

<i>Councils intended level of service is to: Identify and promote opportunities for economic development in the District.</i>					
Performance Measure	Outcome	2021/22 Measurement	2021/22 Result	2020/21 Result	Narrative
Implementing actions each year from the Economic Development Strategy and Housing Strategy Action Plans (Annual Work Plans)	Not Achieved	Greater than 80% of the actions completed for each relevant year.	75% Housing Strategy actions 34.9% Economic Development Strategy	Not measured	<p>Three out of four housing actions were completed in full. For the fourth, a housing survey, a housing survey for seniors and the elderly was completed in Taihape and surrounding communities. A district-wide housing survey was designed, agreement was reached to collaborate on its delivery with a key Iwi partner and then implementation was delayed for 9 months due to Covid-19. In the final 3 months of the year the survey was postponed to 2022/23 to prevent conflict with and consultation fatigue caused by other Council consultations.</p> <p>Under the 5 Economic Development Strategy priority areas described in the LTP, work plans included 7 actions with 43 KPIs.</p> <p>Of the 43 KPIs, 20 were not able to be pursued in 2021/22 for reasons including Covid-19 restrictions and unavailability of partners. Of the remaining 23 KPIs, 15 were accomplished in full, and 8 are multi-year activities that will achieve measurable results during the end of the 3-year LTP period.</p> <p>An additional eleven KPIs have also been initiated in response to opportunities arising during the year – these are not included in the 2021/22 result.</p>
