Everyone who has submitted a request for support was advised they were welcome to attend the meeting, each indicated that they were unlikely to be able to attend, but all are happy for us to call them, should anyone have any questions regarding the specific request for support.

Please note:

- Marton Community Patrol submitted to the Long Term Plan for support of an Annual Funding Grant of \$2,500. This was declined - Patrol were to be prompted to approach MCC, I spoke to Bronnie Wilson (Chair of Marton Patrol) she advised Patrol would be in touch to request support. I confirmed to Bronnie that MCCs next meeting is scheduled for 13 Oct 21.
- Marton Rugby Club had indicated they would request support for the installation of a seat at Marton Park - to date I have received nothing from them.
- Marton Players had indicated they would be requesting support - to date I have received nothing from them.
