The 2024 Bulls Christmas Parade was a spectacular celebration of community spirit and festive joy. Thanks to the dedication of volunteers and strong local support, the event was a resounding success. Many participated, contributing creative floats, while many children delighted in meeting Santa. Main Street buzzed with excitement from early morning, with the parade officially beginning at 10 am, enchanting onlookers with vibrant displays. Businesses thrived as locals and visitors embraced the Christmas spirit, and Santa's Cave remained a favorite attraction. This year, activities like face painting, water dunking machine and outdoor games added even more fun for families. We opened our centre for our annual members' exhibition between 12 - 22 September 2024. The exhibition showcased the work of 54 members of the arts centre plus four invited regional artists. This was a chance for our members to show off what they have created over the last year and to give visitors a chance to see, enjoy, and purchase the incredible art created. This exhibition is a major fundraiser for our centre and allows us to provide an affordable, safe and creative space for learning and sharing creativity and art.

Was this attendance

- ☐ more than you expected?
- ☐ what you expected?
- ☒ less than you expected?

Outcomes

Did the event go as you had planned? *

Yes, a great opening night led to a well received exhibition. Our guest exhibitors all did free artist talks where visitors could learn more about the artist and their work. MACC has become well known for the high quality and beauty of the work produced by our members, with visitors commenting "This is better than some of what I've seen in the city".

Our local visitors expect a great exhibition and many come with the expectation to buy a piece of art for their collection or to gift.

Visitors new to the centre also showed great interest in the groups, classes, and workshops on offer.

What worked really well: *

The support from our members volunteering their time before, during and after the exhibition. This is a big effort and without their support it would not have been such a great success. They also always provide baking and raffle prizes with great generosity.

What didn't work so well/could be improved? *

Printed advertising had increased in cost dramatically and we had to adjust and reduce the advertising we could place in the papers. This also lead to less money available for signs to put up locally. We think this was one of the reasons we had less numbers than in the previous year. However, we are also aware that people are not spending as much in general.

Our social media presence and website could have been utilized better and we are continuously learning to improve this.
