# Submission Form

## Submitter details (please print clearly):

Your name: Avon Stark

Email address: nzstarky@yahoo.co.nz

Preferred contact phone number:

027 697 9933

Your postal address:

387a Galpins Rd RD2

Town: MARTON 4788

How would you prefer to receive correspondence relating to your submission and the hearings?:

☐ Email ☒ Letter

Would you like to speak to your submission at the hearings being held on 16 May? If yes, do you wish to (please tick):

- ☐ present in person in Marton at the Council Chamber
- ☐ dial in via skype from the Taihape Council Chamber
- ☐ dial in via skype from another location (please provide skype details)

Are you writing this submission as:

- ☐ an individual, or
- ☐ on behalf of an organisation

If on behalf of an organisation, please provide details:

Organisation:

Position:

☐ yes I would like to subscribe to Council's e-newsletter

## Should Council continue to invest in youth development, and if so, to what extent? (please tick)

- ☒ **Option 1** – Yes I support Council's proposal of developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – with a 50% external funding contribution
- ☐ **Option 2** – I support developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – even if there was no external funding contribution
- ☐ **Option 3** – I prefer Council continue to provide the current after-school and school holiday programmes in Marton and Taihape, while acknowledging Council may not secure long-term funding to cover part of the costs.
- ☐ **Option 4** – No I don't support Council delivering youth services.

## Do you have an alternative option?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

## Should Council construct a new amenity block in Taihape Memorial Park? (please tick)

- ☒ **Option 1** – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.
- ☐ **Option 2** – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

**Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)**

- ☒ **Option 1** – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ **Option 2** – I support the option of reinstating the Council's hockey turf at Centennial Park.

**Do you have an alternative option?**

---

---

---

---

---

---

**Should a ratepayer contribution be used to help fund the artificial turf?  
 (please circle preferred option)**

**Options** – I support the following option as the ratepayer contribution towards the turf development:

- a. A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- b.** A rate-funded contribution of \$100,000 to Rangitikei College only
- c. A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- d. A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- e. A rate-funded contribution of \$50,000 to Rangitikei College only
- f. A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- g. Other: \_\_\_\_\_
- h. No rate-funded contribution to either school

**Should Council increase the sum transferred into the roading reserve**

- ☒ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☐ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

**Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?**

- ☒ **Option 1 – Yes** – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☐ **Option 2 – No** – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

**Do you agree with the proposed addition to Council's rates remission policy?**

- ☒ Yes ☐ No

**What other issues would you like Council to consider as part of its planning for 2016/17? (use extra pages if necessary)**

Dear Sir or Madam

### **SUBMISSION TO ANNUAL PLAN 2016-17**

Thank you for the opportunity to submit to your Council's Annual Plan 2016-2017.

As you will be aware regional prosperity has been high on the agenda for councils around the region. Collaboration and agreement on this priority among councils resulted in the government commissioning the Manawatu-Whanganui Regional Growth Study launched in July 2015. The study identified eight key opportunities for the region to pursue to help lift regional prosperity. These may be in addition to priorities that individual councils and economic development agencies are already working on.

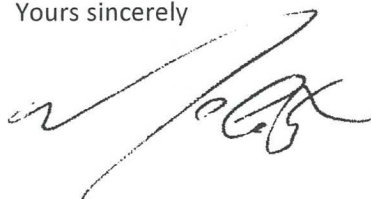

The region committed to producing a regional action plan as a follow-up to the growth study. The action plan is being produced under the banner of Accelerate>25. Production of the Plan is being funded by Horizons Regional Council, the Ministry of Business, Innovation and Employment, and the Ministry for Primary Industries. It is expected to be launched by Ministers in July / August 2016. The action plan identifies what the region, as a whole, needs to do to take advantage of the opportunities identified in the growth study. The action plan process has been lead by a governance group known as the Lead Team, comprising elected members, business people and iwi from across the region.

I would like to thank your council for its ongoing support for regional prosperity and in particular the Accelerate25 programme and our work with government. On behalf of the Lead Team I seek your ongoing support for the programme in 2016/2017. The Lead Team is not requesting financial support from your Council, rather the Lead Team is seeking your continued active engagement and spirit of regional collaboration. There will be actions arising from the action plan relevant to local government that the Lead Team will be keen to discuss with you.

The Lead Team does not wish to be heard as part of your Annual Plan deliberations. However, the Lead Team would welcome the opportunity to discuss the draft Regional Action Plan and ideas for ongoing regional collaboration with your Council. I suggest that this happen at a suitable workshop time for your Council during May / early June and before Ministers launch the Accelerate25 Action Plan for the region. Karen Winchcombe, Lead Team Administrator (email: [karen.winchcombe@horizons.govt.nz](mailto:karen.winchcombe@horizons.govt.nz)) will make contact with your Governance Coordinator in this regard.

I attach the most recent eNewsletter for your interest.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Michael McCartney'.

# COMMITTED TO GROWING OUR REGION

Members of the Accelerate25 Lead Team met in Feilding on 24 March where they discussed Action Plan progress and the need to look beyond the Plan's launch to ensure long-term success. The Team was pleased with the programme's progress and the quality of discussion at workshops being held across the region to determine key actions.

While Programme Directors are currently running ahead of schedule in terms of drafting content for the final Action Plan, there's no time to rest on our laurels. We now need to consider what resources, tools, partnerships and structures will be required for successful implementation. A number of the region's councils are currently consulting on their Annual Plans for 2016/17. Horizons Regional and Ruapehu District councils in particular have posed questions around their ongoing role in economic development. I encourage you to give some thought to what this should look like and have your say via the submission process.

Achieving the actions set out in our Regional Action Plan will require investment and initiative across the spectrum from independent investors, businesses, local government and central government. This is a major point of consideration for the Accelerate25 Lead Team ahead of the final Plan's launch. They are very conscious of the need to ensure structures and partnerships are in place to keep up the momentum and this will remain a focus over the coming months. Te Puni Kokiri is also funding work around characterising the Maori economy in the Manawatu-Whanganui region. This is being led by Dr Jason Mika and will continue through to October. The Lead Team noted that it was important to acknowledge this in the creation of the Action Plan and allow room for the findings of this work in its implementation.

Another point discussed at workshops has been around the need to better capture and share our regional story. One Region, One Team has become a catch-cry for the Accelerate25 Programme. So, over the next few weeks we will be working on promotional material to help us better convey the opportunities that exist for people seeking a great place to live, work, play and invest. Thank you to MPI and TPK who have provided funding for this project. We look forward to sharing this with you. Watch this space.

**Michael McCartney**  
Accelerate25 Lead Team Facilitator

**ONE REGION**  
**ONE TEAM**

March was a busy month for the region with a number of new businesses opening their doors and huge numbers flocking in for the inaugural Agri Investment Week and Central Districts Field Days. Below are a few highlights from the past month as we look towards completion of the Regional Action Plan in early May.

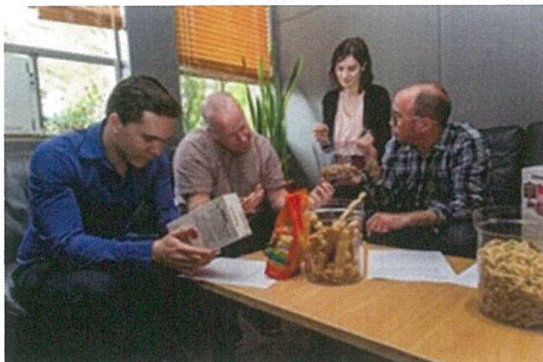

Prime Minister John Key attended the opening of Speldhurst Country Estate Lifestyle Village on the site of the old Kimberley Centre in late March. The lifestyle village is currently valued at about \$160 million and is expected to house more than 600 people. Developer Wayne Bishop studied lifestyle villages, both in New Zealand and overseas, for many years prior to developing Speldhurst and saw the Kimberley Centre site as providing an opportunity for an “awesome living space for older people”.

During his time in the district, the Prime Minister also cut the ribbon to officially open chicken farm, Le Poulet Fabuleux, in Himatangi. This local, family-operated farm has created jobs within the community as well as overseas through export.

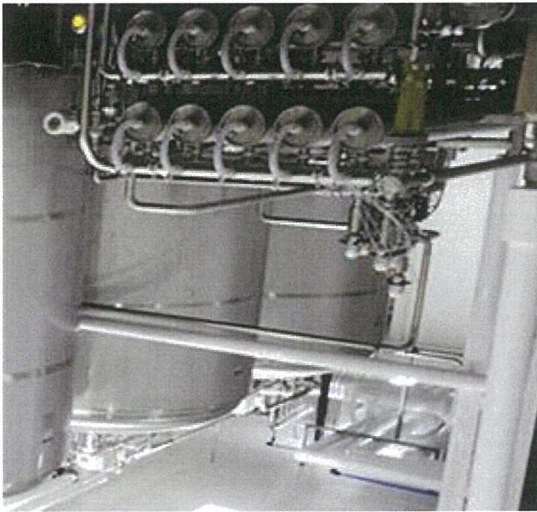

The inaugural NZ Agri Investment Week was held 14–19 March with conferences, networking events and demonstrations keeping attendees busy throughout the week. Accelerate25's John Hutchings hosted a workshop for the Land Use Optimisation opportunity Friday 18 March. Around 60 agri-business leaders attended, with keynote speakers including Manawatu-based farmer Hew Dalrymple, Lianne Simpkin from Tararua District Council and Nicola Shadbolt from Massey University. In his introduction, Minister for Economic Development Steven Joyce encouraged attendees to think beyond just current usage and consider all opportunities to make the most of the region's land resources into the future.

Business Process Outsourcing (BPO) and Food Innovation Outsourcing was identified as one opportunity in the Regional Growth Study. Since then, two clear work streams have become apparent within the opportunity, and as such, the focus has been split into two project teams – “Part 1” focusses on the provision of quality Call Centres based in

the region and "Part 2" focuses on work with FoodHQ. Over time these focuses will continue to develop to realise other BPO opportunities within the region.

Closely aligned with Accelerate25's ongoing Business Process Outsourcing work is the opening of the Proliant Biologicals plant in Feilding. In a recent Manawatu Standard article Vision Manawatu Regional Manager Mark Hargreaves says the plant "...further[s] the region's reputation as a biotechnology and agricultural hub..."

Proliant's plant produces New Zealand Bovine Serum Albumin (BSA), made from the blood of cattle which is manufactured into products such as diagnostic test kits and vaccines for research, and used in drug production. The opportunity to process blood plasma here in New Zealand, instead of sending unprocessed blood plasma overseas, has been warmly welcomed by many of the region's leaders as such facilities create job opportunities.

## ANNUAL PLAN SUBMISSION – Marton Park

### BACKGROUND

as born and schooled in Marton, and have spent most of my (almost) 70 years here.

a youth Marton Park was where I took part in Midget Rugby, and later where I competed in Tuesday Night Athletics.

ent to Wirths Circus and for many years the annual A&P Show.

recent years Marton Park has been largely focused on winter Rugby, but increasingly the sports field are being used by sections of the Community who obviously enjoy having family/whanau time on the Park. It is a pleasure to hear (from Grey Street!) the happy sounds of an important segment of our community making use of our Marton Park.

### SUGGESTION

would strongly recommend and support RDC providing additional facilities in the way of self-contained BBQ's; either gas or electric, similar to those found at (for example) Ashhurst Domain, Lake Taupo eshore, Motuoapa Marina etc etc.

ally say 2 BBQ's with appropriate basic shelter would rapidly become a focal point for many of the local families; play some sport; barbeque their lunch or tea, and generally make great use of what is a very attractive facility. It would lead to additional toilet facilities being needed over time, and would certainly add itself to the provision of suitable hygienic drinking water fountains.

am also strongly in favour of any suggestion relating to the permanent lighting of some of our wonderful areas in the Park.

Thank you for your consideration.

- d. A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- e. A rate-funded contribution of \$50,000 to Rangitikei College only
- f. A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- g. Other: \_\_\_\_\_

- h. No rate-funded contribution to either school

**Should Council increase the sum transferred into the roading reserve**

- ☐ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☐ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

**Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?**

- ☐ **Option 1 – Yes** – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☐ **Option 2 – No** – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

**Do you agree with the proposed addition to Council's rates remission policy?**

- ☐ Yes ☐ No

**What other issues would you like Council to consider as part of its planning for 2016/17?  
(use extra pages if necessary)**

I do not want to speak to my submission  
Please contact me by email [akanan1a@gmail.com](mailto:akanan1a@gmail.com)  
I am writing this as an individual

**Should Council continue to invest in youth development, and if so, to what extent?**

☒ Option 1

– Yes I support Council's proposal of developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – with a 50% external funding contribution

**Comment**

If funding is not immediately available for this particular programme, I still believe council should be involved in youth development and continue to do what it can to support Rangitikei youth.

**Should Council construct a new amenity block in Taihape Memorial Park?  
(please tick)**

☒ Option 2 – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

**Recommendation**

The decision regarding Taihape Memorial Park should be taken in conjunction with a whole plan for Taihape, all community facilities, not just sports, such as the Town Hall "Civic Centre". This should run in conjunction with a whole district plan.

I would also hope that when this review takes place, council will continue to express its view stated in this document:

*"Council's heritage protection strategy and the proposed changes to heritage buildings in the District Plan are both likely to help find a historically sympathetic and functional Civic Centre."*

**Comment**

I am disappointed that the submission form does not offer a space for 'an alternative option'. \$500,000 is a lot of ratepayers' money to say yes to, when there is very little other money going into Taihape. The summary report itself identified some needs which are very material to Taihape as a whole relating to Linkages between Memorial Park and the Main Street/CBD: currently poor visual connection to the pool, need for street furniture and consistent design standards, need for street planting, current lack of effective signage, improved walkway network of short well planned and developed all weather tracks to enhance the Taihape experience.

In addition, if I were in favour of the proposal, I would want a different split of funding/ratepayer contribution. Instead of 100:500, it should perhaps be 500:100.

The whole consultation process was badly advertised and there are few Taihape residents, apart from the Park Users, who are aware of this proposal. There has been no opportunity for the public as a whole to discuss this.

Even with regard to irrigation, I am not convinced that the proposal has been properly discussed. Is the council sure that the inground system fits with the equestrian requirements?

Currently the council appears to be tackling the issues on an ad hoc basis, rather than a whole plan.

Not so long ago, \$100,000 for heating the Town Hall was deferred, and then later on omitted in future budgets. So now we have a Civic Centre the town is still trying to utilise, but without any heating. And there are currently no plans for an alternative Taihape civic centre, I would suggest that if heating were now installed, it would run its 'asset life' before any decision is made.

"Placemaking" initiatives are also being brought in on an ad hoc basis, without an overall plan and consistency in design. More money needs to be put into this aspect as well and would encompass the needs expressed in the summary report. It seems ironic to me that the council is prepared to spend \$500,000 for one project which only targets a minority of ratepayers, when the expenditure on, for instance, "placemaking", which is meant to revitalise the whole town, is insignificant.

**Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out.**

☒ Option 1 – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.

**Should a ratepayer contribution be used to help fund the artificial turf?**

No rate-funded contribution to either school

**Comment**

No rate-funded contribution to either school at this stage. Before further expenditure, a full review of Rangitikei sports facilities, encompassing all sports, should be undertaken, to provide a clear financial plan for fair expenditure across the board. This should also include the proposed \$500,000 towards an Amenity Block in Taihape Memorial Park (see my earlier comment and recommendation)

**Should Council increase the sum transferred into the roading reserve**

☒ Option 1 – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve

**Comment**

I am trusting the Council's judgement on this one.

**Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?**

☒ Option 1 - Yes, I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.

**Comment**

For the final decision, weight should be given to the opinions of the Marton residents.

I also agree with Council's sentiments expressed in the consultation document and hopes that Council will show this sentiment district wide, especially Taihape

"Council considers this is the preferable site for a new Civic Centre for Marton as it opens onto the Civic Square diagonally opposite. Taking this decision now sends a strong signal to businesses operating in the CBD and means that the need to strengthen the administration and Library buildings will be avoided. Council's heritage protection strategy and the proposed changes to heritage buildings in the District Plan are both likely to help find a historically sympathetic and functional Civic Centre."

**Other Issues for Council to Consider**

**Recommendation: Install heating in Taihape Town Hall.**

**Comment:** Not so long ago, \$100,000 for heating the Town Hall was deferred, and then later on omitted in future budgets. So now we have a Civic Centre the town is still trying to utilise, but without any heating. And there are currently no plans for an alternative Taihape civic centre, I would suggest that if heating were now installed, it would run its 'asset life' before any decision is made.

**Communication**

**Recommendation: Review Communication Processes**

**Comment:** This process has shown that the Council is not reaching the Taihape ratepayers as a whole. Council has a database of ratepayers, and must be able to reach them all for consultation. Those that cannot be reached by email should receive a letter. Posters should be erected in town, leaflets left at businesses, and more meetings held. Letters can be sent to local clubs, asking them to advise their members of the issues and meeting dates. The Information Centre should be more pro-active in handing out Consultation Documents and Submission Forms (hand out to everyone who is borrowing a book, for instance). The public needs encouragement to provide feedback. It was only by mere chance I attended the Taihape public meeting, assuming that this was for the Park Users group - I had no idea it was the public meeting for the Annual Plan consultation. Council may now have a fancy website, but I can assure you it is only viewed by a few.

☐ on behalf of an organisation

If on behalf of an organisation, please provide details:

Organisation:

Position:

☐ yes I would like to subscribe to Council's e-newsletter

## Should Council continue to invest in youth development, and if so, to what extent? (please tick)

☒ **Option 1** – Yes I support Council's proposal of developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – with a 50% external funding contribution

☐ **Option 2** – I support developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – even if there was no external funding contribution

☐ **Option 3** – I prefer Council continue to provide the current after-school and school holiday programmes in Marton and Taihape, while acknowledging Council may not secure long-term funding to cover part of the costs.

☐ **Option 4** – No I don't support Council delivering youth services.

## Do you have an alternative option?

## Should Council construct a new amenity block in Taihape Memorial Park? (please tick)

☐ **Option 1** – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.

☐ **Option 2** – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

**Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)**

- ☐ **Option 1** – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ **Option 2** – I support the option of reinstating the Council's hockey turf at Centennial Park.

**Do you have an alternative option?**

A Full size public turf,  
open 24hrs for use.  
Roll up if it's not booked  
you can use.

**Should a ratepayer contribution be used to help fund the artificial turf?  
(please circle preferred option)**

**Options** – I support the following option as the ratepayer contribution towards the turf development:

- A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- A rate-funded contribution of \$100,000 to Rangitikei College only
- A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- A rate-funded contribution of \$50,000 to Rangitikei College only
- A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- Other: Combine Rangitikei colleges, Nga Tawa's and Council's money to create one full size turf with practice areas.
- No rate-funded contribution to either school

**Should Council increase the sum transferred into the roading reserve**

- ☐ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☐ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

**Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?**

- ☒ **Option 1 – Yes** – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre. Only if it can sell current buildings.
- ☐ **Option 2 – No** – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

**Do you agree with the proposed addition to Council's rates remission policy?**

- ☐ Yes ☐ No

**What other issues would you like Council to consider as part of its planning for 2016/17?  
(use extra pages if necessary)**

A Full size joint turf at a central location could be a draw card. International fixtures could be held bringing money into the district. Nga Tawa would not be fully open to the public as they would require bookings and do average couldn't bowl up

☐ yes I would like to subscribe to Council's e-newsletter

Should Council continue to invest in youth development, and if so, to what extent? (please tick)

- ☒ Option 1 – Yes I support Council's proposal of developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – with a 50% external funding contribution
- ☐ Option 2 – I support developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – even if there was no external funding contribution
- ☐ Option 3 – I prefer Council continue to provide the current after-school and school holiday programmes in Marton and Taihape, while acknowledging Council may not secure long-term funding to cover part of the costs.
- ☐ Option 4 – No I don't support Council delivering youth services.

Do you have an alternative option?

Should Council construct a new amenity block in Taihape Memorial Park? (please tick)

- ☐ Option 1 – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.
- ☒ Option 2 – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

**Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)**

- ☒ **Option 1** – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ **Option 2** – I support the option of reinstating the Council's hockey turf at Centennial Park.

Do you have an alternative option?

---

---

---

---

---

---

**Should a ratepayer contribution be used to help fund the artificial turf? (please circle preferred option)**

**Options** – I support the following option as the ratepayer contribution towards the turf development:

- ☒ a. A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- b. A rate-funded contribution of \$100,000 to Rangitikei College only
- c. A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- d. A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- e. A rate-funded contribution of \$50,000 to Rangitikei College only
- f. A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- g. Other: 

---
- h. No rate-funded contribution to either school

**Should Council increase the sum transferred into the roading reserve**

- ☒ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☐ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

**Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?**

- ☒ **Option 1** – Yes – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☐ **Option 2** – No – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

**Do you agree with the proposed addition to Council's rates remission policy?**

- ☒ Yes ☐ No

**What other issues would you like Council to consider as part of its planning for 2016/17? (use extra pages if necessary)**

## Should Council construct a new amenity block in Taihape Memorial Park? (please tick)

☐ **Option 1** – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.

☐ **Option 2** – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

**Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)**

- ☒ **Option 1** – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ **Option 2** – I support the option of reinstating the Council's hockey turf at Centennial Park.

Do you have an alternative option?

---

---

---

---

---

---

**Should a ratepayer contribution be used to help fund the artificial turf? (please circle preferred option)**

Options – I support the following option as the ratepayer contribution towards the turf development:

- ☒ **a** A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- b.** A rate-funded contribution of \$100,000 to Rangitikei College only
- c.** A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- d.** A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- e.** A rate-funded contribution of \$50,000 to Rangitikei College only
- f.** A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- g.** Other: 

---
- h.** No rate-funded contribution to either school

**Should Council increase the sum transferred into the roading reserve**

- ☒ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☐ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

**Should Council proceed with the purchase of the Cobbler/Davenport/ Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?**

- ☒ **Option 1** – Yes – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☐ **Option 2** – No – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

**Do you agree with the proposed addition to Council's rates remission policy?**

- ☒ Yes ☐ No

**What other issues would you like Council to consider as part of its planning for 2016/17? (use extra pages if necessary)**

### Submission to RDC's Consultation Document for the Annual Plan 2016/17

Elizabeth Mortland  
Manager TCDT  
Secretary/Treasurer Clubs Taihape Inc.

On behalf of the Clubs Taihape Inc. Board: **Robert Auld, Danny Mickleson, John Booth, John McKinnon, Les Clarke**

I would prefer to receive correspondence relating to this submission and the hearings **by email.**

#### **Should Council construct a new amenity block in Taihape Memorial Park?**

Clubs Taihape Inc. supports Council's Option 1 - proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.

Clubs Taihape's preferred site is option 2 in Peter Shore's discussion document on Taihape Memorial Park Future Development. Therefore, Clubs Taihape would like to see the new amenity block catering to netball/tennis players/spectators by also having wide steps that could be used as seating that are undercover. This cover could be decking that would enhance viewing over all three fields.

The decking would be part of a 2<sup>nd</sup> storey that includes a lounge/dining area able to house a grand piano and, at least one snooker table and two/three pool tables, a kitchen, bar and toilets (with a lift). Clubs Taihape Inc. are keen to enhance Council's proposed amenity block by organising a project to build the 2<sup>nd</sup> storey.

Such a site would equally benefit rugby, equestrian, cricket, tennis, netball, Gumboot Day, A&P Show, Whanau Sports, hockey and soccer events, and would not impose on Kokako Street residents.

Clubs Taihape Inc. also supports installing an irrigation system (not an in-ground system – prefer the pod system), and the purchase of portable grandstands.

There are approximately 60 rugby players for whom Council is considering a spend of \$600,000 because of the grandstand obsolescence. The site preferred by Clubs Taihape is at the juncture of the three playing fields with improved parking and direct street access from Weka Street. The need for six changing rooms by Rugby occurs maybe twice a year.

Option 2 siting suits 300 court players as well as four equestrian clubs and A&P. The preferred site takes advantage of Netball/Tennis's willingness to trade court space for pavilion facilities which needs ground floor space facing onto the courts. In addition, the

hose-down changing rooms needs to be suited as much to netball players as it does to rugby players.

Clubs Taihape would like the Council to be less biased towards one code and provide an amenity more suited towards the majority of Park users. The original concept was to build a facility to accommodate a number of clubs and be able to host different groups at the same time, including large events for the town. Three pool tables would be a good base to build a snooker tournament/

event and Peter Shore reports on the suitability of Taihape's position to hold events with a population of 1 million within a three-hour drive.

TAIHAPPE

Town:

How would you prefer to receive correspondence relating to your submission and the hearings?:

☒ Email ☐ Letter

Would you like to speak to your submission at the hearings being held on 19 May? If yes, do you wish to (please tick):

☐ present in person in Marton at the Council Chamber

☐ dial in via skype from the Taihape Council Chamber

☐ dial in via skype from another location (please provide skype details)

Are you writing this submission as:

☒ an individual, or

☐ on behalf of an organisation

If on behalf of an organisation, please provide details:

Organisation:

Position:

☐ yes I would like to subscribe to Council's e-newsletter

## Should Council continue to invest in youth development, and if so, to what extent? (please tick)

- ☐ **Option 1** – Yes I support Council's proposal of developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – with a 50% external funding contribution
- ☒ **Option 2** – I support developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – even if there was no external funding contribution
- ☐ **Option 3** – I prefer Council continue to provide the current after-school and school holiday programmes in Marton and Taihape, while acknowledging Council may not secure long-term funding to cover part of the costs.
- ☐ **Option 4** – No I don't support Council delivering youth services.

## Do you have an alternative option?

## Should Council construct a new amenity block in Taihape Memorial Park? (please tick)

- ☒ **Option 1** – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.
- ☐ **Option 2** – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

**Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)**

- ☐ **Option 1** – Yes I support Council’s proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ **Option 2** – I support the option of reinstating the Council’s hockey turf at Centennial Park.

**Do you have an alternative option?**

---

---

---

---

---

---

---

**Should a ratepayer contribution be used to help fund the artificial turf? (please circle preferred option)**

**Options** – I support the following option as the ratepayer contribution towards the turf development:

- a. A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- ☒ b. A rate-funded contribution of \$100,000 to Rangitikei College only
- c. A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- d. A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- e. A rate-funded contribution of \$50,000 to Rangitikei College only
- f. A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- g. Other: 

---

- h. No rate-funded contribution to either school

**Should Council increase the sum transferred into the roading reserve**

- ☐ **Option 1** – I agree with Council’s proposal to retain the \$200,000 transfer to the roading reserve
- ☒ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

**Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council’s administration and library services?**

- ☒ **Option 1 – Yes** – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton’s civic centre.
- ☐ **Option 2 – No** – I don’t think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

**Do you agree with the proposed addition to Council’s rates remission policy?**

Re NEW COUNCIL BUILDING

Dear Council,

I read of the proposal to purchase the derelict property on the High St / Broadway corner of Marton to build a new Town Hall facility. This is a good idea and would smarten up the town. Irrespective of it's architectural merits, the building is a mess and the current owner will be pleased to sell on a total lemon at any price. My concern is with the building's current Historic Places Trust Listing, and I am concerned about years of endless legal expense in the Courts with the NZHPT who, I understand, have effectively blocked two past moves to redevelop the site.

I presume that the Council has already been in touch with NZHPT and if not, why not? May I strongly submit a proposal that the purchase proceed, but with the sale contract subject to the PRIOR, WRITTEN consent from the Historic Places Trust that no objection will be raised with the planned demolition. This must be part of any agreement. Your lawyer can easily write it on the contract. The emphasis is with the words prior, and written consent, BEFORE any agreement takes place. Years of High Court wrangles will cost us many times more than the bargain purchase price, and if no prior agreement over demolition can be obtained, then just walk away and build elsewhere like anyone else. I would be interested in your contact so far with NZHPT.

Yours Sincerely,

David Newman

Submission on behalf of the Dudding Lake Trust.

Dear Councillors,

Firstly thank you for the opportunity to submit to your annual plan, and for Councils ongoing support for our efforts at Dudding Lake.

Last year the Trust applied to Council for help with the tar-sealing of the drive into the lake, which was approved to the tune of 7 to 8K. Our request is for this money to be carried over to this financial year, plus any addition the Council sees fit. The work to seal the drive is planned to commence in October with help from Higgins, community trusts and part use of the Council's grant to run the lake. (All of this is provisional on finalising funding)

Secondly the ablution block at the lake urgently needs re-roofing. Two years ago we painted the roof to try and extend its life, however it now appears that it did not work for as long as we had hoped. Councils help is now sort for the replacement of the roof. As a trust we are more than comfortable with normal maintenance of the facilities at the Lake, however we feel the re-roofing is a capital item of expenditure that does not belong with the Trust.

Thank you for your consideration of these matters.

David Woodbridge, Geoff Mills, Terry Hammond, Bruce Gordon

# Submission Form

## Submitter details (please print clearly):

Your name: FRANK BATH

Email address: grawl@mail2

world.com

Preferred contact phone number:

327-4114

Your postal address:

29 MAIN ST

MARTON

Town:

How would you prefer to receive correspondence relating to your submission and the hearings?:

☒ Email ☐ Letter

Would you like to speak to your submission at the hearings being held on 19 May? If yes, do you wish to (please tick):

☐ present in person in Marton at the Council Chamber

☐ dial in via skype from the Taihape Council Chamber

☐ dial in via skype from another location (please provide skype details)

Are you writing this submission as:

☒ an individual, or

☐ on behalf of an organisation

If on behalf of an organisation, please provide details:

Organisation:

Position:

☐ yes I would like to subscribe to Council's e-newsletter

## Should Council continue to invest in youth development, and if so, to what extent? (please tick)

☒ **Option 1** – Yes I support Council's proposal of developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – with a 50% external funding contribution

☐ **Option 2** – I support developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – even if there was no external funding contribution

☐ **Option 3** – I prefer Council continue to provide the current after-school and school holiday programmes in Marton and Taihape, while acknowledging Council may not secure long-term funding to cover part of the costs.

☐ **Option 4** – No I don't support Council delivering youth services.

## Do you have an alternative option?

## Should Council construct a new amenity block in Taihape Memorial Park? (please tick)

☐ **Option 1** – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.

☒ **Option 2** – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

**Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)**

- ☒ **Option 1** – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ **Option 2** – I support the option of reinstating the Council's hockey turf at Centennial Park.

**Do you have an alternative option?**

---

---

---

---

---

---

**Should a ratepayer contribution be used to help fund the artificial turf? (please circle preferred option)**

**Options** – I support the following option as the ratepayer contribution towards the turf development:

- A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- A rate-funded contribution of \$100,000 to Rangitikei College only
- A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- A rate-funded contribution of \$50,000 to Rangitikei College only
- A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- Other: \_\_\_\_\_

- ☒ **h.** No rate-funded contribution to either school

**Should Council increase the sum transferred into the roading reserve**

- ☐ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☒ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

**Should Council proceed with the purchase of the Cobbler/Davenport/ Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?**

- ☒ **Option 1 – Yes** – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☐ **Option 2 – No** – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

**Do you agree with the proposed addition to Council's rates remission policy?**

- ☒ Yes ☐ No

**What other issues would you like Council to consider as part of its planning for 2016/17? (use extra pages if necessary)**

See attached sheet.

**Submissions close at midday on Friday, 6 May 2016.**

Whilst I have no objections to what is proposed for the Annual Plan 16/17 I feel that the Council has lost its way in other directions. Remember the old saying about 1<sup>st</sup> impressions? To digress slightly, there are two types of visitor to Marton; the willing and the unwilling. The willing visitor usually arrives via well kept pleasant roads (Wellington Road, Turakina Road and Calico Line) but the unwilling visitor coming from the south is the one diverted off Highway 1 for some reason.

After leaving Bulls the first sign that Marton exists is a signboard with a heart shape on it with Marton heart of the Rangitikei. Contained within the heart shape are a lot of symbols totally undecipherable at 100 kmh. Not a good start. Surely a sheep, tractor and a cow within the heart would be better and more easily seen.

Continuing along Highway 1 the signposts to Marton are ignored until the traveller reaches the overheight turnoff where a diversion is in place. This diversion takes the traveller down what is little more than a country lane until they reach some houses and a 50kmh speed restriction. The houses appear to be well kept but on the other side of the road shows neglect and a disused racecourse which looks even more neglected. Continuing on there are vacant sections, some neat and tidy. Others very neglected and what's this; cattle being raised on a vacant house section, surely no Council would permit this? Round the corner, more vacant sections again some cared for, others neglected and what's this? An abandoned car amid the overgrown grass.

The unwilling visitor is beginning to get an unfavourable impression but more is to come. Over the railway lines and on past neatly decorated houses to the corner, I would like a cup of tea but how do I get into the town. No signposts only small signs to point the way back to the main highway. Right on the junction is a house sitting in the middle of a hideous mess, not a good advertisement for the occupants, the town or the council. Turn right into a street that has no roadside kerbing although it appears that the sideroads are all neatly kerbed and what's this? Another house section with large livestock appears, alpacas in the main and so on into another narrow road with a nasty twist or so until a last reasonable road is reached and a signboard informs that the trip has been through the outskirts of Marton.

So what is impression gained? Not a good one; on the one hand that of house owners caring for their property and on the other that of a council which neglects its duties and has no interest in presenting a well managed and cared for town.

Council should be mindful of the fact that a bad impression is the one that lasts and that it is a total waste of money creating a beautiful town centre if the approaches to the town have already created a bad impression. Certainly the degree of Council neglect that can be observed on this short trip through the outskirts of Marton is enough to deter an unwilling visitor to Marton and cause them to pass this impression on to their friends or is this what Council wants?

F Bath  
29 Main Street  
Marton.

Doc: 16 0223

Dear Katrina,

**Proposed District Plan**  
**Annual Plan**  
**Submission 12**

Further to your letter of 5<sup>th</sup> April 2016 I have prepared my submission which is attached.

It covers areas you class at the Proposed District Plan and the Annual Plan.

Please apply the relevant portions of the submission to your respective processes.

We look forward to the Councils continued interest and maintenance of the drains and water supply upgrade in the Taihape township.

Yours faithfully,

  
.....  
**Gary Thomas**  
**Long Time Resident of West Taihape**

## **SUBMISSION BY GARY THOMAS**

### **PROPOSED DISTRICT PLAN 2016**

#### **1. WEST TAIHAPE NAME**

Name of area "West Taihape" or "Taihape West"

Clearly we need a positive name. The name itself indicates there is a clearly defined area for a reason.

There was a slip in Valley Road due to blocked drains. Now the drains have been cleared there is minimal movement. The authorities by their actions (have stopped measuring) indicates there is a significantly reduced risk.

Propose the name be changed and all authorities, Council and staff refer to the area as "West Taihape".

#### **2. COMMITMENT TO MAINTAIN CLEAR DRAINS AND WATERWAYS IN WEST TAIHAPE**

The Council has been proactive:

- a) In clearing the waterways behind Kiwi Road and the stream through Kaka Road to the O'Taihape Valley stream.
- b) Replacing drains in Kaka Road (down from Hospital Road and Thrush, Kaka & Wren Streets) also repairing the drain down from Paradise Terrace corner.

This work allows storm water to drain quickly - excellent (previously overflowing with minimal surface water).

We now need regular spraying of water ways and clearing at least annually.

The storm water drains need clearing monthly at least and more often in winter.

The street sweeper does a great job however regular spraying must be undertaken as part of the maintenance programme (good to see some spraying done after being raised last month). This should happen without rate payer input.

### **3. REPAIR WATER SUPPLY LEAKS IMMEDIATELY**

There should be a policy for all water leaks to be repaired immediately.

Also a programme to replace the water supply overtime in West Taihape.

The replacement of the water supply line in the top end of Kaka road is a great start.

I noticed the ground was considerably dryer than the drains when replaced (Kaka Road, Thrush & Wren Street) across the road a few years ago. This clearly demonstrates the drainage is now working. Drains through to the storm water not drains going nowhere in the ground or blocked / collapsed.

The fire hydrant outside 50 Kaka Road was repaired several years ago. The leak has been leaking for many years and was long overdue (the Council spent a few days to get repaired).

### **4. ACTIVELY REDUCE THE ZONE WHERE PRACTICAL**

As the above measures manage the drainage and capture spring water the area West Taihape is re-assessed.

When areas are no longer at any risk the boundaries of West Taihape be reduced.

There be an active policy to review the boundaries annually.

### **5. POSITIVE ANNOUNCEMENTS TO CLEARLY DESCRIBE THE WEST TAIHAPE AREA**

The Council staff be all required to describe the area as "West Taihape" not using any other reference. Over time this will become known and accepted as "West Taihape" and become common practice.

This will enhance the area's image and the public will make their own judgement as to the risk. Through LIM Reports etc the appropriate management (building conditions etc) can be undertaken.

In conclusion, The Council has completed a lot to stabilise the area and creating effective drainage and maintaining clear drains (spraying and keeping storm water drains free of rubbish) will ensure the area is kept safe and avoid any future issues.

Thank you for your time and I look forward to "West Taihape" being restated to "rated as Taihape respected residential area".

**Options** – I support the following option as the ratepayer contribution towards the turf development:

- a. A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- b. A rate-funded contribution of \$100,000 to Rangitikei College only
- c. A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- d. A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- e. A rate-funded contribution of \$50,000 to Rangitikei College only
- f. A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- g. Other: \_\_\_\_\_
- h. No rate-funded contribution to either school

**Should Council increase the sum transferred into the roading reserve**

- ☐ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☐ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

**Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?**

- ☐ **Option 1 – Yes** – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☐ **Option 2 – No** – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

**Do you agree with the proposed addition to Council's rates remission policy?**

- ☐ Yes ☐ No

**What other issues would you like Council to consider as part of its planning for 2016/17?  
(use extra pages if necessary)**

## Should Council construct a new amenity block in Taihape Memorial Park? (please tick)

☐ Option 1 – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.

☒ Option 2 – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

**Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)**

- ☒ **Option 1** – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ **Option 2** – I support the option of reinstating the Council's hockey turf at Centennial Park.

**Do you have an alternative option?**

No

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**Should a ratepayer contribution be used to help fund the artificial turf? (please circle preferred option)**

**Options** – I support the following option as the ratepayer contribution towards the turf development:

- a. A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School NO
- b. A rate-funded contribution of \$100,000 to Rangitikei College only ~~NO~~ **YES**
- c. A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only **NO**
- d. A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School ~~YES~~ **NO**
- e. A rate-funded contribution of \$50,000 to Rangitikei College only **NO**
- f. A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only **NO**
- g. Other: \_\_\_\_\_
- \_\_\_\_\_
- h. No rate-funded contribution to either school

**Should Council increase the sum transferred into the roading reserve**

- ☒ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☐ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

**Should Council proceed with the purchase of the Cobbler/Davenport/ Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?**

- ☒ **Option 1 – Yes** – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☐ **Option 2 – No** – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

**Do you agree with the proposed addition to Council's rates remission policy?**

- ☒ Yes ☐ No

**What other issues would you like Council to consider as part of its planning for 2016/17? (use extra pages if necessary)**

No more rise in rates

# Submission Form

## Submitter details (please print clearly):

Your name: Jannette Johnson

Email address:

rangis\_tyres@xtra.co.nz

Preferred contact phone number:

06 327 7885 (Work)

Your postal address:

27 Cuba Street

Town: MARTON

How would you prefer to receive correspondence relating to your submission and the hearings?:

☒ Email ☐ Letter

Would you like to speak to your submission at the hearings being held on 16 May? If yes, do you wish to (please tick):

☐ present in person in Marton at the Council Chamber

☐ dial in via skype from the Taihape Council Chamber

☐ dial in via skype from another location (please provide skype details)

Are you writing this submission as:

☒ an individual, or

☐ on behalf of an organisation

If on behalf of an organisation, please provide details:

Organisation:

Position:

☒ yes I would like to subscribe to Council's e-newsletter

## Should Council continue to invest in youth development, and if so, to what extent? (please tick)

☒ **Option 1** – Yes I support Council's proposal of developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – with a 50% external funding contribution

☐ **Option 2** – I support developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – even if there was no external funding contribution

☐ **Option 3** – I prefer Council continue to provide the current after-school and school holiday programmes in Marton and Taihape, while acknowledging Council may not secure long-term funding to cover part of the costs.

☐ **Option 4** – No I don't support Council delivering youth services.

## Do you have an alternative option?

---

---

---

---

---

---

---

---

## Should Council construct a new amenity block in Taihape Memorial Park? (please tick)

☒ **Option 1** – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.

☐ **Option 2** – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

**Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)**

- ☒ **Option 1** – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ **Option 2** – I support the option of reinstating the Council's hockey turf at Centennial Park.

Do you have an alternative option?

---

---

---

---

---

---

---

---

**Should a ratepayer contribution be used to help fund the artificial turf?  
(please circle preferred option)**

**Options** – I support the following option as the ratepayer contribution towards the turf development:

- a. A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- b. A rate-funded contribution of \$100,000 to Rangitikei College only**
- c. A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- d. A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- e. A rate-funded contribution of \$50,000 to Rangitikei College only
- f. A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- g. Other: \_\_\_\_\_
- h. No rate-funded contribution to either school

**Should Council increase the sum transferred into the roading reserve**

- ☒ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☐ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

**Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?**

- ☒ **Option 1 – Yes** – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☐ **Option 2 – No** – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

**Do you agree with the proposed addition to Council's rates remission policy?**

- ☐ Yes ☐ No

**What other issues would you like Council to consider as part of its planning for 2016/17?  
(use extra pages if necessary)**

RANGITIKEI ENVIRONMENT GROUP

Submission to Annual Plan. Re; Wasp Control in Taihape Scenic Reserves.

RECEIVED

05 MAY 2016

To: SW  
File: 1-AP-1-4  
Doc: 15-0266

During the course of our work controlling Old man's Beard, and other weeds, in the Taihape Scenic Reserves over recent years, our workers have been doing quite a lot of wasp nest control. This was primarily for self-defence, but it obviously had a beneficial effect on the surrounding areas of the town.

We obtained a supply of chemical for the purpose from the Taihape Community Development Trust, who had found it somewhere around the Town Hall, but that supply has now run out. In the meantime, controls around the supply and use of these chemicals has been tightened, so our workers will not now be able to obtain and use them.

We recommend that the Council implement a formal programme, with a qualified operator, to undertake this wasp control work, in the Taihape Scenic Reserves, and other areas around town, as necessary.

  
Jim Howard,

Chairman, Rangitikei Environment Group.
