

ORDER PAPER

HUNTERVILLE COMMUNITY COMMITTEE MEETING

Date: Monday, 6 October 2025

Time: 6.30pm

Venue: Hunterville Town Hall
Bruce Street
Hunterville

Chair: Mr Justin Adams

Deputy Chair: Ms Kelsey Smith

Membership: Ms Charissa Lawlor
Ms Karen Kennedy
Ms Sandra Carroll
Ms Lesley Shaw
Cr Fi Dalgety
Cr Richard Lambert (Alternative)
HWTM Andy Watson

Purpose of the Committee

- To provide a local link and point of contact for Council liaison with the community.
- To provide for the exchange of information, communication, and to assist with the Council's consultative processes.
- To exercise delegated authority for the annual allocation for "defined small local works" in line with the guidelines provided¹.
- Particularly, to help ensure that any minor remedial or renewal works are brought to Council's attention through the Request for Service procedure, by promoting its use and advising community members on how to use it.
- To be the first point of contact (prior to Council) for community groups. Where this is not possible, the Committee will be informed of the approach by the community group to the Council.
- To engage with wider/small communities of the ward represented.

Quorum

Council's Standing Orders (adopted 23 November 22) 11.2 provide: The quorum for Council committees and sub-committees is as for Council, i.e. half the number of members if the number of members (including vacancies) is even or a majority if the number of members is odd.

At least 1 Elected Member must be present at the meeting.

For any enquiries regarding this agenda, please contact:

Kezia Spence, Governance Advisor, 0800 422 522 (ext. 917), or via email

11th August 2025 – Huntermville Community Committee Chairs Report

I attended the **Marton Community Committee** held on the 13th of August. It was good to see how another local committee conducts its business and how it manages the funding given to it by Council.

Great to see **Taylors – Country Fried Chicken** is now available and partook in a taste test after Saturday sport with the kids for lunch. It's always pleasing to see Huntermville expanding its culinary offerings.

The **Lower North Island U13 Hockey Festival (West)** was held in Whanganui during the school holidays in which Huntermville had a strong representation in both Boys and Girls teams for the Rangitikei. It is always great to see Huntermville kids representing the district.

It is always inspiring to see the long service of volunteers in Huntermville, and the **Huntermville Volunteer Fire Service** recently celebrated the following volunteers' long service :

FF Molly Stantiall	5 Years
FF Andrew Cammock	5 Years
FF Sarah Voelkerling	11 Years
FF Ian Cross	13 Years
SFF Murray Richmond	17 Years
SSO Ben Hodgson	29 Years
CFO Shane Voelkerling	39 Years
DCFO Steve Monks	47 Years

I thank them for sacrificing their time for the safety of the Huntermville Community.

We all look forward to the completion of and opening day/night for the **Argyle** which is near completion, and it is great to see renewed enthusiasm in Huntermville as a township with economic spending.

The **Shepard's Shemozzle** is nearly upon us, and it is great to see the **Shemozzle Pole shed** being constructed. This addition will help this event to continue on in the future and control ever rising costs.

As we bring this Triennium to a close, I would like to thank all members of the committee for their hard work. We bid farewell to both Karen and Richard and wish them well. I would also like to extend my best wishes and good luck to the new Committee when it is formed at the beginning of the new triennium

In closing I would like to thank the Committee for their faith in my Chairmanship, and we will see each other again at the start of the new triennium.

9 Reports for Information

9.1 Mayor's Report - September 2025

Author: Andy Watson, His Worship the Mayor

Good afternoon

Usually my reports are very lengthy so I'm sure that some of you will breathe a sigh of relief at the brevity this time. However, there are some things that do need mentioning -

1. On 3 September the Working Group working with police met in Hunterville to discuss local policing options. All of the senior regional and district policing leaders were there in force. The meeting was constructive and the decision making will take many months but at least there is a genuine desire to engage.
2. The discussion regarding financing of the Gentle Annie roads with NZTA is difficult. NZTA's position is for our Council to reprioritise its existing funding which would leave us unable to do anything of any significance elsewhere on our network for the next two years! This will need to be a priority discussion for the next Council and probably a national level political approach.
3. On Friday 19 September there will be a meeting of forestry, roading, rail and port interests regarding a possible extension of the rail/train contract to alleviate the traffic on the Taihape-Napier Road. This will be pivotal for us – I am prepared to update further at the Council meeting.
4. Attached to this report is a response from NZTA in regard to the application for speed restrictions/signage on the Winiata straight just short of Taihape. These are discussions that are being led by Peter Hijazeen, Principal of St Joseph's School, Iwi and the Winiata Marae. We seem to have got what is a standard response, which is disappointing. The critical point will be where NZTA refers to signage – this needs to be signage at the Rauma Road junction and not just the prescribed signage outside of the school which will make very little difference to the safety and risk when turning from SH1 onto Rauma Road. I'm hoping that our roading team engages further with regards to this matter.
5. Also attached to this report is the standard reply from NZTA with regards to the Bulls intersection. It is a cop-out position where they say "...when the demand or safety concerns justify further investment". This is a rubbish position. The justification is there currently and I question whether it would take a fatality at this intersection for action to be taken. The intersection is regarded as a pinch-point officially in the network. Bulls is growing and the difficulty for people crossing the road is extreme. The bottom line is we need a response now.

Elections

Firstly, this triennium has been tough, on both staff and councillors. The demands on staff time have been extreme and I know that I, and possibly others under pressure get frustrated around operational delays. I apologise, we are all tired and pushed. I thank staff on behalf of all councillors – we appreciate your diligence and attention to detail and the workloads you are facing.

Lastly, to councillors. To those not contesting this election, thank you to all of you for your time and sacrifice. At times it is a thankless job, you receive criticism and it is impossible to satisfy everyone. Please pass on my thanks to your families who have supported you. To those of you that are standing, good luck. Take the hiatus between terms to recharge.

Dear Andy,

Thank you for your letter of 11 August 2025 regarding your request to reassess the speed limit and safety measures on State Highway 1 (SH1), south of Taihape.

I want to acknowledge the commitment you and the community have demonstrated in raising your safety needs with us. We recognise how important road safety is to everyone who travels, works, and lives along this stretch of highway, and we appreciate the time and advocacy invested in seeking improvements.

Under the Land Transport Rule: Setting of Speed Limits Rule 2024 (the Rule), NZ Transport Agency Waka Kotahi (NZTA) can carry out targeted speed reviews, including public consultation, in areas of high safety concern, provided they meet the Rule's requirements regarding speed limit ranges for different classifications of road. In this case, this stretch of state highway is classified as an interregional connector, which cannot have a permanent speed limit lower than 100km/h under the Rule.

While the Rule doesn't allow NZTA to review the 100km/h speed limit on this section of state highway due to its classification as an interregional connector, it does provide for the implementation of safety interventions. Such interventions can include consideration of variable speed limits (VSLs) outside of marae to protect vulnerable visitors and pedestrians.

Variable speed limits at marae would operate when there are large volumes of traffic turning out of the Marae, and in 15-minute periods when activated by the Marae to support the safety of pedestrians and vehicles associated with marae activity. With this in mind, and community feedback, NZTA have added a VSL for Winiata Marae to their list for review, subject to funding and resourcing.

Should you wish to discuss this matter further with NZTA, you are welcome to contact me by email at linda.stewart@nzta.govt.nz.

Yours sincerely

Ref. NZT-10914

Dear Andy

Thank you for your letter of 11 August 2025 regarding your council's endorsement of Peter Hijazeen's submission to reassess speed limits on and around State Highway 1 (SH1) and Rauma Road.

Regarding the speed limit, our current immediate priority for speed management on state highways is implementing variable speed limits outside schools and delivering speed limit changes linked to specific projects, including intersection speed zones through to 1 July 2026. However, we recognise that community input is invaluable, and we continue to consider community-requested speed reviews, provided they align with the *Land Transport Rule: Setting of Speed Limits 2024* (the Rule), the speed classifications outlined in Schedule 3 of the Rule, and funding is available.

I can confirm that SH1 south of Taihape is listed on our speed management register as a regional priority through to 2027. All community-requested speed limit changes, including requests for variable speed limits (VSLs) or intersection speed zones, recorded in our register are subject to a moderation and national prioritisation process. We are working towards reviewing the speed limit at this location by the end of this year, subject to funding and resourcing. We will keep the community informed as progress is made.

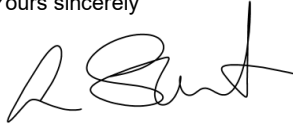

I assure you that safety remains a key priority for NZ Transport Agency waka Kotahi (NZTA), alongside the Government Policy Statement on Land Transport, which requires that speed limits take into account economic impacts (including travel times) as well as community views. Stakeholders such as councils, schools, businesses, iwi, and the public will have the opportunity to provide feedback on any proposed speed limit changes as part of the six-week public consultation required by the Rule.

Lastly, regarding your reference to the Rauma Road intersection, Mr Hijazeen queried the utility of a turning bay. However, the intersection does not currently meet the warrant criteria for a turning bay

following our analysis of the turning traffic volumes, crash data and future plans for the area. However, all feedback from local communities like yours is valued and helps inform our future decisions.

If you would like to discuss this matter further with NZTA, you are welcome to contact me by email to linda.stewart@nzta.govt.nz

Yours sincerely

Ref. NZT-10911

Dear Andy

Thank you for your letter of 20 August 2025 regarding your concerns around traffic issues at the junction of State Highways 1 and 3 (SH1 and SH3).

Improvements to this intersection are included in the *Accessing Central New Zealand Programme Business Case* (PBC), which was completed in 2020. This programme outlines a preferred set of safety and access improvements across the transport network between Waiouru, Levin, and Ashhurst, connecting with Te Ahu a Turanga: Manawātū Tararua Highway over the next 30 years. The PBC serves as a strategic guide for transport investment in the Manawātū region.

As you will be aware, transport investments must be included in the *National Land Transport Programme* (NLTP), which sets out how NZ Transport Agency Waka Kotahi (NZTA) works with partners and stakeholders to deliver a safer, more accessible, better connected, and more resilient land transport system.

The 2024–27 NLTP was confirmed last year and reflects the Government's strategic priorities for land transport, as outlined in the *Government Policy Statement on Land Transport 2024*. While improvements to the SH1/SH3 intersection in Bulls are not included in the 2024–27 NLTP, activities identified in the PBC will be considered in the development of future NLTPs.

I can also advise that the Bulls intersection is under ongoing monitoring, and improvements will be undertaken when demand or safety concerns justify further investment.

If you would like to discuss this matter further with NZTA, you are welcome to contact me by email to linda.stewart@nzta.govt.nz.

9.2 Community Committees End of Triennium

Author: Kezia Spence, Governance Advisor

Authoriser: Katrina Gray, Group Manager - Strategy, Community and Democracy

1. Reason for Report

- 1.1 To explain that process around community committee disestablishment and reestablishment for the next triennium.

2. Context

- 2.1 Local government elections are held on 11 October 2025, and the new Council for the district is scheduled to be sworn in on 23 October 2025.
- 2.2 Under Schedule 7 of the Local Government Act, all Council committees are discharged after each triennial election, and are required to be re-established by the new Council (this can either be by the Mayor (section 41A) or Council (schedule 7, clause 30)). The Bulls Community Committee is one of the committees that this applies to.
- 2.3 Following the election, the new Council will consider the committee structure for the 2025-28 triennium, including community committees.

3. Elections for Community Committees

- 3.1 If the new Council re-establishes community committees, there will be elections for members. Officers will call for nominations, with the date advised to current members once scheduled in the new triennium.
- 3.2 Council's process around elections for community committees is an internal one and is not prescribed by legislation (unlike the elections for Council and community boards).

Recommendation

That the report Community Committees End of Triennium be received.
