The Hunterville/Tutaenui rural water pre-feasibility study is complete.

Progress continues with the proposed new civic/community centres in Bulls and Marton.

Consideration was given by the Policy/Planning Committee's meeting on 13 July 2017 to services provided by information centres (with a further report to Council's meeting on 27 July 2017).

Two workshop discussions have been held on economic development and District promotion and a potential budget envelope identified. A draft policy on using the legislative provisions for development agreements to incentivise housing and other developments was considered at the Finance/Performance Committee's October meeting and a revised draft considered at meeting in January 2018. A further workshop session was held on 19 July 2018. Priorities for economic development were one of the key choices in the Consultation Document for the 2018-28 Long Term Plan. The Government's Provincial Growth Fund (announced in February 2018) is a potentially significant mechanism to stimulate development and growth in the Rangitikei.

Council submitted to the Horizons Regional Council long-term plan supporting the proposed establishment of a regional facilities fund. However, there were varying responses from other councils so the proposal will not proceed. However, at its meeting on 12 July 2018, the Assets/Infrastructure Committee considered a presentation on the Manawatū-Whanganui Regional Sport Facility Plan and recommended to Council that it consider that plan as a tool to guide the future planning, development, management and operation of sports facilities in the Rangitikei and wider Manawatū-Whanganui region.

In March 2018, Chorus advised an accelerated timetable for the roll-out of fibre in Rātana/Whangaehu, Marton, Mangaweka, Hunterville, Taihape and Bulls, to be completed by June 2022.

Rates modelling is part of the new financial modelling software which has been used as the basis of preparing the financial statements for the 2018-28 Long Term Plan.

The review of the revenue and financing policy is complete and included in the draft Long term Plan – analysis of all expenditure activities has now been undertaken in Council workshops.

Impact of forestry on roading has been considered in the roading asset management plan and in developing the Traffic and Parking Bylaw.

The Independent Assessment Board released its report on the Council's operations under the Local Government Excellence Programme. Actions to effect the suggested improvements are in progress.

MW LASS collaboration has been used to provide insurance cover for below-ground infrastructure assets from 1 July 2017
