## Explanatory note

Setting of some fees require the use of the special consultative procedure in the Local Government Act 2002.

In general, fees have been increased by 2.3 % (the anticipated increase in local government CPI), and rounded up to a whole dollar figure. In some cases, rounding is not applied where it would introduce distortion.

Those fees set by statute or regulation are noted. The schedule will be amended should any changes to these fees occur.

The proposed variations to this approach are as follows:

- Cemetery plot and internment related fees have increased above CPI, Children over 1 have also been amalgamated
- New rehoming and seizure fees for dog control activity has been introduced
- A few Solid waste chargeable items have increased above CPI to cover the costs of processing.
- New bond for vehicle crossings, and water, stormwater and wastewater connections. New water, stormwater and wastewater connections will also be charged a new fee.
- Te Matapihi hall and meeting room fee structure has been simplified.
- A consistent discount structure has been applied to meeting rooms and hall hire across the district excluding Te Matapihi.

Several Council-owned or administered facilities are managed by other organisations, which set their own fees (typically in consultation with the Council), these include:

Marton Swim Centre.....	Community Leisure Management
Taihape Swim Centre .....	Community Leisure Management
Huntermville Town Hall.....	Huntermville Community Assets Trust
Turakina Domain.....	Turakina Reserve Management Committee
Koitiata Hall.....	Koitiata Residents Association
Shelton Pavilion.....	Marton Saracens Cricket Club

Council reserves the right to amend any fees and charges in this document by Council resolution during the year.
