MEMORANDUM

TO: Marton Community Committee

FROM: Kevin Morris

DATE: 2 December 2014

SUBJECT: **Update On The Marton Town Centre Plan - December 2014**

FILE: 1-CP-7-4

This Memorandum is to provide the Marton Community Committee with an update of the Marton Town Centre Plan Process.

Comment

- 1 The Steering Group has met four times since the last update.
- 2 The Steering Group met on the 6 November to discuss the prototyping project for Centennial Park. It was decided that the group would paint the wall bordering on Broadway to create a statement entrance to the park and town and refurbish/repaint the seating in the park.
 - 2.1 The Steering Group met again on the 13 November and was provided with a breakdown of the initial feedback from the community engagement questionnaire. 30 questionnaires had been returned (8%).
 - 2.2 The feedback signalled highest levels of support for:
 - A tourist drive
 - A staged entry into town
 - Activation of public spaces
 - A contemporary and creative approach to the adaptive reuse of heritage buildings
 - Pop-up shop culture
 - 2.3 The feedback signalled reasonable support for:
 - Upgrading the rose garden to a make it a people focus place
 - Shared spaces to improve the pedestrian experience
 - Place management which reinforces markets, event programs and secondly encourages a business with a heart culture that provides free services i.e. toilets, water bottle refills etc.
 - 2.4 The feedback signalled lowest levels of support for:

- Low cost upgrade of the square and layer in new activities.
 - The consolidation of council facilities in the central area including the integration of an outdoor civic space with relocated council facilities.
- 2.5 There was a poor response to the funding question, possibly indicating that it was difficult for people to engage with this issue rather than a lack of interest.
- 3 On 20 November, the Steering Group met with David Engwicht and Geoff Wilkinson from Creative Communities and confirmed the four key strategies identified through the community feedback, to be included in the draft TCP. Creative Communities also presented visuals of a shared space/ civic centre to illustrate the enhancement of the town centre. The Steering Group provided feedback on a number of issues for inclusion in the draft Town Centre Plan.
- 3.1 The four strategies are are:
- Strategy 1** Making Great Streets and Public Spaces:
- Strategy 2:** Adaptive Reuse of Old Buildings
- Strategy 3:** New Civic Centre as a Catalyst
- Strategy 4:** Deliver a Boutique Town
- 3.2 The Steering Group met again on Saturday 29 at Centennial Park and began the project to makeover the front wall and rose garden. The Group expects to complete most of the project prior to the Christmas parade on 6 December.
- 4 The Steering Group will meet again on Tuesday 9 December to go over the final version of the draft Town Centre Plan before it is presented to Council by Creative Communities on 11 December.
- 5 Recommendations**
- That the memorandum 'Update on the Marton Town Centre Plan – December 2014' be received.

Marton Youth Club

NOVEMBER 2014

November at the Youth Club!!

A relatively quiet month with the seniors focussing on their NCEA exams and the younger members returning to the youth club as the weather becomes warmer and daylight saving offers more daylight options.

Touch rugby and other sports have come to a close with many of the finals already completed. It was unfortunate the Bro Touch Rugby competition was cancelled as this activity with Sports Wanganui was very popular with our members.

Pool, Xbox games and music are still the more favourable activities at the Youth club and now that table tennis has been setup again, this has fuelled popular interest with the kids as well. With the holidays around the corner, we will be looking to incorporate some sort of table tennis competition into the programme as well.

Hot chips, fruit, soup, popcorn and chippies have been made available to the kids over the winter months. The club will now start looking at other ideas as the weather has started to become warmer. Ice creams, ice blocks and salads are some ideas.

We also had movie days with popcorn and purchased some new games over the November period.

With the last day being 20th December we plan to organise a xmas celebration at the Youth Club for the kids prior to this date.

New Year School Holidays 2015

Planning and negotiations are underway to develop and implement the New Year Holiday programme. We hope to open Mon 22 & Tue 23 Dec before closing for the xmas period and then reopen on Sat 3rd Jan 2015 for the Holiday period. Our focus over the holidays is to encourage members to lead various activities and initiatives including a graffiti art challenge to brighten up the local skate park, and run cooking lessons for the kids. More to follow in December.

This month no suggestions were submitted. A second computer requested last month is still work in progress. Hopefully a suitable computer can be sourced and installed before the xmas holiday period. If anyone has a spare computer they would like to donate, please ring Nathan 0276228235. It would be much appreciated.

Summary

A good positive month with the figures (from 1 Jan 2014 – 30 November 2014) showing 2,463 youth this year have used this facility.

Maintenance continues around the facility with the use of a ride on mower very helpful. This will continue throughout December and New Year holidays. Anyone willing to help with maintaining the grounds, or donating equipment/weed killer etc. would be greatly appreciated and received.

The youth club is still been regularly used for meetings and activities by the Brain Injury Association and Marton Community Committee and we hope to continue this support throughout 2015. With the kitchen facilities and comfortable environment available, makes this facility ideal for holding gatherings of this nature.

Overall a good month with numbers starting to pick up again. The kids will appreciate the break from school work and busy sport pressures. Roll on 2015.

A great, safe month with 172 kids in total utilising the youth club.
