11 Small Projects Fund – update

Resolved minute number 17/HCC/026 **File Ref** 3-CC-1-1

That the memorandum 'Small Projects Grant Scheme Update – October 2017' be received.

Ms Fenton / Ms Kennedy. Carried.

The Committee discussed potential uses for the small projects fund, these included removal of blackberry at town boundaries, tidying up the 'Welcome to Hunterville' signs and reinstallation of seating. The Committee agreed that removal of blackberry could instead be done by Council through a request for service or undertaking.

Undertaking	Subject	Obtaining a quote for sign cleaning and seat installing
--------------------	----------------	--

It was agreed that Ms Watson will obtain a quote to ascertain the price of work to tidy and water blast the signs into Hunterville and for the reinstallation of the seating that was previously removed. The small projects fund will potentially be used for these projects, pending the obtaining of these quotes.

Undertaking	Subject	Removal of blackberry at town boundaries
--------------------	----------------	---

Ellen Webb-Moore will pass on to the Parks and Reserves team that the Committee requests the blackberry around the town boundaries be dealt with.

12 Proposed dog cemetery in Hunterville – Update

Mr Gower spoke to this. Progress is limited because of issues surrounding the requirement for resource consent. Council staff requested information from the Committee about whether the dog cemetery could come under the auspices of the existing Hunterville Community Trust, to which the committee responded that this would not be feasible. Potentially a new sub-committee would have to be created, or the responsibility could be absorbed by an existing legal entity.

13 Current infrastructure projects/upgrades and other Council activities within the ward

An update was provided about the advertising of the new proposed days for the waste centre to be open. There were no responses to the newsletter advert and only positive responses to Facebook posts on pages such as 'You know You're from Hunterville'.

Resolved minute number **17/HCC/027** **File Ref** **3-CC-1-1**

That the memorandum 'Extract from activity report to the Assets/Infrastructure Committee's meeting on, 14 September 2017' be received.

Ms Fenton / Ms Kennedy. Carried.

14 Late Items

It was raised as a late item that the water tower behind the old fire station is a hazard. It fills up with water and overflows. This is particularly unsafe as it is in close proximity to a childcare centre.

Undertaking **Subject** **Urgent Action Required for addressing hazard**

Ellen Webb-Moore will pass on to Council staff that the Committee advises that the water tower behind the Old Fire Station is a safety issue and needs to be addressed as soon as possible.

The Committee requested that at the next meeting, an update about what the plans for the gardens in Hunterville be provided.

Undertaking **Subject** **Update about gardens requested**

Ellen Webb-Moore will pass onto Council staff that the Committee requests an update about the gardens and parks in Hunterville.

Memorandum

To: The Hunterville Community Committee

From: Christin Ritchie

Date: 12 February 2018

Subject: **Grants and Funding Overview**

File: 3-GF-3-1

Overview

There are five different Grants and Funds open to the public, with different funding rounds throughout the year. Full information about these schemes can be found on the Council website: <https://www.rangitikei.govt.nz/district/community/grants-funding>

Creative Community Scheme

This fund is supplied by Creative NZ and administered by the RDC. Members of the public are nominated to the committee, and are joined by a Councillor and the Mayor. Committee terms are for three years, with the latest term beginning in November 2016.

Applications are encouraged from community groups and individuals whose projects demonstrate growth over time, develop and support local artistic communities, and that encourage a transfer of artistic skills. Diversity, inclusion, and projects with a youth focus are also encouraged. *An example is workshops teaching kids screen-printing techniques to create posters for display.*

There are two funding rounds per year, usually opening in March and October.

Sport NZ Rural Travel Fund

This fund is supplied by Sport NZ and administered by the RDC. The Committee is made up of two Councillors and the Mayor.

The fund was developed in response to concerns raised about the lack of participation in sport by young people living in rural communities. It is targeted at young people aged between 5 and 19 years, and is open to all rural sports clubs with eligible members who require subsidies to assist with transport expenses to local sporting competitions. *An example is Hunterville Children's Saturday Morning Sports Club.*

There is one funding round per year, usually opening in March.

Community Initiatives Fund

This is an RDC fund intended to support community-based projects in the Rangitikei district that develop community cohesion and community resilience. The fund has previously been awarded by the Finance / Performance Committee. However this year the decision has been delegated to the respective Community Committees and Boards to make.

Applications are open to groups (not individuals) that show benefit in one of the following areas: community service and support, leisure promotion, and heritage and environment. Applications are open to local groups as well as those from outside the Rangitikei, however, clear benefit to the Rangitikei must be demonstrated. *An example is a community support group for diabetes sufferers.*

There are two funding rounds per year, usually opening in July and November.

Events Sponsorship Scheme

This is a Council fund intended to support events in the district that help to develop community cohesion and reinforce economic growth. The fund is awarded by the Finance / Performance Committee. There is a maximum cap of 50% of eligible costs that can be funded.

There are three main categories of events: high profile, community, or high profile community events. Applications are open to groups (not individuals) whose events take place within the Rangitikei, and that aren't funded by the RDC ratepayers through other means. The impact of high profile events on the local economy will be measured and reported upon. *An example is the Marton Country Music Festival.*

There are two funding rounds per year, usually opening in July and November.

Parks Upgrades Partnership Fund

This is a Council fund and is the only fund that is available for capital purchases. The fund is awarded by the Assets / Infrastructure Committee and is open year-round. The Council provides up to 33% in cash of the value – in cash or in kind - of the contribution from the community.

The fund aims to encourage partnerships with community groups to develop facilities for recreation and leisure. Focus is on community-led, small-scale projects which create, replace or improve local assets. *An example is the purchase and installation of irrigation equipment for a community garden.*

Funding is open year-round.

Guidelines

1) Background

Geographical isolation, urban drift, lack of employment opportunities, and lack of access to other funding sources have been identified as barriers to participation in sports by young people in rural communities. The Rural Travel Fund was launched by Sport New Zealand in response to concerns raised by Territorial Authorities about the lack of participation in sports by young people living in rural communities.

The Rural Travel Fund subsidises travel for junior teams participating in local sports competitions outside of school time.

Sport New Zealand provides Rural Travel Funding to Territorial Authorities that have less than 10 people per square kilometre, and who wish to participate in the Rural Travel Fund. Those Territorial Authorities then provide the funding to junior teams, and administer the funding.

Sport New Zealand is making Rural Travel Funding available to Territorial Authorities in 2017/2018, so that they can allocate funding to eligible teams to use for travel to sports competitions.

2) Eligible teams

Applications for funding from the Rural Travel Fund can be made by rural sport club teams and rural school club teams within the Territorial Authority region, with members aged between 5 and 19 years, who require financial assistance with transport costs so that they can participate in local sports competitions.

3) Eligible travel

The following criteria will be applied by Territorial Authorities when considering applications for funding made by eligible teams (along with any other criteria that the Authority considers appropriate).

A rural school club team will be eligible for funding if it is participating in a regular local sports competition out of school time, which excludes inter-school and intra-school competitions run during school time.

A rural sports club team will be eligible for funding if it is participating in an organised, regular sports competition through club membership outside of school time.

Please note: Funding will **not** be provided for, and may not be used for, the purpose of travel to **regional** or **national** sports competition.

4) Accountability for funding

You must only use the funding for travel costs that arise from the team participating in a local competition, and as agreed with the relevant Territorial Authority.

You must return an accountability form to the Territorial Authority administering your funding that shows how the funding was spent, including by providing proof of purchases made and any receipts.

Please note: Accountability forms must be returned by 30 May 2018. If you do not return your accountability form by the date specified above, it may jeopardise the provision of future funding to your team.

5) Goods and Services Tax (GST)

GST registered organisations

If you are a GST registered organisation, the Territorial Authority administering your funding will pay your funding plus GST. You must then account for the GST to the Inland Revenue Department (IRD).

Non-registered GST organisations

If you are not GST registered, the Territorial Authority administering your funding will not add GST to your funding.

6) Return of unspent funds

You must return any funds you have not spent as at 30 June 2018 to the Territorial Authority administering your funding.

7) Further information

If you have any questions regarding the Rural Travel Fund, there are FAQs at the back of these Guidelines. Sport New Zealand also has a FAQ section on its website at <http://www.sportnz.org.nz/managing-sport/programmes-and-projects/sport-new-zealand-rural-travel-fund>.

If you would like to speak to someone in person, please contact Fiona Ramsay at Sport New Zealand on 04 472 8058 – extension 3012 or email fiona.ramsay@sportnz.org.nz.

This brochure tells you if your project is able to be funded through the Creative Communities Scheme (CCS) and how to make an application.

CCS helps to fund local arts projects. Each year Creative New Zealand provides CCS funding to city and district councils to distribute in their area.

RIGHT

Can I get funding for my project?

To get funding through CCS your arts project must do at least one of the following:

Participation

Create opportunities for local communities to engage with, and participate in local arts activities, for example:

- > Performances by community choirs, hip-hop groups, theatre companies, musicians or poets
- > Workshops on printmaking, writing or dancing
- > Creation of new tukutuku, whakairo or kowhaiwhai for a local marae
- > Exhibitions by local craft groups promoting weaving, pottery and carving
- > Festivals featuring local artists

- > Creation of a community film or a public artwork by a community
- > Artist residencies involving local artists or communities
- > Seminars for local artist development

Diversity

Support the diverse artistic cultural traditions of local communities, for example:

- > Workshops, rehearsals, performances, festivals or exhibitions in Māori or Pasifika heritage or contemporary art forms
- > Workshops, rehearsals, performances, festivals or exhibitions by local migrant communities
- > Arts projects bringing together groups from a range of different communities
- > Workshops, rehearsals, performances, festivals or exhibitions by groups with experience of disability or mental illness

Young people

Enable young people (under 18 years) to engage with, and participate in the arts, for example:

- > A group of young people working with an artist to create a mural or street art
- > A group of young people creating a film about an issue that is important to them
- > Printing a collection of writing by young people
- > Music workshops for young people
- > An exhibition of visual art work by young people

Your project must also:

- > Take place within the city or district where the application is made
- > Be completed within 12 months of funding being approved
- > Benefit local communities
- > Not have started or finished before CCS funding is approved
- > Not have already been funded through Creative New Zealand's other arts funding programmes

More than 1,800 projects are supported through the scheme every year.

Who can apply

You can be an individual or a group. Individuals must be New Zealand citizens or permanent residents.

If you have already received CCS funding for a project, you must complete a report on that project before making another application, unless the project is still in progress.

What costs can I get funding for?

- > Materials for arts activities or programmes
- > Venue or equipment hire
- > Personnel and administrative costs for short-term projects
- > Promotion and publicity of arts activities

How much can I apply for?

There is no limit to how much you can apply for, but most CCS grants are under \$2,000.

Look at previously funded projects on your council website to get an idea of what sort of projects have been supported in the past and the average amount granted.

How often can I apply and how are decisions made?

Local councils have up to four application rounds per year. Your application will go to an assessment committee of people from your area. They are appointed for their knowledge and experience of the arts and local communities.

What types of projects can't get CCS funding?

- > Fundraising activities
- > Developing galleries, marae, theatres or other venues or facilities
- > Local council projects

- > Projects which are mainly focused around other areas e.g. health, education or the environment and that only have a very small arts component
- > Arts projects in schools or other education institutions that are the core business of that institution or that are normally funded through curriculum or operating budgets

What costs cannot be funded?

- > Ongoing administration or personnel costs that are not related to the specific project
- > Costs for projects already started or completed
- > Travel costs to attend performances or exhibitions in other areas
- > Food or refreshment costs
- > Buying equipment, such as computers, cameras, musical instruments, costumes, lights or uniforms

COMMUNITY AND LEISURE ASSETS GROUP OF ACTIVITIES 2017/18					Dec-17
Major programmes of work outlined in the LTP/Annual Plan 2017/18					
Parks and Open Spaces	Design/ Scoping	Progress to date	Progress for this period	Planned for the next two months	
Parks Upgrade Partnership- \$50,000 available		\$3400 has been granted to Taihape Showjumping Group for upgrading horse yards at Memorial Park, Taihape.	No new applications		
Community Housing	Design/ Scoping	Progress to date	Progress for this period	Planned for the next two months	
Continue the upgrade programme for Council's community housing (unless the ownership and control is transferred to another organisation)	Inspections will be carried out using the Housing Warrant of Fitness Assessment Checklist and Manual as prepared by the Otago Medical School.	Council resolved, at their November meeting, that the management/ownership of community housing remain in-house for the time-being. Council also resolved that it investigates a rental policy, effective 1 July 2018, determining criteria for break-even rentals and market rentals, and also implements an integrated approach to the delivery of an effective and efficient capital renewal programme including ways to improve the warmth and energy efficiency, and reconfigure and improve the functionality, including sale and purchase, and re-builds and new builds.		Rental policy will be prepared.	
Public Toilets	Design/ Scoping	Progress to date	Progress for this period	Planned for the next two months	
Install public toilets in Mangaweka Village and, if there is sufficient external funding, investigate additional toilets in Papakai Reserve (Taihape), Toe Toe Road, the River Bank at Bulls, Bruce Reserve in Hunterville, Ratana, and Simpsons Bush north of Hunterville	Funding confirmation has been received from Regional Mid-Sized Tourism Facilities Grant Fund for toilets at Mangaweka village, Papakai Reserve, and Bruce Reserve.	Quotations for pre-built structures were sought from three suppliers as per Council's procurement policy. On-site visits have been held with the preferred supplier. Awaiting confirmed quotations. Further on-site meeting to be held at Bruce Park with supplier and DoC.	Planning resource consent requirements for proposed Mangaweka site are continuing to be worked through. Discussions have continued with DoC.	Secure resource consent for Mangaweka Village toilet. Stage II will be completed during summer months of 2017/18.	
Cemeteries	Design/ Scoping	Progress to date	Progress for this period	Planned for the next two months

Other major programmes of work carried out during 2016/17					
Projects	Design/ Scoping	Progress to date	Progress for this period	Planned for the next two months	
* establishing a dog cemetery at Hunterville	Clarification of the ownership of the suggested site at 27 Milne Street, consenting requirements, and likely cost to establish and maintain.	The site is owned by Council. It is zoned rural, so Council would need to issue a resource consent for the venture to go ahead. Council cannot be both the applicant for a resource consent and the agency which approves it, so Council (or the Hunterville Community Committee) would need to engage an external consultant to do that. In addition, a resource consent will be required Horizons Regional Council because of the stream which runs through the property. The Corrigin dog cemetery was established in 1974 and currently has over 200 graves. This year's burial fees are \$90. Periodic maintenance on the site is undertaken by the Corrigin Tidy Town Committee and other community volunteers.	At the November meeting of Council it was resolved that Council supported in principle the proposed dog cemetery in Hunterville but declined the current site proposed at 27 Milne Street, and would welcome suggestions from the Hunterville Community Committee for an alternative site.	This item will be included on the agenda for the next meeting of the Hunterville Community Committee (February 2018).

What are they:	Targets	Progress to date	Work planned for next three months		

Review the Waste Management and Minimisation Plan	This must be complete by 30 June 2018: Waste Management Act, section 50. Consultation will coincide with that undertaken for the 2018-28 Long Term Plan. The waste assessment (prescribed under section 51 of the WMA) must be complete before that review starts. Ideally, this work entails an analysis of all waste streams. However, as all kerb-side collection of waste in the District is done by private contractors, access to information about the characteristics of this waste is unlikely. This means the analysis is confirmed to waste taken to the waste transfer stations. Budget Waste takes its waste direct to the landfill.
