APRIL 2016

Centennial Park gets a Makeover

Planning, creating, designing, debating, laughing, crying, encouraging, supporting, playing, joking, experimenting, helping and having fun are only a few words that sum up the team's experience of participating in the Centennial Park 7 Day Makeover. (18/04-22/04, 26-27/04/16)

A huge thank you to MYD and RDC for providing this amazing opportunity. What a clever and fun way to bring together 40+ young people mixed with skilled and passionate people of our community.

To all the local businesses and people who willingly gave their time to help and support this makeover we can't thank you enough.

The lessons our young people learnt from this experience is brilliant. How to hold a paint brush correctly to get the right angles, hammer a nail, measure and saw a piece of wood, visualise and design a sporting silhouette, be creative with pallets to build chairs, tables and benches etc the list goes on.

It was great to see so many people showing an interest in the makeover and making positive comments about the changes. Everyday there were new surprises, the kids were like they were in a candy store. Whilst the older members of the community reminisced and shared stories about how it used to look and now it feels alive. One lady in a mobility scooter stopped frequently, I recall her saying, 'where on earth did all these kids come from'.

25/03-30/04	82		15	12	14	18	23
Total Mar 2016	366						

366 attendances were registered for April 2016 (25 days). That is a total of 1,041 for 2016.

Maintenance

The Community Garden is looking great with big lush silver beet and juicy tomatoes. We need to touch base with the gardening team, to see if the kids can plant and take care of a specific garden patch. We have tried to discourage the kids at this stage to freely go over and do anything at the gardens until one of the gardening team is present. Neither of us are 'green fingers' so we fear that our limited knowledge may disrupt the growth of the plant!! :)

The kids have painted 3 of our park benches which look fantastic. What next I wonder :)

Summary

What an awesome month, with 366 attendances recorded for April 2016. Admittedly during the makeover we have estimated the attendance numbers which could very well be recorded as lower than the actual attendances.

The 7 Day Makeover at Centennial Park we believe was a huge success which showcased a number of talented local youth. Strong leaders have been identified with the more quiet kids at least giving it a go without fear of 'doing it wrong'.

Great news we get to remain open at least until the end of June 2016, thank you RDC, the kids now realizing the predicament the Youth Club is in are getting a little anxious. We've encouraged them to ask their parents to put in a submission to keep the youth club open.

Overall a fantastic, safe month with 1,041 kids in total utilising the Youth Club this year.
