Subject: Hunterville water scheme water unit request.

To

The Hunterville Rural Water Committee.

To Whom it may concern,

I would like to enquire if it is possible to buy some extra water units for my property at 4597 Turakina Valley Road. Since acquiring and running the property I have found that the 2 units originally purchased is proving to be inadequate, especially now that I've fenced off most of the river, (which is hardly flowing and is easily crossed) surrounding the property, (100 metres below the main flats). i.e. The farm has no really adequate supply during this unusually dry summer and thus the need for another source of water is rather urgent.

Thank you for considering our request,

David Lilburn.

To Whom It May Concern

Re Hunterville Rural Water Supply Scheme

We have recently sold the Anson block (WV16B/12 WV50A/91) and discovered that the title still contains 5 Units. It should only be 3 Units as the balance of 2 Units were transferred in 2000 as per the attached letter.

Could you please rectify this matter with some urgency.

Thank you

Regards

Alison McLean

Dear Sir,

Re - Huntermville Rural Water Supply Scheme

Further to a meeting held yesterday 17/700 with Messrs Denis Fitzpatrick Farm Manager, Bruce Thompson and Mark Hallaran, we wish to request re-allocation of water usage as tabled below :

	<u>Old Max Units</u>	<u>New Max Units</u>	<u>Actual Units</u>
Makaraka	60	40	40
Rathmoy (Little Tank)	9	6	6
(Big Tank)	35	26	26
Anson	5	3	3
Hunia	3	0	0
Swainson	<u>10</u>	<u>8</u>	<u>8</u>
	122	83	83
<u>Extras</u>			
Craig	16	46	46
Robinsons	<u>3</u>	<u>12</u>	<u>12</u>
	19	58	58
Total	141	141	141

There is some urgency in this matter and with great respect, we ask that approval be given in consultation with the Scheme Chairman Mr John McManaway.

Yours faithfully

JAMES BULL
