The catwalk lit up with unique, handmade creations, each professionally photographed to capture the inspiration behind it. Alongside the fashion entries, the evening also highlighted the incredible voices of youth vocal artists from around Rangitikei, giving them the chance to shine before a live audience.

It was heartening to see our schools, and wider community involved, embracing the spirit of creativity and expression that makes Wear-a-Bull so special. With such overwhelming support, we're already excited for next year's festival – set to be even bigger and brighter! Thank you for your support, without the funding granted we could not hold such a fabulous event and hope you will continue to support it in years to follow:-)

The Hunterville Shemozzle is led by the Hunterville community and organised by the Hunterville Huntaway Festival Committee. It is a one-day annual event held in Hunterville the first weekend after Labour weekend, bringing together competitors, families, and visitors from across New Zealand. In 2024 we successfully delivered another Shemozzle, attracting thousands of people to our rural town, running the signature Shepherds' Shemozzle race with their huntaway dogs, family and school challenges, and a full programme of entertainment. This year's event built on our strong tradition, strengthening community spirit, supporting local businesses, and showcasing the importance of our rural way of life. The purpose of the Shemozzle is to celebrate our heritage, highlight the skills of

Outcomes

Did the event go as you had planned? *

Yes, the event went as planned and was a great success albeit there was rain all day.

The 2024 Shemozzle ran smoothly with strong participation in all races and activities, a large turnout of visitors, and plenty of community involvement. While every large event brings small challenges on the day, our planning meant everything was well managed, and feedback from participants, stallholders, and spectators was very positive. We are proud that the day not only met our expectations but also strengthened community spirit and showcased Hunterville at its best.

What worked really well: *

A number of things went really well. We had excellent community involvement, with strong support from volunteers, local businesses, and sponsors. The races and activities ran smoothly, with high participation from shepherds, schools, and families, creating a great atmosphere. Attendance numbers were strong even with the rain, with visitors coming from across New Zealand, which gave a real boost to our town and local businesses. The feedback we received from participants, stallholders, and spectators was very positive, highlighting the organisation, entertainment, and unique rural character of the event. Overall, the day celebrated our community spirit and rural heritage just as we had hoped.

While the event was very successful overall, there are always areas we can improve on. Traffic management and parking were challenging at peak times, and we'd like to explore better systems to make access smoother for visitors. We also noted that some of the popular events and food stalls could have benefited from additional capacity to reduce waiting times. As with any outdoor event, we remain mindful of being better prepared for changing weather conditions. Going forward, we will review these areas and look at ways to strengthen planning so the Shemozzle experience continues to improve each year.

The 2025 Marton Country Music Festival, held from 17–19 January at Sir James Wilson Memorial Park, celebrated its 20th anniversary with record attendance and a lively community atmosphere. Headlined by New Zealand icons the Topp Twins alongside acts like Chet & Melissa O'Connell, Shane and the Shazam Band, Cooper's Run, and the Keating and Connor family bands, the festival offered three days of entertainment with invited artist sets, walk-up sessions, and evening showcases. Highlights included a busking competition with cash prizes and a spot in the Saturday showcase, as well as a raffle to win a Blackstone Grill. With food vendors, raffles, merchandise stalls, and excellent facilities for motorhomes and caravans, the event was praised as family-friendly and community-focused, cementing

Outcomes

Did the event go as you had planned? *

The 2025 Marton Country Music Festival went exactly as planned, delivering a seamless weekend of music, community, and celebration. The carefully scheduled program of walk-up sessions, invited artist performances, and evening showcases ran smoothly, with artists keeping crowds engaged and entertained throughout. The headliners, including the Topp Twins, drew enthusiastic applause, while the busking competition and Blackstone Grill raffle added excitement and variety just as organizers intended. Behind the scenes, logistics such as motorhome and caravan parking, food vendors, and accessibility worked efficiently, ensuring festival-goers had a stress-free experience. With record attendance and overwhelmingly positive feedback, the festival not only marked its 20th anniversary successfully but also demonstrated the effectiveness of thoughtful planning and strong community support.

What worked really well: *

What worked especially well at the 2025 Marton Country Music Festival was the balance between headline acts, community participation, and smooth organization. The Topp Twins were a standout highlight, delighting audiences with their trademark mix of humor, charm, and music, and their presence elevated the festival's 20th anniversary celebration. The mix of invited artists, such as Chet & Melissa O'Connell and Cooper's Run, alongside walk-up performers, created a diverse program that kept energy levels high throughout the weekend. The busking competition proved popular, giving emerging talent a platform while engaging the crowd, and the Blackstone Grill raffle added a fun and interactive element.

On the practical side, excellent facilities for caravans and motorhomes, along with plentiful food stalls and merchandise vendors, made for a comfortable and welcoming environment. Altogether, the combination of star power, community involvement, and strong logistics ensured the festival not only ran smoothly but was enjoyed by all who attended.

What didn't work so well/could be improved? *

While the 2025 Marton Country Music Festival was a great success overall, there were a few areas that did not work so well. One of the main concerns was the lack of formal security on-site, which became evident when a young man hid in the toilets and was later found snooping around the motorhomes at around 11 pm. Thankfully, he was caught and the police were notified, but the incident highlighted the need for more robust safety measures in future editions. Parking also remained a challenge, as the high number of motorhomes made it difficult to fully utilize the available space. Although volunteers worked hard to manage the flow, it was clear that better planning and layout strategies are needed to ensure smoother access and maximize capacity. These issues, while not overshadowing the festival's overall success, provided valuable lessons for improving both security and logistics going forward.

We held an annual shearing sports in Marton for one more year. It has become a traditional event, but that is only because local individuals and sponsors have continued to support it. It is not an easy undertaking as it needs farmers with well prepared sheep, a trucking company who can get them to the hall and back safely, a stage that we made that goes over drums in the Memorial Hall, a team of strong people to set everything up each year, and then pull it down again to go back into storage. A team to do registrations, a team out the back managing the sheep, the timing systems people with their scoring systems on the TVs over each of our 6 stands, for shearing and wool handling judges and their support crew. There are lots of moving parts, including prizegivings and running the show as fast as

Outcomes

Did the event go as you had planned? *

It was great - this was our 60th, with the first started in 1963 by my late Dad and Jim Norris. With support from Pub Charity we were able to purchase a woollen singlet (from Kairanga Knitting mills) for every competitor and friends of the show with unique 60th branding on them. Lots of people wanted them, but they were only available in limited supply and not for sale. We also handed out gold pins and had a ceremony with a cake during the lunchtime break. Jim Norris cut the cake and we had lots of reminiscences. Entries were also up from 174 total in 2023 to 225 total in 2024, that's 154 shearers and 71 wool handlers. We also made contact with those involved in previous years and created some pamphlets telling the story of the show, from the early years, to the winners in all events and one with photos from the 2010s to 2020s. We held our first event in the Memorial Hall in 1996, also the year of our first computerised points system and our first wool handling events, so our 20th anniversary in the Memorial Hall is coming up.

What worked really well: *

60th celebrations went off well.

What didn't work so well/could be improved? *

Always something as we try to boost entries every year, but as they happen we need to get

Please provide a short summary of the work that was completed as part of this project / program / initiative *

The 160th Turakina Highland Games went ahead on Saturday 25th January at the Turakina Domain. As part of the event we held the NZ Open Piping Championships. This meant we had the top NZ pipers performing and piping entries were increased across all grades.

Our volunteers came from around the region to help run the day, and we had some new helpers with new ideas.

Highland Dancing numbers continue to be strong and the introduction of an evening Choreography Contest added a new dimension.

Outcomes

Did the event go as you had planned? *

Yes. After two years of rainy weather, we had a beautiful sunny day.

All the events went ahead as planned and the evening was also beautiful and warm. This meant many people stayed on and enjoyed the barbeque dinner and watched the Highland Dancers compete in the Twilight Choreography Contest.

What worked really well: *

The marques were well used, especially with the hot sunny day.

This year the Royal Scottish Official Board of Highland Dancing introduced a covered, transportable stage for their competition. This proved popular with the dancers and the audience.

What didn't work so well/could be improved? *

Unfortunately the paddock closest to the Turakina Domain was not available for parking this year. This meant there was a bit further for people to walk to the grounds. Next year we have been assured the closer area will be available again.

We also need to look at providing more public seating in front of the new transportable dancing board.

Do you intend to hold this event again?

We have made a loss this year but because it was our 160th year we had a special medal made to present to winners at an extra cost.

Also, as we were holding the NZ Open Piping Championships it was necessary to bring in additional, highly qualified, piping judges from further afield. This was an increased cost.
