2. Breakdown

- 2.1 No payments have been made so far in 2021/22.
- 2.2 At its meeting 13 October 2021, the Committee agreed to split the cost of a scooter rack between BCC and RDC⁴. The Chief Operating Officer has advised that Council will contribute up to \$1,000 towards the installation, with the remainder to come from the Committee's Small Projects Fund.
- 2.3 Indications received by staff are that the total cost for the installation will \$1,366. Council will pay \$1,000 and the remaining \$366 will need to come from the Small Projects Fund (see Recommendation 2).

3. Carry-forward to 2022/23

- 3.1 Accounting for the \$366 payment towards the Scooter rack and assuming that no new payments are approved during this meeting, there will **\$2,789.90** remaining in the Small Projects Fund. If the Committee wishes to carry-forward the remaining funds (noting that this is **capped** at one year's allocation, being \$1,254), a recommendation to Council will need to be made at this meeting (see Recommendation 3).

Recommendation 1

That the 'Small Projects Fund Update – May 2022' report be received.

² 16/FPE/010

³ 21/RDC/172 and 21/RDC/175

⁴ 21/BCC/032

Recommendation 2

That the Committee contributes \$366 to the installation of a Scooter rack, to come out of the 2021/22 Small Projects Fund.

Recommendation 3

That one year's allocation of the remaining balance (**\$1,254**) of the Bulls Community Committee's Small Projects Fund for 2021/22 be carried forward to 2022/23.

Recommendation

If needed:

**Bulls Community Committee Meeting
31 May 2022**

R Turner

1. Toilet Signage:

Amanda Street, at That Little Shop In Bulls is nearly asked daily "Where are the toilets?" I have been up town on High or Criterion Streets and been asked the same.

Could we please ask the RDC to put signage on High Street at the alleyway between the Town Hall and French & Sons?

Could a sign also be put at the charging station facing Te Matapihi?

The only prominent toilet sign is outside McDonalds facing Rangitikei Junction.

2. Rubbish Bins at Rangitikei Junction

Has there been a response to our request that more rubbish bins be provided?

3. Destination Management Plan - this is a draft plan. If you would like a copy contact Raewyn

The draft plan is out and this is a brief overview:

Sharing ideas- connecting villages

Visitors welcome - map with points of interest in the Rangitikei

Tourism - destination as a whole

People would like to see visitor section grow

Top 10 abridged:

1. Opportunities for locals & visitors to engage with Maori stories & histories
2. Protect natural assets & cultural identity.
3. Rivers & inland waterways are vital.
4. Visitors & travellers need to know why they should stop.
5. Visitors support community & environment..
6. District work collaboratively.
7. More things to do.
8. Unlock potential of natural assets.
9. Enable people to return home.
10. Build awareness of district as a destination.

RDC to have interactions where the community is encouraged & supported through the council process to deliver positive outcomes for the people and place of Rangitikei.

4. Welcoming Communities - Rangitikei Advisory Group

This is a group set up to welcome people into our district. Unlike other areas we are also focusing on the relocation of Air Force personnel and people settling into Rangitikei from cities.

The goals are:

1. Inclusive Leadership
2. Welcoming Communications
3. Equitable Access
4. Connected and Inclusive Communities
5. Economic Development, Business and Employment
6. Civic Engagement and Participation
7. Welcoming Public Spaces
8. Culture and Identity

Unfortunately I have only been only had the opportunity to attend one zoom meeting and we are in the process of developing the terms of reference. Hopefully I will have more information at our next meeting.
