

Application to Marton Community Committee Small Projects / Grants Fund - 2021-2022

Submissions deadlines: 28th of Jan / Mar / May / Jul / Sep / Nov for consideration at the next Committee Meeting.

Applicant	Sue Wells
Organisation (if applicable)	Marton Food Pantry
Contact Address	51 Harris St, Marton
Telephone	021 201 4483
Email	martonfoodpantry@gmail.com
Amount Requested	\$1,500
Project Title	Brief title eg Paint road side wall of Community Hall / Promote a "Have a go day" / Set Up "...." Activity. Provision of a Freezer
Detail	<p>Please provide an overview / explanation of what you hope to achieve with this request.</p> <p>The Food Pantry endeavour to minimise food waste. We would benefit from a freezer as many of the donated items we receive are near their "Use By" or "Best Before" date. As we are open once a week, we sometimes struggle to store items.</p> <p>If we are able to freeze items, we are confident that the donated items would be able to be distributed at a later date.</p> <p>It also means we can accept offers of food that at present we may have to reject because of lack of appropriate storage.</p> <p>We receive donations from businesses and residents, locally and as far away as Palmerston North.</p> <p>We prefer to support a local supplier in purchasing the freezer.</p> <p>Ideally a freezer of 373 litres would be practical for our needs.</p>
Beneficiaries	<p>Who / how many people do you anticipate could benefit from this support?</p> <p>We support the wider Marton Community so there is an opportunity for several hundred (if not a thousand) people to benefit from the service we provide.</p>
Supporting Documentation	<p>Are quotes or estimates attached? If quote(s) or estimate(s) are not available or relevant, an indication of costs would be useful – eg screen shots from websites or links to them.</p> <p>The attached shows information from the Leader and Watt website.</p>
Alternative Funding	<p>What efforts have been (or will be) made to source funding? What level of success has been achieved? If the total amount requested is not approved, how will you make up the shortfall?</p> <p>We are run by volunteers. If there is a shortfall, we will seek donations to enable this purchase.</p>
Bank Details	Please attach confirmation of your bank account, eg provide a deposit slip or an screenshot / image showing your bank account name and number (no transactions need to be provided).

The purpose of the fund is to assist entities with the purchase of small items or additional services which are not included in Council's operating budgets and which will benefit the local community. Examples would be signage, park furniture, plants, paint, a leaflet or other publication or an event, including implementing community-led initiatives.

Applications are normally expected to be for the benefit of the whole Community (not for individuals or small groups eg only club members). More than one application can be submitted in any financial year.

Applications cannot be for:

- Provision of training or conference attendance.
- Additional payment(s) for goods or services subject to a contract with Rangitikei Council.
- Amounts which exceed the Committee's annual allocation.

If you have any queries regarding your application please contact a committee member (or call 021-342-524).

Send request to: Marton Community Committee: martoncc.cab@gmail.com or deliver c/o 7 Dalrymple Place, Marton.
