8 Legislation and Governance update – August 2020

Mr Hodder spoke to the report, noting changes including reform of the Resource Management Act and the Water Services Bill – which will be the basis used for enhancing regulation for drinking water.

Mr Beggs updated the Committee of the Three Waters activities earlier in the week which Mayors, Elected Members, Iwi, Chief Executives and senior staff from across the lower North Island attended.

- \$762 million dollars is available from the government for councils across the country, for the three waters, with \$30 million dollars targeted at marae and papakainga.
- Rangitikei District Council, on signing of the non-binding MoU for tranche 1, will receive \$2.41 million dollars, to be allocated to drinking water and wastewater. The first MoU will expire 30 June 2021. The funds must be spent by 2022.
- \$2.41 million dollars has also been designated to the region which includes the following Councils – Ruapehu, Rangitikei, Manawatu, Tararua, Horizons, Palmerston North and Horowhenua.
- Elected Members from the region are meeting 13 August, where further discussion around the regional allocation will happen.
- Simpson Grierson has provided a legal opinion to the sector clarifying the non-binding nature of the MoU and that public consultation is not necessary.
- Once Council has comment from Iwi (through an additional meeting of Te Rōpu Ahi Kā) the MoU will go to an additional Audit/Risk Committee meeting to consider.

11 Activity Management

Mr Hodder briefed Elected Members on the tabled document, noting that the Long Term Plan is front of mind over the coming months.

It was agreed that the Activity Management reporting continue as it is a valuable part of reporting.

Cr Dalgety queried in the instance of Emergency Management, who is in charge and how do communities know what to do other than calling Council.

Elected Members were advised that Council have one staff member responsible for Emergency Management, and see value in the staff member attending or a report to go to the Community Committees and Ratana Community Board meetings, noting that Taihape has a Civil Defence Community Response Plan in place.

The Committee discussed whether there was a policy in place to restrict how many dogs someone can own. Staff advised there is a bylaw in place but this does not restrict how many

dogs can be owned. However, where a dog or dogs on any property has become or is likely to become a nuisance or injurious to health, the bylaw provides that an abatement notice will be issued to the owner at the discretion of a dog control officer or dog ranger. This notice may require the owner to reduce the number of dogs living on the property.

His Worship the Mayor left 2.16pm-2.16pm.

Undertaking Subject

That Paul Chaffe, staff member responsible for Emergency Management, attend or provide a report on the Civil Defence Community Response Plans to each Community Committee and the Ratana Community Board.

Undertaking Subject

Staff to provide feedback on the request to amend the Control of Dogs Bylaw which would limit the number of dogs an owner could have.

Resolved minute number 20/PPL/044 File Ref 5-EX-3-2

That the report 'Activity Management' to the 6 August 2020 Policy/Planning Committee be received.
