Submission Form

Submitter details (please print clearly):

Your name: Ella Medlicott

Email address: Medlicottella@Nga
tawa.school.nz

Preferred contact phone number: 01764 29002

Your postal address: 73 Kaihokopa
Rd

Town: Wanganui

How would you prefer to receive correspondence relating to your submission and the hearings?:

☒ Email ☐ Letter

Would you like to speak to your submission at the hearings being held on 16 May? If yes, do you wish to (please tick):

☐ present in person in Marton at the Council Chamber

☐ dial in via skype from the Taihape Council Chamber

☐ dial in via skype from another location (please provide skype details)

Are you writing this submission as:

☒ an individual, or

☐ on behalf of an organisation

If on behalf of an organisation, please provide details:

Organisation: _____

Position: _____

☐ yes I would like to subscribe to Council's e-newsletter

Should Council continue to invest in youth development, and if so, to what extent? (please tick)

☒ **Option 1** – Yes I support Council's proposal of developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – with a 50% external funding contribution

☐ **Option 2** – I support developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – even if there was no external funding contribution

☐ **Option 3** – I prefer Council continue to provide the current after-school and school holiday programmes in Marton and Taihape, while acknowledging Council may not secure long-term funding to cover part of the costs.

☐ **Option 4** – No I don't support Council delivering youth services.

Do you have an alternative option?

Should Council construct a new amenity block in Taihape Memorial Park? (please tick)

☒ **Option 1** – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.

☐ **Option 2** – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)

- ☒ **Option 1** – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ **Option 2** – I support the option of reinstating the Council's hockey turf at Centennial Park.

Do you have an alternative option?

**Should a ratepayer contribution be used to help fund the artificial turf?
(please circle preferred option)**

Options – I support the following option as the ratepayer contribution towards the turf development:

- a. A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- b. A rate-funded contribution of \$100,000 to Rangitikei College only
- c. A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- d. A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- e. A rate-funded contribution of \$50,000 to Rangitikei College only
- f. A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- g. Other: _____

- h. No rate-funded contribution to either school

Should Council increase the sum transferred into the roading reserve

- ☐ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☐ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?

- ☐ **Option 1 – Yes** – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☐ **Option 2 – No** – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

Do you agree with the proposed addition to Council's rates remission policy?

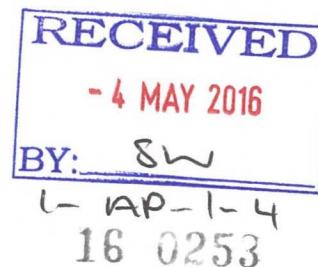

- ☐ Yes ☐ No

**What other issues would you like Council to consider as part of its planning for 2016/17?
(use extra pages if necessary)**

How would you prefer to receive correspondence relating to your submission and the hearings?:

☒ Email ☐ Letter

Would you like to speak to your submission at the hearings being held on 16 May? If yes, do you wish to (please tick):

☐ present in person in Marton at the Council Chamber

☐ dial in via skype from the Taihape Council Chamber

☐ dial in via skype from another location (please provide skype details)

Are you writing this submission as:

☒ an individual, or

☐ on behalf of an organisation

If on behalf of an organisation, please provide details:

Organisation:

Position:

☐ yes I would like to subscribe to Council's e-newsletter

Should Council continue to invest in youth development, and if so, to what extent? (please tick)

☒ Option 1 – Yes I support Council's proposal of developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – with a 50% external funding contribution

☐ Option 2 – I support developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – even if there was no external funding contribution

☐ Option 3 – I prefer Council continue to provide the current after-school and school holiday programmes in Marton and Taihape, while acknowledging Council may not secure long-term funding to cover part of the costs.

☐ Option 4 – No I don't support Council delivering youth services.

Do you have an alternative option?

Should Council construct a new amenity block in Taihape Memorial Park? (please tick)

☐ Option 1 – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.

☒ Option 2 – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)

- ☒ **Option 1** – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ **Option 2** – I support the option of reinstating the Council's hockey turf at Centennial Park.

Do you have an alternative option?

**Should a ratepayer contribution be used to help fund the artificial turf?
(please circle preferred option)**

Options – I support the following option as the ratepayer contribution towards the turf development:

- a. A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- b. A rate-funded contribution of \$100,000 to Rangitikei College only
- c. A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- d. A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- e. A rate-funded contribution of \$50,000 to Rangitikei College only
- f. A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- g. Other: _____
- h. No rate-funded contribution to either school

Should Council increase the sum transferred into the roading reserve

- ☒ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☐ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?

- ☐ **Option 1 – Yes** – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☒ **Option 2 – No** – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

Do you agree with the proposed addition to Council's rates remission policy?

- ☒ Yes ☐ No

**What other issues would you like Council to consider as part of its planning for 2016/17?
(use extra pages if necessary)**

Rangitikei District Council - Council owned Property

2016/2017 Submission Re Koitiata Camp Ground

This little piece of paradise is really starting to be found by more and more people . As you can see by the copy of the visitor's book the overseas backpacker type traveler and the kiwi motorhome traveller are all big users .

The campground consists of 8 powered sites and a large area across the road for non powered sites.

The ammenities consist of an open air sink , two toilets , two showers operated by \$2 coin , gas hot water for showers only. The sink only has cold bore water for use.

There is also a three burner gas barbecue donated by locals .

The water for the showers is trucked in from town water when required to a water storage tank on site.

All other water is underground bore water.

The \$2 coins used to pay for the showers goes directly to Council for the cost of the water and bottled gas.

There is power to the site with only one power point which is used for the gas infinity. There are no other power points for use by campers for charging phones , laptops etc or for any other use such as cooking.

We the Koitiata Residents Committee would like to see the ammenities brought up to the 21st Century.

1) Hot water over the sink.

2) Cold town water over sink not bore water.

3) Two double hot points put in for charging phones , laptops and for campers general use.

The community has it's own Broadband provider which is Inspire Net. They have installed a tower on private land and this has been very successful for the last five years serving the locals well. There is no internet connenction at the campground for campers to access. This again is a must in this day and age. We would like to see this taken on board by Council with Inspire Net.

With regard to Health & Safety issues there is a small concrete water tank collecting water off the roof of the ammenities block sitting on a wooden stand. This stand is starting to rot away and the tank is starting to lean badly. This tank should be removed and the downpipes redirected into the tank that holds the town water.

As a health issue we have also supplied a copy of the water sample for the campground that the council have undertaken.

The approximate cost of removal of tank , shifting of downpipes and supplying hot and cold running water over the sink is \$1,500 plus the installation of power points.

The council has an open wood fired barbecue at the playground area for people to use and yes it does get a lot of use in the summer months. The problem is that there is a total fire ban within 3km's of the coast so how does this comply with the rules? We would like to see the Council supply and install a gas operated stainless steel self cleaning barbecue as per attached.

The residents committee would like to work with council on this and provide and build the roof structure over the facility. We have no costing on this as yet

Regards

Keith Gray

Chairman

Submitter details (please print clearly):

Your name:

KEITH GRAY

Email address:

Preferred contact phone number:

06-3273985

Your postal address: 25 Omanu St

RD 11 Wanganui
4581

Town:

Koitiata

How would you prefer to receive correspondence relating to your submission and the hearings?:

☐ Email ☒ Letter

Would you like to speak to your submission at the hearings being held on 19 May? If yes, do you wish to (please tick):

☐ present in person in Marton at the Council Chamber

☐ dial in via skype from the Taihape Council Chamber

☐ dial in via skype from another location (please provide skype details)

Are you writing this submission as:

☒ an individual, or

☐ on behalf of an organisation

If on behalf of an organisation, please provide details:

Organisation:

Position:

☐ yes I would like to subscribe to Council's e-newsletter

Should Council continue to invest in youth development, and if so, to what extent? (please tick)

- ☐ Option 1 – Yes I support Council's proposal of developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – with a 50% external funding contribution
- ☐ Option 2 – I support developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – even if there was no external funding contribution
- ☐ Option 3 – I prefer Council continue to provide the current after-school and school holiday programmes in Marton and Taihape, while acknowledging Council may not secure long-term funding to cover part of the costs.
- ☒ Option 4 – No I don't support Council delivering youth services.

Do you have an alternative option?

Should Council construct a new amenity block in Taihape Memorial Park? (please tick)

- ☒ Option 1 – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.
- ☐ Option 2 – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)

- ☒ **Option 1** – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ **Option 2** – I support the option of reinstating the Council's hockey turf at Centennial Park.

Do you have an alternative option?

Should a ratepayer contribution be used to help fund the artificial turf? (please circle preferred option)

Options – I support the following option as the ratepayer contribution towards the turf development:

- a. A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- b. A rate-funded contribution of \$100,000 to Rangitikei College only
- c. A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- ☒ d. A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- e. A rate-funded contribution of \$50,000 to Rangitikei College only
- f. A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- g. Other:

- h. No rate-funded contribution to either school

Should Council increase the sum transferred into the roading reserve

- ☒ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☐ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?

- ☒ **Option 1 – Yes** – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☐ **Option 2 – No** – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

Do you agree with the proposed addition to Council's rates remission policy?

- ☒ Yes ☐ No

What other issues would you like Council to consider as part of its planning for 2016/17? (use extra pages if necessary)

Should Council construct a new amenity block in Taihape Memorial Park? (please tick)

- ☒ **Option 1** – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.
- ☐ **Option 2** – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

placed north of the Netball Courts

Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)

- ☒ **Option 1** – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ **Option 2** – I support the option of reinstating the Council's hockey turf at Centennial Park.

Do you have an alternative option?

Should a ratepayer contribution be used to help fund the artificial turf? (please circle preferred option)

Options – I support the following option as the ratepayer contribution towards the turf development:

- a. A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- b.** A rate-funded contribution of \$100,000 to Rangitikei College only
- c. A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- d. A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- e. A rate-funded contribution of \$50,000 to Rangitikei College only
- f. A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- g. Other:

- h. No rate-funded contribution to either school

Should Council increase the sum transferred into the roading reserve

- ☒ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☐ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?

- ☒ **Option 1 – Yes** – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☐ **Option 2 – No** – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

Do you agree with Council's proposed addition to Council's rates remission policy?

- ☒ Yes ☐ No

What other issues would you like Council to consider as part of its planning for 2016/17? (use extra pages if necessary)

Submission re the Rangitikei District Council 2016/2107 Annual Plan

Multi-sport artificial turf facilities in Marton

Issue A: How should the insurance pay out for the damage to the Centennial Park turf be used?

We support the Rangitikei College proposal to build a multipurpose half turf to replace the damaged turf sited in Centennial Park. This multipurpose half turf would be accessed by all sport users giving the youth of the Rangitikei access to an improved facility. This reduces the barriers to playing sport as costs associated with travel to a practise turf would be minimised.

Issue B: To what extent should the Council make a rate funded contribution to the Nga Tawa and Rangitikei College Turf developments.

Nga Tawa is committed to building a full sized water turf. This project is important for the development of sport at Nga Tawa, and to the development of sport in the wider community as it removes the very real barrier to playing sport due to costs associated with transport to facilities located in Palmerston North and Whanganui. With support from the Rangitikei Council we will be able to ensure access to the turf for other school students in the Rangitikei District. Students who may not otherwise have the financial resources to be able to participate will now have a facility close to home. School students need to be encouraged to play sport and not pursue sedentary life styles as New Zealand is battling increasing levels of obesity and the resulting health issues.

The business community of Marton will also benefit from the turf, as combined with the multisport half turf at Rangitikei College, playing surfaces will be available to host tournaments bringing added revenue to the town.

We support the Council assigning \$100,00 insurance pay-out to Rangitikei College and suggest that rate funded contribution of \$100,00 be made to both Rangitikei and Nga Tawa so that Rangitikei can experience growth in sporting facilities available to the district.

SUBMISSION TO RANGITIKEI DISTRICT COUNCIL RE. ROADING

Louisa Gordon
1142 Mokai Road
RD 3
TAIHAPE

Recently, we discovered that the District Council have designated that our rural road will only be graded on a quarterly cycle. We are opposed to this.

Admittedly, Mokai Road is a no-exit road to the east of Taihape. However, the eight households who live on the road use it frequently as do trucks and other heavy vehicles servicing the farms; and it is travelled by quite a number of unfamiliar drivers due to the tourism in our district.

Primarily, Tarata Lodge has many guests using the road - many of whom are foreign tourists who have never driven on a metal road. Secondly, people visiting Gravity Canyon bungy often travel to the end of the road to take in the spectacular scenery, and thirdly, many keen trampers and hunters make use of the access to the Ruahine ranges, especially during the "roar". (see attached photo - 12 vehicles in this instance). Unfamiliar drivers are a hazard at the best of times, but when the road is in dire need of a grade, it can be quite dangerous meeting these vehicles on the road.

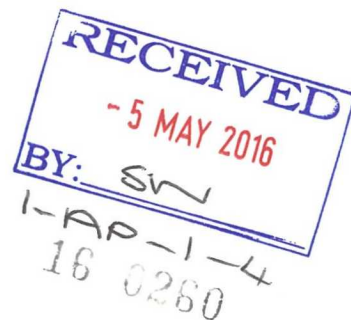

We know that we have to have sturdy vehicles to live on this road, but the state the road gets in really does some damage to them! It is such a pleasure to drive on the road after it has been graded, but it can be a nightmare when we are waiting for that lovely yellow machine to arrive!

I have had a nasty accident on the road meeting shearers on their way out of the valley - my vehicle was written off and the fact that my four children and I received only minor injuries was very gratifying. My sister has also had a nasty accident, meeting an electrician who was travelling too quickly on an unfamiliar road. Sometimes, it puts you off inviting guests out when we feel the road is unsafe, and it is quite harrowing when you have young drivers who may meet some random tourist having a joy-ride on the corrugations!

I would implore the council to reconsider this policy, and re-grade our road when the residents, and/or council, feel it is in an unsafe state.

Louisa Gordon

Town:

How would you prefer to receive correspondence relating to your submission and the hearings?:

☒ Email ☐ Letter

Would you like to speak to your submission at the hearings being held on 16 May? If yes, do you wish to (please tick):

- ☐ present in person in Marton at the Council Chamber
- ☐ dial in via skype from the Taihape Council Chamber
- ☐ dial in via skype from another location (please provide skype details)

Are you writing this submission as:

- ☒ an individual, or
- ☐ on behalf of an organisation

If on behalf of an organisation, please provide details:

Organisation:

Position:

- ☒ yes I would like to subscribe to Council's e-newsletter

Should Council continue to invest in youth development, and if so, to what extent? (please tick)

- ☐ **Option 1** – Yes I support Council's proposal of developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – with a 50% external funding contribution
- ☐ **Option 2** – I support developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – even if there was no external funding contribution
- ☐ **Option 3** – I prefer Council continue to provide the current after-school and school holiday programmes in Marton and Taihape, while acknowledging Council may not secure long-term funding to cover part of the costs.
- ☐ **Option 4** – No I don't support Council delivering youth services.

Do you have an alternative option?

Should Council construct a new amenity block in Taihape Memorial Park? (please tick)

- ☒ **Option 1** – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.
- ☐ **Option 2** – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

- ☐ **Option 1** – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.
- ☐ **Option 2** – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)

- ☒ **Option 1** – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ **Option 2** – I support the option of reinstating the Council's hockey turf at Centennial Park.

Do you have an alternative option?

**Should a ratepayer contribution be used to help fund the artificial turf?
(please circle preferred option)**

Options – I support the following option as the ratepayer contribution towards the turf development:

- a. A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- b. A rate-funded contribution of \$100,000 to Rangitikei College only
- c. A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- d. A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- e. A rate-funded contribution of \$50,000 to Rangitikei College only
- f. A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- g. Other: _____
- h. No rate-funded contribution to either school

Should Council increase the sum transferred into the roading reserve

- ☐ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☐ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?

- ☐ **Option 1 – Yes** – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☐ **Option 2 – No** – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

Do you agree with the proposed addition to Council's rates remission policy?

- ☐ Yes ☐ No

**What other issues would you like Council to consider as part of its planning for 2016/17?

Submitter: MidCentral District Health Board
MidCentral Public Health Service (MCPHS)
Attn: Margaret Tunbridge

Proposal: Submission to Rangitikei District Council Annual Plan 2016/17

Details of Submitter

1. MidCentral Public Health Service (MCPHS).
2. The MCPHS could not gain an advantage in trade competition through this submission

Details of the Submission

3. The submitter is responsible for promoting the reduction of adverse environmental effects on the health of people and communities and for improving, promoting and protecting their health pursuant to the New Zealand Public Health and Disability Act 2000 and the Health Act 1956. These statutory obligations are the responsibility of the Ministry of Health and, in the Whanganui Health District are carried out under delegation by the MCPHS.
4. The Ministry of Health requires the submitter to reduce potential health risks by such means as submissions to ensure the public health significance of potential adverse effects are adequately considered during policy development.
5. The MCPHS welcomes the opportunity to comment on the Rangitikei District Council Annual Plan 2016/17.
6. Public health is not just reliant on hospitals but on a responsive environment where all sectors work collaboratively. Health is influenced by a wide range of factors beyond the health sector.
7. These influences can be described as the conditions in which people are born, grow, live, work and age, and are impacted by environmental, social and behavioural factors. They are often referred to as the 'social determinants of health'.
8. The most effective way to maximize people's wellbeing is to take these factors into account as early as possible during decision making and strategy development. Initiatives to improve health outcomes and overall quality of life must involve organizations and groups beyond the health sector, such as local government if they are to have an impact.

9. The diagram below shows how the various influences on health are complex and interlinked.

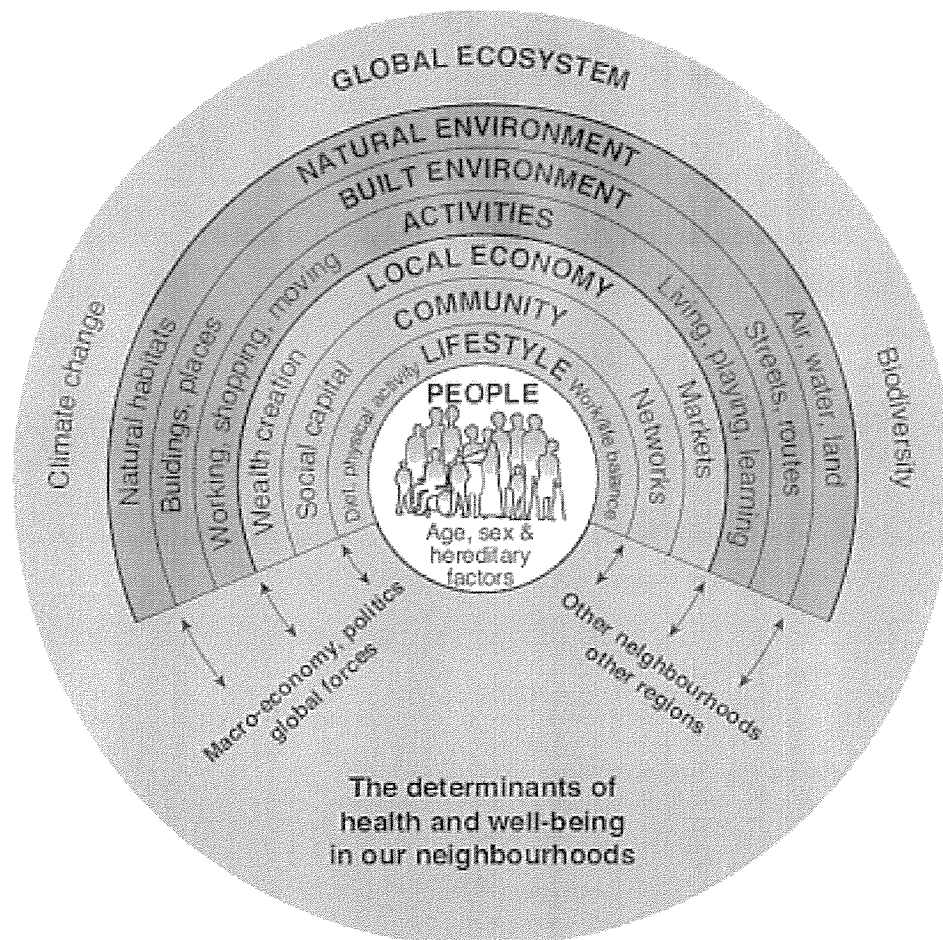

Figure 1 Barton, H and Grant, M (2006) A Health Map for the Local Human Habitat

General Comments

10. MCPHS supports the opportunity for public submission on the Annual Plan and has two areas of support which MCPHS believes will further improve the health outcomes for the community.

Specific Comments

Future Delivery of Infrastructure Services

11. MCPHS **supports** the investigation into the feasibility of a Council Controlled Organisation. With the constraints and difficulties faced by individual small rural councils to attract and retain well trained and experienced staff, often to part-time roles, sharing such personnel between councils will enhance employment options. The arrangement will also reduce service duplication and increase efficiencies.

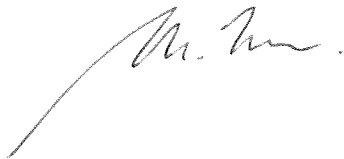

Taihape Memorial Park

12. MCPHS **supports** the development of the new amenity block at Taihape Memorial Park. The Park is an important sports venue for the town and the new facility, in conjunction with the proposed developments to the playground and installation of tracks and walkways, will encourage increased use of the Park and therefore increase exercise.

Conclusion

13. MCPHS does not wish to be heard in support of this submission.
14. Thank you for the opportunity to submit on the Rangitikei District Council Annual Plan 2016/17.

Your postal address: 24 Takahu St
Taihape

Town: Taihape

How would you prefer to receive correspondence relating to your submission and the hearings?:

☐ Email ☒ Letter

Would you like to speak to your submission at the hearings being held on 19 May? If yes, do you wish to (please tick):

- ☐ present in person in Marton at the Council Chamber
- ☐ dial in via skype from the Taihape Council Chamber
- ☐ dial in via skype from another location (please provide skype details)

Are you writing this submission as:

- ☐ an individual, or
- ☐ on behalf of an organisation

If on behalf of an organisation, please provide details:

Organisation: _____

Position: _____

- ☐ yes I would like to subscribe to Council's e-newsletter

Should Council continue to invest in youth development, and if so, to what extent? (please tick)

- ☐ **Option 1** – Yes I support Council's proposal of developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – with a 50% external funding contribution
- ☐ **Option 2** – I support developing the Marton Youth Club and Taihape Youth Club into Youth One Stop Shops – even if there was no external funding contribution
- ☒ **Option 3** – I prefer Council continue to provide the current after-school and school holiday programmes in Marton and Taihape, while acknowledging Council may not secure long-term funding to cover part of the costs.
- ☐ **Option 4** – No I don't support Council delivering youth services.

Do you have an alternative option?

assuming they have
sufficient funding
rather than rate
payers being hit
again.

Should Council construct a new amenity block in Taihape Memorial Park? (please tick)

- ☐ **Option 1** – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.
- ☒ **Option 2** – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

I feel as though we seem to
be kept in the dark
about this!! when will it end?

Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)

- ☒ **Option 1** – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ **Option 2** – I support the option of reinstating the Council's hockey turf at Centennial Park.

Do you have an alternative option?

Should a ratepayer contribution be used to help fund the artificial turf? (please circle preferred option)

Options – I support the following option as the ratepayer contribution towards the turf development:

- a. A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- b. ☒ A rate-funded contribution of \$100,000 to Rangitikei College only
- c. A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- d. A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- e. A rate-funded contribution of \$50,000 to Rangitikei College only
- f. A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- g. Other: Nga Tawa is a private school! Keep to Rangitikei College.
- h. No rate-funded contribution to either school

Should Council increase the sum transferred into the roading reserve

- ☒ **Option 1** – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☒ **Option 2** – I think Council should increase the sum transferred to the roading reserve to \$400,000

Should Council proceed with the purchase of the Cobbler/Davenport/ Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?

- ☒ **Option 1 – Yes** – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☐ **Option 2 – No** – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

Do you agree with the proposed addition to Council's rates remission policy?

- ☒ Yes ☐ No

What other issues would you like Council to consider as part of its planning for 2016/17? (use extra pages if necessary)

The ongoing debate with the proposal for construction at the memorial park is getting old and sickening. Should it not be over??

I would like to see the Cobbler/Davenport/
Abraham & Williams buildings on Broadway
and High st to be retained and repurposed
with the required earthquake strengthening.
The main emphasis being on retaining
the facades. I believe it is imperative
that we retain our towns heritage
for future generations. I think it would
be appropriate and fair to the Marton
Community to have some quotes done
regarding the strengthening of the buildings.
I believe we need to look seriously
at our options first before our towns
history is irreplaceably lost.

Yours faithfully
Paul Czepanski

I would like to see the Cobble/Danvers
Abraham Williams building in Danvers
and high it to be retained and repurposed
with the required earthquake strengthening.
The main emphasis being on retaining
the facade. I believe it is imperative
that we retain our towns heritage
for future generations. I think it would
be appropriate and fair to the master
community to have some greater due
regarding the strengthening of the building.
I believe we need to look seriously
at our options first before our towns
history is irrevocably lost.

Yours faithfully,
Paul Casperson

Hockey Turf – Marton

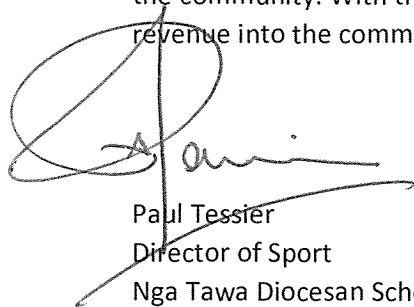

At present all Nga Tawa hockey players are having to travel to Wanganui for training. This involves the parents in large additional costs and the students in long hours travelling to and from practice.

This also means that we are constrained to only one skills based practice for each team each week. With suitable practice facilities I am confident that our playing numbers will grow exponentially.

With a turf in Marton we will be able to host teams for our annual exchanges which will bring additional revenue into the town through accommodation and food etc.

We would also be able to host tournaments of up to 16 teams (Hockey NZ) which would bring significant additional revenue into the community.

Teams currently have to travel outside of Marton for all their games which means revenue is lost to the community. With the ability to host teams (home and away games) this would also bring revenue into the community.

A handwritten signature in black ink, appearing to read 'Paul Tessier', with a large, stylized loop at the beginning and a horizontal line extending to the right.

Paul Tessier

I do not want to speak to my submission

Please contact me by email peterandangela@xtra.co.nz

I am writing this as an individual

Should Council continue to invest in youth development, and if so, to what extent?

☒ Option 4

Comment

I do not believe that this is a core activity which all ratepayers should be paying for. The total number of youth that are catered for in these programmes is very small and the cost is very high per head. I do support Central Government agency support of youth programmes, but not by local councils.

Recommendation

That the Council pursue and support Central Government funding for any youth programmes in the district.

Should Council construct a new amenity block in Taihape Memorial Park?

☒ Option 2 – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

Comment

The wording of this question is misleading as Option 1 implies that only \$100,000 to be funded from external agencies is the cost to ratepayers. The total cost is \$600,000 and this should have been stated in the question. I consider this question invalid because of the incomplete and incorrect information contained in it. The council should re-ask this question when the public have been properly informed. At the time of this submission, there was a total failure by the council to inform the public of the details of this proposal. The only people that knew something about it were those involved in council activities or direct involvement with Memorial Park User Group. The rest of the public were totally unaware of this proposal.

Considering that \$600,000 is involved, plus implications for future removal of the existing grandstand in the Park, for which there has previously been a petition by the public stating they do not wish it pulled

down, I think that this needs far more public consultation (not just the Park User Group) before further decisions are made on this plan.

In the information provided in "What's New What's Changed" consultation document, it states that the Council's preferred option, Option 1, is endorsed by the Taihape Community Board. This is totally incorrect information, as the Taihape Community Board only agreed that it should be looked into as an option, and has not made a decision as to whether it supports or not any of the options. This, together with the misleading question in Option 1, invalidates the information provided to the public.

I have supported Option 2 because I do not believe that the Council has a proper evaluation of the work needed and costs to refurbish the current grandstand and I think they should do this to make a fair comparison with the replacement facility that is proposed. That way, the public will have facts to decide on, not just an opinion, which may or may not be correct, as to the cost of work required on the present grandstand.

Proper public consultation on this important and expensive proposal has definitely not been done, and the Council should therefore make a better attempt at fulfilling their duty to consult with the public on this issue. The Council has some excuse for the lack of public awareness in that the local paper closed down at the time of this consultation. But that does not mean they should not restart the process over.

As an aside, the questionnaire did not provide space for other views or comments, as was done with the other questions. This looks bad as it implies the council does not want to hear other views.

Recommendation

Because of the misinformation in the consultation document described above, and the lack of public awareness of this proposal, I recommend that the Council revisit this consultation after it has had public meetings or other satisfactory dissemination of correct information to the ratepayers.

Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out.

☒ Option 1 – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.

Comment

My support of Option 1 is conditional on

1. the public having the same access to the artificial turf at Rangitikei College as they would if it was in the Park; and
2. no further council money (ratepayers money) is given to schools for this purpose

If these conditions are not met, then I support Option 2.

Recommendation

That the council assign \$100,000 insurance money to Rangitikei College for an artificial turf to be fully available for public use.

Should a ratepayer contribution be used to help fund the artificial turf?

☒ Option h: No rate-funded contribution to either school

Comment

I do not consider this sums suggested are warranted in addition to the \$100,000 insurance money the

council is effectively giving to Rangitikei College.

Should Council increase the sum transferred into the roading reserve

☒ Option 2– I think the Council should increase the sum transferred to the Roothing Reserve to \$400,000.

Comment

I consider an increase in reserve funding is preferable to spending money on additional insurance, the availability of which may be short-lived after the next emergency. In such a case, we would then be back to square one in terms of reserves. I think it is better to be prepared ourselves by increasing the reserves now.

Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?

☒ Option 1 - Yes, I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.

Comment

Although all ratepayers in the district will be paying for this facility, I nevertheless believe the decision as to the best site should lie entirely with the people of Marton. My support of Option 1 is therefore conditional on the people of Marton supporting this option. Submissions by the people of Marton should be given greater weight in the decision making than those from outside of Marton.

Do you agree with the Council's proposed addition to the Council's Rates Remission Policy?

☒ Yes

Comment

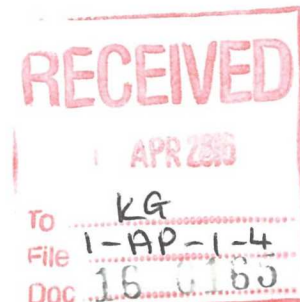

I believe Council, or a small sub-committee of Council, should have the power to use its discretion in exceptional circumstances to provide partial or total rates remission depending on the circumstances of the individual case. This is a matter of the council showing empathy for those in our society who find themselves unavoidably in distressed circumstances.

Other Issues for Council to Consider

Taihape Town Hall Heating

As the replacement/refurbishment of Taihape Town Hall will be at least 5 years away, and possibly as much as 10 years, I consider that the council should reactivate the funding it had already approved over 2 years ago for the replacement heating of the Taihape Town Hall. Such heating would probably have a commercial life of 5-7 years anyway and so it would not be a waste for the council to do this for the people of Taihape.

Whether or not the Town Hall is replaced, it is still being used, and the people of Taihape are very upset that there is no heating for the cold months of the year. To expect them to put up with this situation for a further 5-7 years is unreasonable. They have already suffered several years without heating and should not be made to endure this any longer.

☐ Option 1 – Yes I support Council's proposal of constructing a new amenity block in Memorial Park, conditional on \$100,000 being funded from external agencies.

☐ Option 2 – I do not support Council's proposal but do support further consideration of refurbishing facilities in the grandstand.

Providing a replacement multi-sport artificial turf facility in Marton using the insurance pay-out. (please tick)

- ☐ Option 1 – Yes I support Council's proposal to develop turf facilities in Marton by assigning the \$100,000 insurance pay-out to Rangitikei College.
- ☐ Option 2 – I support the option of reinstating the Council's hockey turf at Centennial Park.

Do you have an alternative option?

**Should a ratepayer contribution be used to help fund the artificial turf?
(please circle preferred option)**

Options – I support the following option as the ratepayer contribution towards the turf development:

- a. A rate-funded contribution of \$100,000 to Rangitikei College and \$100,000 to Nga Tawa Diocesan School
- b. A rate-funded contribution of \$100,000 to Rangitikei College only
- c. A rate-funded contribution of \$100,000 to Nga Tawa Diocesan School only
- d. A rate-funded contribution of \$50,000 to Rangitikei College and \$50,000 to Nga Tawa Diocesan School
- e. A rate-funded contribution of \$50,000 to Rangitikei College only
- f. A rate-funded contribution of \$50,000 to Nga Tawa Diocesan School only
- g. Other:

- h. No rate-funded contribution to either school

Should Council increase the sum transferred into the roading reserve

- ☐ Option 1 – I agree with Council's proposal to retain the \$200,000 transfer to the roading reserve
- ☐ Option 2 – I think Council should increase the sum transferred to the roading reserve to \$400,000

Should Council proceed with the purchase of the Cobbler/Davenport/Abraham & Williams properties on Broadway/High Street Marton as the site for Council's administration and library services?

- ☒ Option 1 – Yes – I think this is appropriate given these sites were one of the two preferred locations in the Town centre Plan for Marton's civic centre.
- ☐ Option 2 – No – I don't think Council should take this opportunity and should concentrate on strengthening and upgrading its existing administration and library buildings

Do you agree with the proposed addition to Council's rates remission policy?

- ☐ Yes ☐ No

**What other issues would you like Council to consider as part of its planning for 2016/17?
(use extra pages if necessary)**
