6 Update on Town Centre Plan Project

The date for the 7 Day Makeover has now been confirmed for Marton to occur from 18-23 January 2016. To ensure the biggest benefit it is important that a wide range of groups from within the community are involved in a collaborative process. Cath Ash from Project Marton will help facilitate the promotion of this process and liaising with David Engwicht (who will be facilitating the process), however, the support of the Community Committee is essential for the success of this process.

Two 'Marton Placemaking Group' meetings organised by Andrew Shand (Rotary Club of Marton President) have been held to discuss the 7 Day Makeover process and placemaking projects. At the 3 September 2015 meeting the 7 Day Makeover process was endorsed, while at the 1 October meeting specific placemaking projects were discussed.

7 Issues raised at previous meeting

- Signage requirements for State Highway entrances to Marton
- Seating at Wilson Park
- New crossing at Centennial Park
- Suggestions to spruce up the town
- Regular maintenance issues relating to flooding and clearing of rubbish.

8 Small Projects Grant Scheme (balance)

To date no funding from the Small Projects Grant Scheme has been allocated for projects. The available funding remains at \$3,232.

9 Current infrastructure projects/upgrades and other Council activities within the Ward

Two memoranda are attached. One for August 2015 which was not available at the Committee's September meeting because of a timing issue. The second is a draft for September 2015.

File ref: 3-CC-1-5

Recommendation

That the memoranda 'Current infrastructure projects/upgrades and other Council activities within the Ward' for August and September be received.
