EMILE THE REAL DEAL

A huge thank you goes out to the Marton Christian Welfare Shop who recently made a generous donation towards my training and travelling. It is very much appreciated. It was great to hear the story of the other donations they have made to community organisations and schools in Marton to give a big hand up for places like the new skate park. The Op shop is a wonderful story of how the community supports them by buying items at the shop and then the Op Shop give back to community in donations. If you haven't been there, please visit, they are in the process of upgrading and expanding their premises. Thanks to Robert Wilson of AON Insurance who took my request to the committee.

The recent World Boxing Championships are being held right now in Russia, and only 3 elite male boxers travelled to the championships. This came at a cost at around \$10K. During this time while my coach was in Russia with the team, I travelled to Auckland to train with a variety of top boxers, and professionals and worked out at the Shane Cameron gym. Training has to be mixed up at times, so you can benefit mentally as well as learn new things, and variety is the key.

I am looking forward to the next challenge in Hastings at the NZ Championships early October.

I would like to thank and acknowledge Gary Hermannson who helps me with my mental focus and strength, this is essential to be strong in this area as well. Thanks also to all my other sponsors Dr Dave – Healthy Bastards, Meads Bros, my Grandma Jenny and mum Bronwyn Meads, Ruapehu Manawatu Masonic Youth Trust, John Keay, Dave and Annabel Sidey.
