3 Apologies

Randall Mcilwaine, Cath Ash, Lynne Sheridan Andrew Morriss

4 Notes from the previous meeting

Tabled and taken as being read.

5 Matters arising

6 Inward and outward correspondence

7 General items of business

7.1 Marton Park Project

Due to the flooding event in Marton on the weekend of the 19 and 20 June the Steering Group decided that instead of beginning the project in Marton Park; they would provide assistance to residents that had suffered damage as a result of the floods. The group will meet at 8am Saturday morning at council offices 46 High Street. Kevin will work with the council welfare team to determine where the need is greatest.

7.2 Crossing update

Work on the Crossing point from the Z service centre to Centennial Park has begun and is likely to continue once flood priorities are addressed.

8 Other matters

Sharon Gordon suggested that the Steering Group approach the owners of the Picture Theatre to investigate running themed movie weekends in the town as a strategy to encourage people into the town. It was suggested that a sub-group be established to work on a business type plan for such events and what might be required to make this happen. It was suggested that if successful, funds could be used to pay for future placemaking or events for the town. The matter will be discussed further at the next meeting.

Carolyn Bates reported that a request has been made to council to have the Funds allocated for the painting of Wilson Park; transferred to the mayoral relief fund and tag for flood relief

in Marton. This will mean that the group's assistants will no longer be required for that painting project.

9 Date, time, and venue for the next meeting

Next meeting Thursday, July 9, 6:30 pm Council Chambers Marton

10 Meeting Closed.

7:35pm
