2 Public forum

Nobody from the community had requested to speak.

3 Apologies

That the apology from Cr Peke-Mason be received.

4 Confirmation of order of business

The Chair was comfortable with the proposed Order. He accepted the new Standing Orders (proposed for adoption at the Board's next meeting) could be tabled as a late item.

5 Confirmation of minutes

That the Minutes of the Ratana Community Board meeting held on 9 November 2016 be taken as read and verified as an accurate and correct record of the meeting.

6 Chair's report

The Chair did not have a verbal report for this meeting, but would have one for the next.

7 Council decisions on recommendations from the Board

There were no recommendations from the Board considered by Council at its meeting on 1 December 2016.

8 Response to queries raised at previous meetings

There were no queries raised at the previous meeting requiring a response from staff.

9 Commentary on Te Roopu Ahi Kaa's meeting on 13 December 2016

Rātana's representative on the Komiti, Gaylene Nepia, had attended the meeting that morning. Mr Hodder would contact her to be sure she could come to the Board's next meeting (which would be on the same day as the Komiti's next hui). He noted that the Komiti had

accepted Council's invitation to appoint a representative to the Council's Assets/Infrastructure Committee – this was Tracey Hiroa, Ngati Whitikaupeka.

10 Update on housing development

There was no update as it was normally provided orally by Cr Peke-Mason.

11 Rātana Water Treatment Plant Update

Mr Miller and Mr van Bussel spoke to the report. The reservoir was complete (and tested); the shed was being erected. A fence had yet to be erected – locating the entrance would take some thought given the need to be able to access the site safely.

Commissioning the plant was currently planned for March 2017. Mr van Bussel noted that there would be a little more pressure when the treatment plant was functioning, but no problem with pipes or fittings were anticipated. It would mean that the supply met fire-fighting requirements.

The Chair asked about the date for completion agreed with the Ministry of Health. Mr Miller noted that the Ministry certainly wanted to see progress but had a very understanding approach in terms of the deadline dates.

That the report 'Ratana Water Treatment Plant Update' to the Ratana Community Board meeting on 13 December 2016 be received.

12 Rātana Wastewater Consent Renewal

Mr Miller spoke to the report. The current consent expires in March 2018 and an application for a new one needs to be with Horizons at least six months before that. It was likely that land-based discharge would be a significant change from the current consent. As well as meeting the new conditions of consent, the new plant would be planned so as to be able to deal with (or expand to) the demand from the planned 60-lot subdivision

The main reason for coming to the Board now was to start thinking about the composition of an advisory reference group. The tabled document containing the terms of reference for a similar group for Marton provided a useful parallel. One community member had already approached the Chair to express interest; Cr Peke-Mason was keen to be involved.

-------------------------------	-------------------	-----------------

That the report 'Rātana Wastewater Consent Renewal' to the Ratana Community Board meeting on 13 December 2016 be received, and that the Rātana Community Board endorse the forming of a reference group to support this project.

13 Ensuring effectiveness of the District's Community Boards – review for the 2016-19 triennium

Mr Hodder spoke to the report, providing clarification on previous Boards opting out of having a Small Projects Fund. Cr Peke-Mason had sought information about the way in which the Taihape Community Board uses its \$5,000 Fund.

The Board needed more time to consider this question. Mr Mete thought having informal workshops could help make the board more accessible to the community, some of whom found the formal meetings too daunting to engage with.

Resolved minute number **16/RCB/027** **File Ref**

That the report 'Ensuring effectiveness of the District's Community Boards – review for the 2016-19 triennium' be received and that it be considered again at a subsequent meeting of the Rātana Community Board.

Mr C Mete / Ms M Thompson. Carried

14 Late item

Proposed new Standing Orders

These closely followed the new standing orders adopted by Council on 3 November. The meeting agreed to consider these at the next meeting of the Board.

15 Future items for the agenda

- Proposed new Standing Orders
- Update on the water treatment upgrade
- Update on the wastewater consent renewal process, including suggested composition of the proposed reference advisory group
- Options by which residents in the Paa can connect with the fibre placed to the Manuao.

- Improved access to the Pa's public toilets
 - (Having both shops holding a key would be an improvement.)
- Expansion of dairy farming (Duncan's property) to the west of the Pa.

REPORT

SUBJECT: Ensuring effectiveness of the District's Community Boards – review for the 2016-19 triennium

TO: Ratana Community Board

FROM: Michael Hodder, Community & Regulatory Services Group Manager

DATE: 8 December 2016

FILE: 3-CB-1

1. Executive summary

- 1.1 The role of community boards is defined in the Local Government Act. The Council has wide discretion on the functions and powers it delegates to the District's two Community Boards, at Ratana and Taihape. At present those delegations are very limited. This is not unusual: more extensive delegations are typically found in the larger urban local authorities and/or where the whole area of the local authority is subdivided into community boards.
- 1.2 However, delegations are only one component in considering the effectiveness of each Board. Other components are the opportunities for members to build expertise through training, the quality and timeliness of advice from Council staff through briefings and reports, and the level of administrative support provided.
- 1.3 The report looks for the Board's view on beneficial changes to its delegations and/or the level of support, for subsequent consideration by Council.

2. Background

- 2.1 At its meeting on 3 November 2016, Council resolved that both Community Boards be invited, at their first meetings, to consider and recommend on any changes to their delegations (and preferred level of support) for Council to consider at its meeting on 26 January 2017.¹
- 2.2 Since its inception in 1989, the Rangitikei District has had two Community Boards, at Ratana and Taihape. Their contribution to local governance has been considered in the six-yearly Representation Reviews but they have both

¹ 16/RDC/307.

continued without change, except for the inclusion of a Councillor as a formal member of the Ratana Community Board from the 2012 review.

- 2.3 The delegations to each Community Board are not part of the Representation Review. They are determined by Council and are set out in the Council's Delegations Register. Both Boards are empowered to determine and set names for roads in their area of responsibility. In addition, both Boards are delegated a role in seeking community views on projects or initiatives requiring Council funding and have access to a small projects fund (\$5,000 annually) but to date this has been used by the Taihape Community Board but not Ratana.
- 2.4 The Chief Executive (or nominee) typically attends each Board meeting. Council staff prepare the agenda, compile and distribute the Order Papers, and take minutes of Board meetings. It is Council's responsibility to provide public notification of these meetings.

3. Comment

- 3.1 The statutory provisions for community boards are set out in sections 49-54 of the Local Government Act 2002 – these are attached as Appendix 1 to this report. Of particular relevance is section 52 which defines the roles of community boards as to:
 - (a) represent and act as an advocate for, the interests of its community;
 - (b) consider and report on all matters referred to it by the territorial authority or any matter of interest or concern to the community board
 - (c) maintain an overview of services provided by the territorial authority within the community;
 - (d) prepare an annual submission to the territorial authority for expenditure within the community;
 - (e) communicate with community organisations and special interest groups within the community; and
 - (f) undertake any other responsibilities that are delegated to it by the territorial authority.
- 3.2 Delegations to community boards vary considerably – typically being greater when the whole area of a local authority is divided into community boards or in larger cities. In Southland District, the 12 community boards prepare local budgets, recommend local rates, and exercise decision-making power on issues specifically delegated by the Council. By contrast, in the Tararua District, no delegations have been made to either of the community boards (Dannevirke and Eketahuna). In some councils, community boards administer grants – in the Far North District (subdivided into three community boards), each administers an Amenity Fund which is based on a \$10 charge on each property as part of the District rates.
- 3.3 Council's consultation with the community in proposals such as the Annual Plan/Long Term Plan or bylaws is on a District-wide basis. However, from time to time, there are project proposals or initiatives seeking Council support which

relate to specific locations. In addition, there are significant Council-funded projects (such as main street upgrades) where there is a need for community consultation during the implementation phase, evaluating design options etc. Where these relate to Taihape or Ratana it is preferable for the relevant Board to lead that consultation, and that is reflected in the current delegations.

- 3.4 Council manages a wide range of community facilities and services in Taihape and (although to a lesser extent) in Ratana. The Community Boards are potentially better placed to understand local needs and priorities, and thus could also be given delegation over the management of community facilities within their respective areas, including conditions of use and fees. Obviously, there are a number of issues which would need closer consideration, such as the District-wide contracts for maintaining parks, the District-wide approach to managing libraries and (in Ratana) the current contract with the Ratana Communal Board of Trustees. However, if the Board saw merit in this idea, a recommendation could be made to Council.
- 3.5 Notwithstanding delegations, the effectiveness of each Community Board is largely determined by its membership, how it interacts with the community and the Council, and how it achieves a productive working relationship. The Taihape Community Board, in particular, has frequently held workshops in the alternate months it does not have a formal meeting, and invites the community to join in. This has enabled a frank exchange of information and views, useful in subsequent formal deliberations. The Ratana Community Board, serving a much smaller area, has the opportunity for more informal discussions within that community.
- 3.6 One important factor is the opportunity for Board members to have access to relevant information and training – not only from Council but also from sector bodies particularly that provided by Local Government New Zealand on governance matters. Unfortunately, much of this training is concentrated in the immediate post-election period, meaning that members joining a Board through a subsequent by-election or appointment process do not have the same ready access. However, Local Government New Zealand does provide an ongoing schedule of training, in different parts of the country and aims at a Community Board conference at least every alternate year.
- 3.7 A further factor in the success or otherwise of the Board is the quality and timeliness of advice from Council staff. Each Board is typically briefed, either orally or through written reports, on matters of relevance to its community, sometimes at the specific request of the Board, sometimes at the direction of Council.
- 3.8 Following through on Board decisions, and conveying that, is important for the Board's profile in the community. This also links into how Council responds to requests for service from individual members of the community. This has a lower profile in Ratana, given the role of the Communal Board of Trustees from its contract with the Council to deliver services within the community.
- 3.9 A final, but important, factor is the responsiveness of Council to recommendations from the Boards. There will be occasions when the Council

considers it must decline or defer a proposal, and it is helpful for Boards to be informed why that is the case.

4. Recommendations

- 4.1 That the report 'Ensuring effectiveness of the District's Community Boards – review for the 2016-19 triennium' be received.

EITHER

- 4.2 That the Ratana Community Board recommends to Council that consideration is given to making the following changes to the Board's delegations and level of support

OR

- 4.3 That the Ratana Community Board recommends to Council that the current delegations and level of support to the Board are sufficient for its purposes.

Memorandum

To: Ratana Community Board

From: Michael Hodder

Date: 13 December 2016

Subject: Standing Orders for the 2016-19 triennium

File: 3-OR-3-4

Clause 27(1), Schedule 7 of the Local Government Act 2002 requires every local authority to have adopted a set of Standing Orders for the conduct of its meetings. This provision also applies separately to community boards¹ – i.e. the Council's standing orders do not automatically apply to community boards as they do to community committees. Up until now, the Board has used the model Standing Orders developed by Standards New Zealand (NZS 9201-2003, as amended).

Recently, Local Government New Zealand published a new set of Standing Orders, to replace those released by Standards New Zealand which have become out of date and are somewhat confusing in their presentation. Council adopted the new Standing Orders at its meeting on 3 November 2016, carrying into these changes made to the former Standing Orders which are not part of the new ones:

- allowing members to remain seated unless making a point of Order;
- setting the quorum for Council commits and subcommittees as for Council (i.e. half the number of members if the number of members =- including vacancies – is even or a majority if the number of members is odd.

There are a number of changes from the former Standing Orders which LGNZ included in its new set as likely to be helpful. One of these is allowing the Chair a casting vote. Council debated this at length, but eventually adopted this change by a majority decision. The treatment of late items has been made clearer², removing the distinction in the former Standing Orders between 'major' and 'minor' items which has no legislative basis.

There is no statutory requirement to review Standing Orders once adopted. Once adopted, they remain in place until replaced or amended. Such a decision requires a 75% majority of those at the meeting. This includes their temporary suspension at a particular meeting³, for example to allow members to speak more than once to a motion. Quorum requirements cannot be set aside in this way.

¹ Local Government Act 2002, section 54.

² Section 9.12

³ Local Government Act 2002, clause 27(3) and (4).

Recommendations

- 1 That the memorandum on Standing Orders for the 2016-19 triennium be received.

EITHER

- 2 That the Ratana Community Board replace its Standing Orders by adopting those proposed by Local Government New Zealand for community board, incorporating the amendments made by Council to its Standing Orders, with the following changes...

OR

- 3 That the Ratana Community Board defer consideration of the proposed new Standing Orders until its next meeting, 14 February 2017.

Rātana Community Board

Standing Orders

(Tabled for consideration at Board meeting on 13 December 2016)

14 February 2017

Preface

These standing orders have been designed specifically for community boards and meet the requirements of the Local Government Act 2002 and the Local Government Official Information and Meetings Act 1987 and are recommended for the use of community boards by the Community Board Executive.

Community boards are required under cl. 27 Schedule 7 the Local Government Act 2002 (LGA 2002) to adopt a set of standing orders for the conduct of their meetings and those of its committees and subcommittees.

Standing orders contain rules for the orderly conduct of the proceedings of community boards and any community board committees or subcommittees. Their purpose is to enable community boards to exercise their decision-making responsibilities in a transparent, inclusive and lawful manner.

In doing so the application of standing orders contributes to public confidence in the quality of local government and democracy in general.

For clarification whenever a question about the interpretation or application of these standing orders arises, particularly if the matter is not provided for in the standing orders, it is the responsibility of the Chairperson to make a ruling.

All members of a community board must abide by these standing orders.

1. Introduction

These Standing Orders have been prepared to enable the orderly conduct of community board authority meetings. They incorporate the legislative provisions relating to meetings, decision making and transparency. They also include practical guidance on how meetings should operate so that statutory provisions are complied with and the spirit of the legislation fulfilled.

To assist elected members and officials the document is structured in three parts:

- Part 1 deals with general matters
- Part 2 deals with pre-meeting procedures
- Part 3 deals with meeting procedures.

Following Part 3 the Appendices provide templates and additional guidance for implementing provisions within the Standing Orders. Please note, the Appendix is an attachment to the standing orders and is not part of the standing orders as adopted by the community board.

In addition the Standing Orders Guide provides advice and good practice tips for Chairpersons and staff on the implementation of the standing orders.

1.1 Principles

Standing orders are part of the framework of processes and procedures designed to ensure that our system of local democracy and in particular local government is transparent and accountable. Standing orders give effect to the principles which underpin good governance. Key principles are that a local authority and consequently a community board should:

- conduct its business in an open, transparent and democratically accountable manner;
- give effect to its identified priorities and desired outcomes in an efficient and effective manner;
- make itself aware of, and have regard to, the views of all of its communities;
- take account, when making decisions, of the diversity of the community, its interests and the interests of future communities as well;
- ensure that any decisions made under these standing orders comply with the decision-making provisions of Part 6 of the LGA; and
- ensure that decision-making procedures and practices meet the standards of natural justice.

In addition, the LGA 2002 requires that all local authorities act so that “governance structures and processes are effective, open and transparent” (s. 39 LGA 2002).

1.2 Statutory references

The Standing orders combine statutory provisions with guidance on their application. Where a statutory provision has been augmented with advice on how it might be implemented the advice (so as not to confuse it with the statutory obligation) is placed below the relevant legislative reference. In some cases the language in the statutory provision may have been modernised or amended to

ensure consistency with more recently enacted statutes. Original versions of each statutory provision are included in the Standing Orders' Guidelines, the companion document.

It is important to note that during a meeting any statutory references in the standing orders apply throughout the period of the meeting, regardless of whether or not parts or all of the Standing Orders have been suspended. These provisions must also be carried through into any amendment of the standing orders that might be made.

Please note, where it is employed the word 'must', unless otherwise stated, identifies a mandatory legislative requirement.

General matters

3. Standing orders

3.1 Obligation to adopt standing orders

A community board is required to operate in accordance with standing orders for the conduct of its meetings and the meetings of its committees and subcommittees. Standing orders must not contravene any Act.

cl. 27(1) & (2), Schedule 7, LGA 2002

3.2 Process for adoption and alteration of standing orders

The adoption of standing orders and any amendment to standing orders must be made by the community board through a vote of not less than 75 % of the members present. Any amendments also require a vote of not less than 75% of the members of the community board.

cl. 27(3) Schedule 7, LGA 2002.

3.3 Members must obey standing orders

All members of the community board and its committees and subcommittees must obey these standing orders.

cl. 16(1) Schedule 7, LGA 2002.

3.4 Application of standing orders

These standing orders apply to all meetings of the community board and its committees and subcommittees. This includes meetings and sessions that the public are excluded from.

3.5 Temporary Suspension of standing orders

Any member of a community board may move a motion to suspend standing orders. Any such motion must include the reason for the suspension. If seconded, the Chairperson must put the motion without debate and at least 75 per cent of the members present and voting must vote in favour of the suspension if it is to pass.

cl. 27(4), Schedule 7, LGA 2002

A motion to suspend standing orders may also identify the specific standing orders to be suspended. In the event of suspension those standing orders prescribed in statute will continue to apply, such as the quorum requirements.

3.6 Quasi-judicial proceedings

For quasi-judicial proceedings the community board may amend meeting procedures. For example, committees hearing applications under the RMA 1991 have additional powers under the Commissions of Inquiry Act 1908.

3.7 Physical address of members

Every member of a community board must give to the chief executive a physical residential or business address within the district or region of the local authority and, if desired, an electronic or other address, to which notices and material relating to meetings and community board business may be sent or delivered. Members are to provide their address within 5 working days of the publication of the declaration of the election results.

4. Meetings

4.1 Legal requirement to hold meetings

A community board must hold meetings for the good government of its community. Meetings must be called and conducted in accordance with:

- (a) Schedule 7 of the LGA 2002;
- (b) Part 7 of LGMOIA; and
- (c) These standing orders.

A meeting can be adjourned to a specified time and day if required by resolution of the meeting.

4.2 Meeting duration

A meeting cannot continue more than six hours from when it starts (including any adjournments) or after 10.30pm, unless the meeting resolves to continue. If there is no such resolution any business on the agenda that has not been dealt with must be adjourned, transferred to the next meeting or transferred to an extraordinary meeting.

No meeting can sit for more than three hours continuously without a break of at least ten minutes unless the meeting resolves to extend the time before a break.

4.3 Language

A member may address a meeting in English, te reo Māori or New Zealand Sign Language. A Chairperson may require that a speech is translated and printed in English or te reo Maori.

If a member intends to address the meeting in New Zealand Sign Language, or in te reo Māori when the normal business of the meeting is conducted in English, they must give prior notice to the Chairperson not less than 2 working days before the meeting. Where the normal business of the

meeting is conducted in te reo Māori then prior notice of the intention to address the meeting in English must also be given to the Chairperson not less than 2 working days before the meeting.

4.4 Webcasting meetings

Webcast meetings should be provided in accordance with the protocols contained in Appendix 5.

4.5 First meeting (inaugural)

The first meeting of a community board following a local authority triennial general election must be called by the chief executive following the declaration of the final results. The chief executive must give members not less than 7 days' notice of the meeting. However, in the event of an emergency the chief executive may give notice of the meeting as soon as practicable.

cl. 21(1) - (4), Schedule 7, LGA

4.6 Requirements for the first meeting

The chief executive (or, in the absence of the chief executive, their nominee) must chair the meeting until the Chairperson has made an oral declaration and attested the declaration (as set out in cl. 21(4), Schedule 7, (LGA 2002)).

The business to be conducted at the first meeting following a general election must include the following:

- (a) The making and attesting of the declarations required of members under cl.14, Schedule7 (LGA 2002), and
- (b) The election of the Chairperson (if any) and the making and attesting of the declaration required of the Chairperson under cl.14 Schedule7 (LGA 2002), and
- (c) A general explanation, given or arranged by the chief executive, of:
 - i. LGOIMA; and
 - ii. Other laws affecting members, including the appropriate provisions of the Local Authorities (Members Interests) Act 1968; and sections 99, 105, and 105A of the Crimes Act 1961; and the Secret Commissions Act 1910; and the Financial Markets Conduct Act 2013;
- (d) The fixing of the date and time of the first meeting of the local authority, or the adoption of a schedule of meetings; and
- (e) the election of the dep deputy Chairperson in accordance with cl.17 Schedule7 (LGA 2002).

cl. 21(5), Schedule 7, LGA 2002.

In addition, a community board will normally adopt its standing orders at the first meeting, although this is not a requirement (unless amendments are made at the meeting) as standing orders remain in force after each triennial election.

5. Appointments and elections

5.1 Elections of Chairpersons and deputy Chairpersons

When electing a Chairperson or deputy Chairperson the community board (or a committee making the appointment) must decide by resolution to use one of two voting systems set out in Standing Order 5.2.

5.2 Voting system for Chairperson and deputy Chairperson

When electing a Chairperson or deputy Chairperson the community board must resolve to use one of the following two voting systems.

System A

The candidate will be elected or appointed if he or she receives the votes of a majority of the members of the local authority or committee who are present and voting. This system has the following characteristics:

- (a) there is a first round of voting for all candidates;
- (b) if no candidate is successful in the first round, there is a second round of voting from which the candidate with the fewest votes in the first round is excluded; and
- (c) if no candidate is successful in the second round, there is a third round, and if necessary subsequent rounds, of voting from which, each time, the candidate with the fewest votes in the previous round is excluded.

In any round of voting, if two or more candidates tie for the lowest number of votes, the person to be excluded from the next round is resolved by lot.

System B

The candidate will be elected or appointed if he or she receives more votes than any other candidate. This system has the following characteristics:

- (a) there is only one round of voting; and
- (b) if two or more candidates tie for the most votes, the tie is resolved by lot.

cl. 25 Schedule 7, LGA 2002.

6. Delegations

6.1 Community boards may delegate

A community board may delegate any of its responsibilities, duties, or powers to a subcommittee or person, subject to any conditions, limitations, or prohibitions imposed by the council.

cl. (2) & (3), Schedule 7, LGA 2002.

6.2 Use of delegated powers

A committee, subcommittee, member or officer to which or to whom any responsibilities, powers, duties are delegated may, without confirmation by the community board, exercise or perform them in the like manner and with the same effect as the community board itself could have exercised or performed them.

cl. 32(2) & (3)(4) Schedule 7, LGA 2002.

6.3 Decisions made under delegated authority cannot be rescinded or amended

Nothing in these standing orders allows a community board to rescind or amend a lawfully made decision of a committee, subcommittee or person carried out under a delegation authorising the making of that decision.

cl. 30 (6), Schedule 7, LGA 2002.

7. Committees

7.1 Appointment of committees and subcommittees

A community board may appoint the committees and subcommittees that it considers appropriate. A committee may appoint the subcommittees that it considers appropriate, unless it is prohibited from doing so by the community board.

cl. 30(1) & (2), Schedule 7, LGA 2002.

7.2 Discharge or reconstitution of committees and subcommittees

Unless expressly provided otherwise in legislation or regulation:

- (a) a community board may discharge or reconstitute a committee or subcommittee, or other subordinate decision-making body; and
- (b) a committee may discharge or reconstitute a subcommittee.

A committee, subcommittee, or other subordinate decision-making body is, unless a community board resolves otherwise, discharged when members elected at a subsequent triennial general election come into office.

cl. 30 (5) & (7), Schedule 7, LGA 2002.

Please note: s.12 (2) of the Civil Defence and Emergency Management Act 2002 states that the Civil Defence and Emergency Management Group are not deemed to be discharged following a triennial election.

7.3 Appointment or discharge of committee and subcommittee members

A community board may appoint or discharge any member of a committee or subcommittee. A committee may appoint or discharge any member of a subcommittee appointed by the committee unless directed otherwise by the community board.

cl. 31 (1) & (2), Schedule 7, LGA 2002.

7.4 Elected members on committees and subcommittees

The members of a committee or subcommittee may be, but are not required to be, elected members of a local authority. A community board may appoint a person who is not a member of the local authority to a committee or subcommittee if, in the opinion of the community board, the person has the skills, attributes or knowledge to assist the committee or subcommittee to fulfil their terms of reference.

At least one member of a committee must be an elected member of the community board. A staff member of the local authority, in the course of their employment, can be a member of a subcommittee but not a committee.

cl. 31(4) Schedule 7, LGA 2002.

7.5 Community board may replace members if committee not discharged

If a community board resolves that a committee or subcommittee is not to be discharged under cl. 30 (7) Schedule 7, LGA 2002, it may replace the members of that committee or subcommittee after the next triennial general election of members.

cl. 31(5) Schedule 7, LGA 2002.

7.6 Decision not invalid despite irregularity in membership

For the purpose of these standing orders a decision of a community board is not invalidated if:

1. there is a vacancy in the membership of the community board at the time of the decision; or
2. following the decision some defect in the election or appointment process is discovered and/or that a person on the community board at the time is found to have been ineligible of being a member.

cl. 29, Schedule 7, LGA 2002.

8. Giving notice

8.1 Public notice – ordinary meetings

All meetings scheduled for the following month must be publicly notified not more than 14 days and not less than 5 days before the end of every month, together with the dates on which and the times and places at which those meetings are to be held. In the case of meetings held on or after the 21st day of the month public notification must be given not more than 10, nor less than 5, working days before the day on which the meeting is to be held.

s. 46, LGOIMA

8.2 Notice to members - ordinary meetings

The chief executive must give notice in writing to each member of the community board of the time and place of any meeting. Notice must be given at least 14 days before the meeting unless the community board has adopted a schedule of meetings, in which case notice must be given at least 14 days before the first meeting on the schedule.

cl. 19 (5), Schedule 7 LGA 2002.

8.3 Extraordinary meeting may be called

An extraordinary council meeting may be called by:

- (a) resolution of the community board, or
- (b) a requisition in writing delivered to the chief executive which is signed by:

cl. 22(3), Schedule 7 LGA 2002.

8.5 Public notice - extraordinary meetings

Where an extraordinary meeting of a community board was called and notice of that meeting was inconsistent with these standing orders the community board must, as soon as practicable following the meeting, give public notice stating that

- (a) the meeting has occurred;
- (b) the general nature of business transacted; and
- (c) the reasons why it was not correctly notified.

s. 46(3) & (4), LGOIMA.

8.6 Process for calling an extraordinary meeting at an earlier time

If the business to be dealt with requires a meeting to be held at a time earlier than is allowed by the notice requirements specified in standing order 8.4, a meeting may be called by the Chairperson, or if the Chairperson is not available, the chief executive.

cl. 22(2) Schedule 7, LGA 2002.

8.7 Notification of extraordinary meetings held at an earlier time

Notice of the time and place of a meeting called under Standing Orders 8.6, and of the matters for which the meeting is being called, must be given by the person calling the meeting, or by another person on that person's behalf, to each member of the community board and the chief executive by whatever means is reasonable in the circumstances at least 24 hours before the time appointed for the meeting.

cl. 22(4), Schedule 7 LGA 2002.

8.8 Chief executive may make other arrangements

The chief executive is to make any other arrangement for the notification of meetings, including extraordinary meetings, as the community board may, from time to time, determine.

s. 46(5) LGOIMA.

8.9 Meetings not invalid

The failure to notify a public meeting under these standing orders does not of itself make that meeting invalid. However, where a community board becomes aware that a meeting has been incorrectly notified it must, as soon as practicable, give public notice stating:

- that the meeting occurred without proper notification;
- the general nature of the business transacted; and
- the reasons why the meeting was not properly notified.

s. 46(6), LGOIMA.

8.10 Resolutions passed at an extraordinary meeting

A community board must, as soon as practicable, publicly notify any resolution passed at an extraordinary meeting of the community board unless -

- (a) the resolution was passed at a meeting or part of a meeting from which the public was excluded; or
- (b) the extraordinary meeting was publicly notified at least 5 working days before the day on which the meeting was held.

s. 51A, LGOIMA.

8.11 Meeting schedules

Where the community board adopts a meeting schedule it may cover any period that the community board considers appropriate and may be amended. Notification of the schedule, or an amendment, will constitute notification to members of every meeting on the schedule or the amendment. This does not replace the requirements under LGOIMA to also publicly notify each meeting.

cl. 19 (6) Schedule 7 LGA 2002.

8.12 Non-receipt of notice to members

A meeting of a community board is not invalid if notice of that meeting was not received, or not received in due time, by a member of the community board unless:

- 1. it is proved that the person responsible for giving notice of the meeting acted in bad faith or without reasonable care; and
- 2. the member concerned did not attend the meeting.

A member of a community board may waive the need to be given notice of a meeting.

cl. 20 (1) & (2) Schedule 7 LGA 2002.

8.13 Meeting cancellations

The Chairperson of a scheduled meeting may cancel the meeting if the Chairperson, in consultation with the chief executive, considers this is necessary for reasons that include lack of business, lack of quorum or clash with another event.

The chief executive must make a reasonable effort to notify members and the public as soon as practicable of the cancellation and the reasons behind it.

9. Meeting agenda

9.1 Preparation of the agenda

It is the chief executive's responsibility to prepare an agenda for each meeting listing and attaching information on the items of business to be brought before the meeting so far as is known, including the names of the relevant members.

The chief executive should consult the Chairperson on any business items being prepared for the agenda.

9.2 Process for raising matters for a decision

Requests for reports may be made by a resolution of the community board and must also fall within the scope of the board's delegations. A process for requesting reports is described in Appendix 10.

9.3 Chief executive may delay or refuse request

The chief executive may delay commissioning any reports that involve significant cost or are beyond the scope of the community board that made the request. In such cases the chief executive will discuss options for meeting the request with the respective Chairperson and/or report back to the subsequent meeting with an estimate of the cost involved and seek a direction on whether the report should still be prepared.

If a member makes a direct request to a chief executive that a report is prepared the chief executive may refuse. In such cases an explanation must be provided to the member.

9.4 Order of business

At the meeting the business is to be dealt with in the order in which it stands on the agenda unless the Chairperson or the meeting decides otherwise. An example of a default order of business is set out in Appendix 9.

The order of business for an extraordinary meeting must be limited to items that are relevant to the purpose for which the meeting has been called.

9.5 Chairperson's recommendation

A Chairperson, either prior to the start of the meeting and/or at the meeting itself, may include a recommendation regarding any item on the agenda brought before the meeting. Where a Chairperson's recommendation varies significantly from an officer's recommendation the reason for the variation must be explained.

9.6 Chairperson's report

The Chairperson of a meeting has the right, through a report, to direct the attention of a meeting to any matter which is on the agenda or which falls within the responsibilities of that meeting.

9.7 Public availability of the agenda

All information provided to members at a community board meeting must be publicly available except where an item included in the agenda refers to a matter reasonably expected to be discussed with the public excluded.

s. 5 & 46A, LGOIMA

9.8 Public inspection of agenda

Any member of the public may, without payment of a fee, inspect, during normal office hours, within a period of at least 2 working days before every meeting, all agendas and associated reports circulated to members of the community board and relating to that meeting. The agenda:

- (a) must be available for inspection at the public offices of the local authority (including service delivery centres), at public libraries under the authority's control and on the council's website, and:

 - i. the associated reports; or
 - ii. a notice specifying the places at which the associated reports may be inspected.

s. 46A (1), LGOIMA

If justified by circumstances an agenda item may be withdrawn by the chief executive. In the event of an item being withdrawn the chief executive should inform the Chairperson.

9.10 Distribution of the agenda

The chief executive must send the agenda to every member of the community board at least two clear working days before the day of the meeting, except in the case of an extraordinary meeting (see Standing Order 8.4).

The chief executive may send the agenda, and other materials relating to the meeting or other council business, to members by electronic means.

9.11 Status of agenda

No matter on a meeting agenda, including recommendations, may be considered final until determined by formal resolution of the meeting.

9.12 Items of business not on the agenda which cannot be delayed

A meeting may deal with an item of business that is not on the agenda where the meeting resolves to deal with that item and the Chairperson provides the following information during the public part of the meeting:

- (a) the reason the item is not on the agenda; and
- (b) the reason why the discussion of the item cannot be delayed until a subsequent meeting.

s. 46A (7), LGOIMA

Items not on the agenda may be brought before the meeting through a report from either the chief executive or the Chairperson.

Please note that nothing in this standing order removes the requirement to meet the provisions of Part 6, LGA 2002.

9.13 Discussion of minor matters not on the agenda

A meeting may discuss an item that is not on the agenda only if it is a minor matter relating to the general business of the meeting and the Chairperson explains at the beginning of the public part of the meeting that the item will be discussed. However, the meeting may not make a resolution, decision or recommendation about the item, except to refer it to a subsequent meeting for further discussion.

s. 46A (7A), LGOIMA.

9.14 Public excluded business on the agenda

Items that are likely to be discussed under public excluded must be indicated on each agenda and state the general subject of the item. The chief executive, however, may exclude public access to any reports, or parts of reports, which are reasonably expected to be discussed when the public is excluded.

s. 46A (9), LGOIMA.

9.15 Qualified privilege relating to agenda and minutes

Where any meeting of the community board is open to the public and a member of the public is supplied with a copy of the agenda or the minutes of that meeting the publication of any defamatory matter included in the agenda or in the minutes is privileged, unless the publication is proved to have been made with ill will or taking improper advantage of the publication.

s. 52, LGOIMA.

Meeting Procedures

Opening and closing

At the start of a meeting a community board may choose to recognise the civic importance of the occasion through some form of reflection. This could be an expression of community values, a reminder of the contribution of members who have gone before or a formal welcome, such as a mihi whakatau. Options for opening a meeting could include a karakia timitanga, mihi whakatau, or powhiri as well as a karakia whakamutunga to close a meeting where appropriate.

10. Quorum

10.1 Councils

The quorum for a meeting of the community board is:

- (a) half of the members physically present, where the number of members (including vacancies) is even; and
- (b) a majority of the members physically present, where the number of members (including vacancies) is odd.

cl. 23 (3)(a) Schedule 7, LGA 2002.

10.2 Committees and subcommittees

A community board sets the quorum for its committees and subcommittees, either by resolution or by stating the quorum in the terms of reference. Committees may set the quorums for their subcommittees by resolution provided that it is not less than two members - in the case of subcommittees if a quorum is not stated then the quorum will be two members.

In the case of committees (other than subcommittees) at least one member of the quorum must be a member of the community board.

cl. 23 (3)(b) Schedule 7, LGA 2002.

10.3 Joint Committees

The quorum at a meeting of a joint committee must be consistent with Standing Order 10.1. Local authorities participating in the joint committee may decide, by agreement, whether or not the quorum includes one or more members appointed by each community board or any party.

cl. 30A (6)(c) Schedule 7, LGA 2002.

10.4 Requirement for a quorum

A meeting is constituted where a quorum of members is present, whether or not they are all voting or entitled to vote. In order to conduct any business at a meeting a quorum of members must be present for the whole time that the business is being considered.

cl. 23(1) & (2) Schedule 7, LGA 2002.

10.5 Meeting lapses where no quorum

A meeting must lapse, and the Chairperson vacates the chair, if a quorum is not present within 30 minutes of the advertised start of the meeting. The Chairperson has discretion to wait for a quorum for a longer period in situations where members are known to be travelling to the meeting, but are delayed due to extraordinary circumstances.

No business may be conducted while waiting for the quorum to be reached. Where a meeting lapses because there is no quorum, this will be recorded in the minutes, along with the names of the members who attended.

10.6 Business from lapsed meetings

Where a meeting lapses the remaining business will be adjourned to be the first items on the agenda for the next ordinary meeting, unless the Chairperson sets an earlier meeting and this is notified by the chief executive.

11. Public access and recording

11.1 Meetings open to the public

Except as otherwise provided by Part 7 of LGOIMA, every meeting of the community board, and its committees and subcommittees, must be open to the public.

Meeting venues should contain clear signage indicating and informing members, officers and the public that proceedings may be recorded by the community board and may be subject to direction by the Chairperson.

11.4 Public may record meetings

Members of the public may record meetings which are open to the public. Any recording of meetings must be notified to the Chairperson at the commencement of the meeting to ensure that the recording does not distract the meeting from fulfilling its business.

Where circumstances require the Chairperson may stop the recording for a period of time.

12. Attendance

12.1 Members right to attend meetings

A member of a community board has, unless lawfully excluded, the right to attend any meeting of any committees or subcommittees established by the board. They may, with the leave of the Chairperson, take part in the meeting's discussions, however, if the member of the community board is not an appointed member of the committee they may not vote on any matter before the committee.

A community board member attending a meeting of a committee or subcommittee of which they are not an appointed member is not a member of the public for the purpose of s.48 LGOIMA. If the community board resolves to exclude the public any members who are not appointed to those bodies may remain unless they are lawfully excluded.

cl. 19(2), Schedule 7, LGA 2002.

12.2 Attendance when a committee is performing judicial or quasi-judicial functions

If a committee of a community board is performing judicial or quasi-judicial functions members of the board who are not members of the committee are not entitled to take part in the proceedings.

12.3 Leave of absence

The community board may grant a member leave of absence. Members must apply for such leave.

The community board may delegate the power to grant leave of absence to the Chairperson in order to protect a members' privacy. The Chairperson will advise all community board members whenever a member has leave of absence granted under delegated authority. Meeting minutes will record that a member has leave of absence as an apology for that meeting.

12.4 Apologies

A member who does not have leave of absence may tender an apology should they be absent from all or part of a meeting. The Chairperson must invite apologies at the beginning of each meeting, including apologies for lateness and early departure. The meeting may accept or decline any

apologies. For clarification, the acceptance of a member's apology constitutes a grant of leave of absence for that meeting.

12.5 Recording apologies

The minutes will record any apologies tendered before or during the meeting, including whether they were accepted or declined and the time of arrival and departure of all members.

12.6 Absence without leave

Where a member is absent, without leave of absence from the community board, from four consecutive meetings (other than extraordinary meetings) then the office held by the member will become vacant. A vacancy created in this way is treated as an extraordinary vacancy.

cl. 5 (d) Schedule 7, LGA 2002.

12.7 Right to attend by audio or audio visual link

Provided the conditions in these standing orders are met members of the community board have the right to attend meetings by means of an electronic link, unless they have been lawfully excluded.

Where the technology is available and a member is attending a meeting by audio or audio-visual link, the Chairperson must ensure that:

 - iv. the requirements in these standing orders are met.

If the Chairperson is attending by audio or audio visual link then chairing duties will be undertaken by the deputy chair or a member who is physically present.

cl. 25A (3) Schedule 7, LGA 2002.

12.11 Conditions for attending by audio or audio visual link

The Chairperson may give approval for a member to attend meetings by electronic link, either generally or for a specific meeting. Examples of situations where approval can be given include:

- (a) where the member is representing the community board at a place that makes their physical presence at the meeting impossible or impracticable;
- (b) where a member is unwell; and
- (c) where a member is unable to attend due to an emergency.

12.12 Request to attend by audio or audio visual link

Where possible, a member will give the Chairperson and the chief executive at least 2 working days' notice when they want to attend a meeting by audio or audio visual link. Should, due to illness or emergency, this is not be possible the member may give less notice.

Where such a request is made and the technology is available, the chief executive must take reasonable steps to enable the member to attend by audio or audio-visual link. However, the council has no obligation to make the technology for an audio or audio-visual link available.

If the member's request cannot be accommodated, or there is a technological issue with the link, this will not invalidate any acts or proceedings of the community board or its committees.

12.13 Chairperson may terminate link

The Chairperson may direct that an electronic link should be terminated where:

- (d) the quality of the link is no longer suitable.

12.14 Giving or showing a document

A person attending a meeting by audio or audio-visual link may give or show a document by:

- (a) transmitting it electronically;
- (b) using the audio-visual link; and
- (c) any other manner that the Chairperson thinks fit.

cl. 25(A) (6) Schedule 7, LGA 2002.

12.15 Link failure

Where an audio or audio visual link fails, or there are other technological issues that prevent a member who is attending by link from participating in a meeting, that member must be deemed to be no longer attending the meeting.

12.16 Confidentiality

A member who is attending a meeting by audio or audio-visual link must ensure that the meeting's proceedings remain confidential during any times that the public are excluded. At such times, the Chairperson may require the member to confirm that no unauthorised people are able to view or hear the proceedings.

13. Chairperson's role in meetings

If the Chairperson is absent from a meeting or vacates the chair, the deputy chair must act as Chairperson. If the deputy chair is also absent the community board members who are present must elect a member to be Chairperson at that meeting. This person may exercise the meeting responsibilities, duties and powers of the Chairperson.

18.9 Method of voting

The method of voting must be as follows:

- (a) the Chairperson in putting the motion must call for an expression of opinion on the voices or take a show of hands, the result of either of which, as announced by the Chairperson, must be conclusive unless such announcement is questioned immediately by any member, in which event the Chairperson will call a division;

- (b) the Chairperson or any member may call for a division instead of or after voting on the voices and/or taking a show of hands; and
- (c) where a suitable electronic voting system is available, that system may be used instead of a show of hands, vote by voices or division, and the result displayed notified to the Chairperson who must declare the result.

18.10 Calling for a division

When a division is called, the chief executive must record the names of the members voting for and against the motion and abstentions and provide the names to the Chairperson to declare the result. The result of the division must be entered into the minutes and include members' names and the way in which they voted.

The Chairperson may call a second division where there is confusion or error in the original division.

18.11 Request to have votes recorded

If, immediately following a vote a member requests it, the minutes must record the member's vote or abstention.

18.12 Members may abstain

Any member may abstain from voting.

19. Conduct

19.1 Calling to order

When the Chairperson calls members to order, they must be seated and stop speaking. If the members fail to do so, the Chairperson may direct that they should leave the meeting immediately for a specified time.

19.2 Disrespect

No member may speak or act in a manner which is disrespectful of other members or inconsistent with the community board's Code of Conduct at any meeting.

19.3 Retractions and apologies

In the event of a member or speaker who has been disrespectful of another member or contravened the council's Code of Conduct, the Chairperson may call upon that member or speaker to withdraw the offending comments, and may require them to apologise. If the member refuses to do so the Chairperson may direct that they should leave the meeting immediately for a specified time and/or make a complaint under the Code of Conduct.

19.4 Disorderly conduct

Where the conduct of a member is disorderly or is creating a disturbance the Chairperson may require that member to leave the meeting immediately for a specified time.

If the disorder continues the Chairperson may adjourn the meeting for a specified time. At the end of this time the meeting must resume and decide, without debate, whether the meeting should proceed or be adjourned.

The Chairperson may also adjourn the meeting if other people cause disorder or in the event of an emergency.

19.5 Contempt

Where a member is subject to repeated cautions for disorderly conduct by the Chairperson, the meeting may, should it so decide, resolve that the member is in contempt. Any such resolution must be recorded in the meeting's minutes.

19.6 Removal from meeting

A member of the police or authorised security personnel may, at the Chairperson's request, remove or exclude a member from a meeting.

This standing order will apply where the Chairperson has ruled that the member should leave the meeting and the member has refused or failed to do so; or has left the meeting and attempted to re-enter it without the Chairperson's permission.

19.7 Financial conflicts of interests

Every member present at a meeting must declare any direct or indirect financial interest that they hold in any matter being discussed at the meeting, other than an interest that they hold in common with the public.

No member may vote on, or take part in, a discussion about any matter in which they have a direct or indirect financial interest unless an exception set out in s.6 LAMIA applies to them, or the Auditor-General has granted them an exemption or declaration under s.6.

Members with a financial interest should physically withdraw themselves from the table unless the meeting is in public excluded in which case they should leave the room.

Neither the Chairperson nor the meeting may rule on whether a member has a financial interest in the matter being discussed. The minutes must record any declarations of financial interests and the member's abstention from any discussion and voting on the matter.

s. 6 & 7 LAMIA.

19.8 Non-financial conflicts of interests

Non-financial interests always involve questions of judgement and degree about whether the responsibility of a member of a community board could be affected by some other separate interest or duty of that member in relation to a particular matter. If a member considers that they have a non-financial conflict of interest in a matter they must not take part in the discussions about that matter or any subsequent vote.

The member must leave the table when the matter is considered, but does not need to leave the room. The minutes must record the declaration and member's subsequent abstention from discussion and voting.

Neither the Chairperson nor the meeting may rule on whether a member has a non-financial interest in the matter being discussed.

19.9 Qualified privilege for meeting proceedings

Any oral statement made at any meeting of the community board in accordance with the rules adopted by the community board for guiding its proceedings is privileged, unless the statement is proved to have been made with ill will or took improper advantage of the occasion of publication.

s. 53, LGOIMA.

19.10 Qualified privilege additional to any other provisions

The privilege referred to above is in addition to any other privilege, whether absolute or qualified, that applies as a result of any other enactment or rule of law applying to any meeting of the community board.

s. 53, LGOIMA.

19.11 Electronic devices at meetings

Electronic devices and phones can only be used to advance the business of a meeting. Personal use may only occur at the discretion of the chair. A Chairperson may require that an electronic device is switched off if its use is likely to distract a meeting from achieving its business or a member is found to be receiving information or advice from sources not present at the meeting which may affect the integrity of the proceedings.

19.12 Members to remain seated

Members are to remain seated unless making a point of order.

20. General rules of debate

20.1 Chairperson may exercise discretion

The application of any procedural matters in this section of the Standing Orders, such as the number of times a member may speak, is subject to the discretion of the Chairperson.

20.2 Time limits on speakers

The following time limits apply to members speaking at meetings:

- (a) movers of motions when speaking to the motion – not more than 10 minutes;
- (b) movers of motions when exercising their right of reply – not more than 5 minutes;
- (c) other members – not more than 5 minutes.

Time limits can be extended if a motion to that effect is moved, seconded and supported by a majority of members present.

20.3 Questions to staff

During a debate members can ask staff questions about the matters being discussed. Questions must be asked through the Chairperson and are at the Chairperson's discretion as to how the question should be dealt with.

20.4 Questions of clarification

At any point of a debate a member may ask the Chairperson for clarification about the nature and content of the motion which is the subject of the debate and the particular stage the debate has reached.

20.5 Members may speak only once

A member may not speak more than once to a motion at a meeting of a community board except with permission of the Chairperson.

20.6 Limits on number of speakers

If three speakers have spoken consecutively in support of, or in opposition to, a motion, the Chairperson may call for a speaker to the contrary. If there is no speaker to the contrary, the Chairperson must put the motion after the mover's right of reply.

Members speaking must, if requested by the Chairperson, announce whether they are speaking in support of or opposition to a motion.

20.7 Secunder may reserve speech

A member may second a motion or amendment without speaking to it, reserving the right to speak later in the debate.

20.8 Speaking only to relevant matters

Members may speak to any matter before the meeting; a motion or amendment which they propose; and to raise a point of order arising out of debate, but not otherwise. Members must confine their remarks strictly to the motion or amendment they are speaking to.

The Chairperson's rulings on any matters arising under this standing order are final and not open to challenge.

20.9 Restating motion

A member, at any time during a debate for their information, may ask that the Chairperson restate a motion and any amendments, but not so as to interrupt a speaker.

20.10 Criticism of resolutions

A member speaking in a debate may not unduly criticise the validity of any resolution except by a notice of motion to amend or revoke the resolution.

20.11 Objecting to words

When a member objects to any words used by another member in a speech and wants the minutes to record their objection, they must object at the time when the words are used and before any other member has spoken. The Chairperson must order the minutes to record the objection.

20.12 Right of reply

The mover of an original motion has a right of reply. A mover of an amendment to the original motion does not. In their reply, the mover must confine themselves to answering previous speakers and not introduce any new matters.

A mover's right of reply can only be used once. It can be exercised either at the end of the debate on the original, substantive or substituted motion or at the end of the debate on a proposed amendment.

However, the original mover may reserve their right of reply and speak once to an original motion and once to each amendment without losing that right of reply. If a closure motion is carried the mover of the motion has the right of reply before the motion or amendment is put to the vote.

20.13 No other member may speak

In exercising a right of reply, no other member may speak:

- (a) after the mover has started their reply;
- (b) after the mover has indicated that they want to forego this right;
- (c) where the mover has spoken to an amendment to the original motion and the Chairperson has indicated that he or she intends to put the motion.

20.14 Adjournment motions

The carrying of any motion to adjourn a meeting must supersede other business still remaining to be disposed of. Any such business must be considered at the next meeting. Business referred to, or referred back to, a specified committee or local or community board, is to be considered at the next ordinary meeting of that committee or board, unless otherwise specified.

20.15 Chairperson's acceptance of closure motions

The Chairperson may only accept a closure motion where there have been at least two speakers for and two speakers against the motion that is proposed to be closed, or the Chairperson considers it reasonable to do so.

However, the Chairperson must put a closure motion if there are no further speakers in the debate. When the meeting is debating an amendment, the closure motion relates to the amendment. If a closure motion is carried, the mover of the motion under debate has the right of reply after which the Chairperson puts the motion or amendment to the vote.

21. General procedures for speaking and moving motions

21.1 Options for speaking and moving

This subsection provides three options for speaking and moving motions and amendments at a meeting of a community board. Option A applies unless, on the recommendation of the chairperson at the beginning of a meeting, the meeting resolves [by simple majority] to adopt either Option B or Option C for the meeting generally, or for any specified items on the agenda.

21.2 Option A

- The mover and seconder of a motion cannot move or second an amendment. (This does not apply when the mover or seconder of a motion to adopt a report of a committee wants to amend an item in the report. In this case the original mover or seconder may also propose or second the suggested amendment).
- Only members who have not spoken to the original or substituted motion may move or second an amendment to it.
- The mover or seconder of an amendment whether it is carried or lost cannot move or second a subsequent amendment.
- Members can speak to any amendment and, provided they have not spoken to the motion or moved or seconded an amendment, they can move or second further amendments.
- The meeting by agreement of the majority of members present may amend a motion with the agreement of the mover and seconder.

21.3 Option B

- The mover and seconder of a motion cannot move or second an amendment. (This does not apply when the mover or seconder of a motion to adopt a report of a committee wants to amend an item in the report. In this case the original mover or seconder may also propose or second the suggested amendment).
- Any members, regardless of whether they have spoken to the original or substituted motion, may move or second an amendment to it.
- The mover or seconder of an amendment that is carried can move or second a subsequent amendment. A mover or seconder of an amendment which is lost cannot move or second a subsequent amendment.
- Members can speak to any amendment.
- The meeting by agreement of the majority of members present may amend a motion with the agreement of the mover and seconder

21.4 Option C

- The mover and seconder of a motion can move or second an amendment
- Any members, regardless of whether they have spoken to the original or substituted motion, may move or second an amendment to it.
- The mover or seconder of an amendment whether it is carried or lost can move or second further amendments.
- Members can speak to any amendment.
- The meeting by agreement of the majority of members present may amend a motion with the agreement of the mover and seconder.

21.5 Procedure if no resolution is reached

If no resolution is reached the Chair may accept a new motion to progress the matter under discussion.

21.6 Addressing the Chair in English or Māori

A member may address the chairperson in English or Māori, but a speaker making extensive use of Māori is to provide a translation at the end of the meeting.

22. Motions and amendments

22.1 Proposing and seconding motions

All motions and amendments moved during a debate must be seconded (including notices of motion). The Chairperson may then state the motion and propose it for discussion.

Amendments and motions that are not seconded are not in order and are not entered in the minutes.

22.2 Motions in writing

The Chairperson may require movers of motions and amendments to provide them in writing, signed by the mover.

22.3 Motions expressed in parts

The Chairperson, or any member, can require a motion that has been expressed in parts to be decided part by part.

22.4 Substituted motion

Where a motion is subject to an amendment, the meeting may substitute the motion with the amendment, provided the mover and seconder of the original motion agree to its withdrawal. All members may speak to the substituted motion.

22.5 Amendments to be relevant and not direct negatives

Every proposed amendment must be relevant to the motion under discussion. Proposed amendments cannot be similar to an amendment that has already been lost. Any amendment which, if carried, would have the effect of defeating a previous motion that was carried is a direct negative and is therefore not allowed.

22.6 Foreshadowed amendments

The meeting must dispose of an existing amendment before a new amendment can be foreshadowed. However, members may notify the Chairperson that they intend to move further amendments and the nature of their content.

22.7 Lost amendments

Where an amendment is lost, the meeting will resume the debate on the original or substituted motion. Any member who has not spoken to that motion may speak to it, and may move or second a further amendment.

22.8 Carried amendments

Where an amendment is carried the meeting will resume the debate on the original motion as amended. This will now be referred to as the substantive motion. Members who have not spoken to the original motion may speak to the substantive motion, and may move or second a further amendment to it.

22.9 Where a motion is lost

In a situation where a motion that recommends a course of action is lost a new motion to provide direction might be proposed, with the consent of the Chairperson.

22.10 Withdrawal of motions and amendments

Once a motion or amendment which has been seconded has been put to the meeting by the Chairperson the mover cannot withdraw it without the consent of the majority of the members who are present and voting.

The mover of an original motion, which has been subject to an amendment that has been moved and seconded, cannot withdraw the original motion until the amendment has either been lost or withdrawn by agreement, as above.

22.11 No speakers after reply or motion has been put

A member may not speak to any motion once:

- (a) the mover has started their right of reply in relation to the motion; and
- (b) the Chairperson has started putting the motion.

23. Revocation or alteration of resolutions

23.1 Member may move revocation of a decision

A member may give the chief executive a notice of motion for the revocation or alteration of all or part of a previous resolution of the council, subordinate body, local or community board. The notice must set out:

- (a) The resolution or part of the resolution which the member proposes to revoke or alter;
- (b) The meeting date when the resolution was passed;
- (c) The motion, if any, which the member proposes to replace it with; and
- (d) Sufficient information as to satisfy the decision-making provisions of sections 77-82 of the Local Government Act 2002.

If the mover of the notice of motion is unable to provide this information, or the decision is likely to be deemed a significant decision, the notice of motion should provide that the proposal is referred to the chief executive for consideration and report.

23.2 Revocation must be made by body responsible for the decision

If a resolution is made under delegated authority by a committee only that body may revoke or amend the resolution, assuming the resolution is legally made.

This provision does not prevent the body that made the delegation from removing or amending a delegation given to a subordinate body or local board or community board.

23.3 Requirement to give notice

A member must give notice to the chief executive at least 5 working days before the meeting at which it is proposed to consider such a motion and is to be signed by not less than one third of the members of the community board, including vacancies. Notice can be sent via email and include the scanned electronic signatures of members. If the notice of motion is lost, no similar notice of motion which is substantially the same in purpose and effect may be accepted within the next twelve months.

23.4 Restrictions on actions under the affected resolution

Once a notice of motion to revoke or alter a previous resolution has been received no irreversible action may be taken under the resolution in question until the proposed notice of motion has been dealt with. Exceptions apply where, in the opinion of the Chairperson:

- (a) the practical effect of delaying actions under the resolution would be the same as if the resolution had been revoked;
- (b) by reason of repetitive notices, the effect of the notice is an attempt by a minority to frustrate the will of the community board or the committee that made the previous resolution.

In either of these situations, action may be taken under the resolution as though no notice of motion had been given to the chief executive.

23.5 Revocation or alteration by resolution at same meeting

A meeting may revoke or alter a previous resolution made at the same meeting where, during the course of the meeting, it receives fresh facts or information concerning the resolution. In this situation, 75 per cent of the members present and voting must agree to the revocation or alteration.

23.6 Revocation or alteration by recommendation in report

A community board may, on a recommendation in a report by the Chairperson or chief executive, or the report of any committee or subcommittee, revoke or alter all or part of a resolution passed by a previous meeting. The chief executive must give at least two clear working days' notice of any meeting that will consider such a revocation or alteration recommendation.

cl. 30(6) Schedule 7, LGA 2002.

24. Procedural motions

24.1 Procedural motions must be taken immediately

A procedural motion to close or adjourn a debate will take precedence over other business, other than points of order and rights of reply. If the procedural motion is seconded the Chairperson must put it to the vote immediately, without discussion or debate.

24.2 Procedural motions to close or adjourn a debate

Any member who has not spoken on the matter under debate may move any one of the following procedural motions to close or adjourn a debate:

- (a) that the meeting be adjourned to the next ordinary meeting (unless the member states an alternative time and place);
- (b) that the motion under debate should now be put (a closure motion);
- (c) that the item being discussed should be adjourned to a specified time and place and not be further discussed at the meeting;
- (d) that the item of business being discussed should lie on the table and not be further discussed at this meeting;
- (e) that the item being discussed should be referred (or referred back) to the relevant committee.

A member seeking to move a procedural motion must not interrupt another member who is already speaking.

24.3 Voting on procedural motions

Procedural motions to close or adjourn debate must be decided by a majority of all members who are present and voting. If the motion is lost, no member may move a further procedural motion to close or adjourn the debate within the next 15 minutes.

24.4 Debate on adjourned items

When debate resumes on items of business that have been previously adjourned all members are entitled to speak on the items.

24.5 Remaining business at adjourned meetings

Where a resolution is made to adjourn a meeting, the remaining business will be considered at the next meeting.

24.6 Business referred to a committee

Where an item of business is referred (or referred back) to a committee the committee will consider it at its next meeting, unless the meeting resolves otherwise.

24.7 Other types of procedural motions

The Chairperson has discretion about whether to allow any other procedural motion that is not contained in these standing orders.

25. Points of order

25.1 Members may raise points of order

Any member may raise a point of order when they believe these standing orders have been breached. When a point of order is raised, the member who was previously speaking must stop speaking and sit down (if standing).

25.2 Subjects for points of order

A member who is raising a point of order must state precisely what its subject is. Points of order may be raised for the following subjects:

- (a) disorder – bringing disorder to the attention of the Chairperson;
- (b) language – use of disrespectful, offensive or malicious language;
- (c) irrelevance – the topic being discussed is not the matter currently before the meeting;
- (d) misrepresentation – misrepresentation of any statement made by a member or by an officer or council employee;
- (e) breach of standing order – the breach of any standing order while also specifying which standing order is subject to the breach;
- (f) request the recording of words, such as a request that the minutes record words that have been the subject of an objection.

25.3 Contradictions

Expressing a difference of opinion or contradicting a statement by a previous speaker does not constitute a point of order.

25.4 Point of order during division

A member may not raise a point of order during a division, except with the permission of the Chairperson.

25.5 Chairperson's decision on points of order

The Chairperson may decide a point of order immediately after it has been raised, or may choose to hear further argument about the point before deciding. The Chairperson's ruling on any point of order, and any explanation of that ruling, is not open to any discussion and is final.

26. Notices of motion

26.1 Notice of intended motion to be in writing

Notice of intended motions must be in writing signed by the mover, stating the meeting at which it is proposed that the intended motion be considered, and must be delivered to the chief executive at least 5 clear working days before such meeting. [Notice of an intended motion can be sent via email and include the scanned electronic signature of the mover.]

Once the motion is received the chief executive must give members notice in writing of the intended motion at least 2 clear working days' notice of the date of the meeting at which it will be considered.

26.2 Refusal of notice of motion

The Chairperson may direct the chief executive to refuse to accept any notice of motion which:

- (a) is disrespectful or which contains offensive language or statements made with malice; or
- (b) is not related to the role or functions of the community board or meeting concerned; or
- (c) contains an ambiguity or a statement of fact or opinion which cannot properly form part of an effective resolution, and where the mover has declined to comply with such requirements as the chief executive officer may make; or
- (d) is concerned with matters which are already the subject of reports or recommendations from a committee to the meeting concerned
- (e) fails to include sufficient information as to satisfy the decision-making provisions of s.77-82 of the LGA 2002; or
- (f) concerns a matter where decision-making authority has been delegated to a committee or subcommittee.

Reasons for refusing a notice of motion should be provided to the mover. Where the refusal is due to (f) the notice of motion may be referred to the appropriate committee or board.

26.3 Mover of notice of motion

Notices of motion may not proceed in the absence of the mover unless moved by another member authorised to do so, in writing, by the mover.

26.4 Alteration of notice of motion

Only the mover, at the time the notice of motion is moved and with the agreement of a majority of those present at the meeting, may alter a proposed notice of motion. Once moved and seconded no amendments may be made to a Notice of Motion.

26.5 When notices of motion lapses

Notices of motion that are not put when called by the Chairperson must lapse.

26.6 Referral of notices of motion

Any notice of motion received that refers to a matter ordinarily dealt with by a committee of the community board must be referred to that committee by the chief executive.

Where notices are referred the proposer of the intended motion, if not a member of that committee, must have the right to move that motion and have the right of reply, as if a committee member.

26.7 Repeat notices of motion

When a motion has been considered and rejected by the community board, no similar notice of motion which, in the opinion of the Chairperson, may be accepted within the next 12 months, unless signed by not less than one third of all members, including vacancies.

Where a notice of motion has been adopted by the communities board no other notice of motion which, in the opinion of the Chairperson has the same effect, may be put while the original motion stands.

27. Minutes

27.1 Minutes to be evidence of proceedings

The community board and any committees and subcommittees must keep minutes of their proceedings. These minutes must be kept in hard copy, signed and included in the council's minute book and, when confirmed by resolution at a subsequent meeting and signed by the Chairperson, will be prima facie evidence of the proceedings they relate to.

cl. 28 Schedule 7, LGA 2002.

27.2 Matters recorded in minutes¹

The chief executive must keep the minutes of meetings. The minutes must record:

- (a) the date, time and venue of the meeting
- (b) the names of the members present
- (c) the Chairperson
- (d) any apologies or leaves of absences
- (e) the arrival and departure times of members
- (f) any failure of a quorum
- (g) a list of any external speakers and the topics they addressed
- (h) a list of the items considered
- (i) the resolutions and amendments related to those items including those that were lost, provided they had been moved and seconded in accordance with these standing orders
- (j) the names of all movers, and seconders
- (k) any objections made to words used
- (l) all divisions taken and, if taken, a record of each members' vote
- (m) the names of any members requesting that votes or abstentions be recorded
- (n) any declarations of financial interest or conflicts of interest
- (o) the contempt, censure and removal of any members
- (p) any resolutions to exclude members of the public
- (q) the time at which the meeting concludes or adjourns
- (r) the names of people permitted to stay in public excluded.

Please Note: hearings under the RMA, Dog Control Act 1996 and Sale and Supply of Alcohol Act 2012 may have special requirements for minute taking.

¹ See Appendix 11.

27.3 No discussion on minutes

The only topic that may be discussed at a subsequent meeting, with respect to the minutes, is their correctness.

27.4 Minutes of last meeting before election

The chief executive and the relevant Chairpersons must sign the minutes of the last meeting of the community board and its committees or subcommittees before the next election of members.

28. Minute books

28.1 Inspection

A hard copy of the community board's minute books must be kept by the chief executive and be open for inspection by the public. This does not preclude the complementary use of electronic minutes in accordance with the Electronics Transactions Act.

s. 51 LGOIMA.

28.2 Inspection of public excluded matters

The chief executive must consider any request for the minutes of a meeting or part of a meeting from which the public was excluded as a request for official information in terms of the Local Government Official Information and Meetings Act 1987.

Appendix 1: Grounds to exclude the public

A community board may, by resolution, exclude the public from the whole or any part of the proceedings of any meeting only on one or more of the following grounds:

- A1** That good reason exists for excluding the public from the whole or any part of the proceedings of any meeting as the public disclosure of information would be likely:
- (a) to prejudice the maintenance of the law, including the prevention, investigation, and detection of offences, and the right to a fair trial; or
 - (b) to endanger the safety of any person.
- A2** That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information where the withholding of the information is necessary to:
- (a) Protect the privacy of natural persons, including that of deceased natural persons; or
 - (b) Protect information where the making available of the information would:
 - i. disclose a trade secret; or
 - ii. be likely unreasonably to prejudice the commercial position of the person who supplied or who is the subject of the information; or
 - (c) In the case only of an application for a resource consent, or water conservation order, or a requirement for a designation or heritage order, under the Resource Management Act 1991, to avoid serious offence to tikanga Maori, or to avoid the disclosure of the location of waahi tapu; or
 - (d) Protect information which is subject to an obligation of confidence or which any person has been or could be compelled to provide under the authority of any enactment, where the making available of the information would:
 - i. be likely to prejudice the supply of similar information, or information from the same source, and it is in the public interest that such information should continue to be supplied; or
 - ii. be likely otherwise to damage the public interest; or
 - (e) Avoid prejudice to measures protecting the health or safety of members of the public; or
 - (f) Avoid prejudice to measures that prevent or mitigate material loss to members of the public; or
 - (g) Maintain the effective conduct of public affairs through –the protection of such members, officers, employees, and persons from improper pressure or harassment; or
 - (h) Maintain legal professional privilege; or
 - (i) Enable any Council holding the information to carry out, without prejudice or disadvantage, commercial activities; or
 - (j) Enable any Council holding the information to carry on, without prejudice or disadvantage, negotiations (including commercial and industrial negotiations); or

- (k) Prevent the disclosure or use of official information for improper gain or improper advantage.

Provided that where A2 of this Appendix applies the public may be excluded unless, in the circumstances of the particular case, the exclusion of the public is outweighed by other considerations which render it desirable, in the public interest, that the public not be excluded.

- A3 That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information, the public disclosure of which would:
 - (a) Be contrary to the provisions of a specified enactment; or
 - (b) Constitute contempt of Court or of the House of Representatives.
- A4 That the purpose of the whole or the relevant part of the proceedings of the meeting is to consider a recommendation made to that Council by an Ombudsman under section 30(1) or section 38(3) of this Act (in the case of a Council named or specified in Schedule 1 to this Act).
- A5 That the exclusion of the public from the whole or the relevant part of the proceedings of the meeting is necessary to enable the Council to deliberate in private on its decision or recommendation in:
 - (a) Any proceedings before a Council where
 - i. A right of appeal lies to any Court or tribunal against the final decision of the Council in those proceedings; or
 - ii. The Council is required, by any enactment, to make a recommendation in respect of the matter that is the subject of those proceedings; and

Appendix 2: Sample resolution to exclude the public

THAT the public be excluded from the following parts of the proceedings of this meeting, namely:

- *Name of report(s)*

The general subject of each matter to be considered while the public is excluded, the reason for passing this resolution in relation to each matter, and the specific grounds under section 48(1) of the Local Government Official Information and Meetings Act 1987 for the passing of this resolution are as follows:

The provisions are intended as a good practice guide to local authorities that are webcasting meetings or planning to do so.

1. The default shot will be on the Chairperson or a wide-angle shot of the meeting room.
2. Cameras will cover a member who is addressing the meeting. Cameras will also cover other key participants in a meeting, including staff when giving advice and members of the public when addressing the meeting during the public input time.
3. Generally interjections from other members or the public are not covered. However if the Chairperson engages with the interjector, the interjector's reaction can be filmed.
4. PowerPoint presentations, recording of votes by division and other matters displayed by overhead projector may be shown.
5. Shots unrelated to the proceedings, or not in the public interest, are not permitted.
6. If there is general disorder or a disturbance from the public gallery, coverage will revert to the Chairperson.
7. Appropriate signage will be displayed both in and outside the meeting room alerting people that the proceedings are being web cast.

Appendix 6: Powers of a Chairperson

This Appendix sets out the specific powers given to the Chairperson contained in various parts of these Standing Orders.

Chairperson to decide all questions

The Chairperson is to decide all questions where these standing orders make no provision or insufficient provision. The Chairperson's ruling is final and not open to debate.

Chairperson to decide points of order

The Chairperson is to decide any point of order and may do so immediately after it has been raised or may first hear further argument before deciding. The ruling of the Chairperson upon any point of order is not open to any discussion and is final. No point of order may be raised during a division except by permission of the Chairperson.

Items not on the agenda

Major items not on the agenda may be dealt with at that meeting if so resolved by the community board and the Chairperson explains at the meeting at a time when it is open to the public the reason why the item was not listed on the agenda and the reason why discussion of the item cannot be delayed until a subsequent meeting.

Minor matters not on the agenda relating to the general business of the community board may be discussed if the Chairperson explains at the beginning of the meeting, at a time when it is open to the public, that the item will be discussed at that meeting, but no resolution, decision or recommendation may be made in respect of that item except to refer it to a subsequent meeting.

Chairperson's report

The Chairperson, by report, has the right to direct the attention of the community board to any matter or subject within the role or function of the community board.

Chairperson's recommendation

The Chairperson of any meeting may include on the agenda for that meeting a Chairperson's recommendation regarding any item brought before the meeting. The purpose of such a recommendation is to focus debate on a suggested motion.

Chairperson's voting

The Chairperson at any meeting has a deliberative vote and, in the case of equality of votes, has a casting vote where standing orders make such provision.

Motion in writing

The Chairperson may require the mover of any motion or amendment to submit it in writing signed by the mover.

Motion in parts

The Chairperson may require any motion expressed in parts to be decided part by part.

Notice of motion

The Chairperson may direct the chief executive to refuse to accept any notice of motion which:

- (a) Is disrespectful or which contains offensive language or statements made with malice; or
- (b) Is not within the scope of the role or functions of the community board; or
- (c) Contains an ambiguity or statement of fact or opinion which cannot properly form part of an effective resolution, and the mover has declined to comply with such requirements as the chief executive may have made; or
- (d) Is concerned with matters which are already the subject of reports or recommendations from a committee to the meeting concerned.

Reasons for refusing a notice of motion should be provided to the proposer.

Where a notice of motion has been considered and agreed by the community board, no notice of any other motion which is, in the opinion of the Chairperson, to the same effect may be put again whilst such original motion stands.

Action on previous resolutions

If, in the opinion of the Chairperson the practical effect of a delay in taking action on a resolution which is subject to a notice of motion, would be equivalent to revocation of the resolution; or if repetitive notices of motion are considered by the Chairperson to be an attempt by a minority to frustrate the will of the meeting, action may be taken as though no such notice of motion had been given.

Repeat notice of motion

If in the opinion of the Chairperson, a notice of motion is substantially the same in purport and effect to any previous notice of motion which has been considered and rejected by the community board, no such notice of motion may be accepted within six months of consideration of the first notice of motion unless signed by not less than one third of the members of the community board, including vacancies.

Revocation or alteration of previous resolution

A Chairperson may recommend in a report to the community board the revocation or alteration of all or part of any resolution previously passed. In responding to the Chairperson's recommendation the meeting must act in accordance with these standing orders.

Chairperson may call a meeting

The Chairperson:

- (a) May call a meeting to dispose of the business to be transacted following the lapsing of a meeting due to failure of a quorum, if such business cannot be delayed until the next meeting;
- (b) May requisition an extra meeting to be held at a specified time and place, in order to conduct specified business.

Irrelevant matter and needless repetition

The Chairperson's ruling preventing members when speaking to any motion or amendment from introducing irrelevant matters or indulging in needless repetition is final and not open to challenge.

Taking down words

The Chairperson may order words used and objected to by any member, to be recorded in the minutes, provided such objection is made at the time the words are used and not after any other members have spoken.

Explanations

The Chairperson may permit members to make a personal explanation in addition to speaking to a motion, and members who have already spoken, to explain some material part of a previous speech in the same debate.

Chairperson rising

Whenever the Chairperson rises during a debate any member then speaking or offering to speak is to be seated and members are to be silent so that the Chairperson may be heard without interruption.

Members may leave places

The Chairperson may permit members to leave their place while speaking.

Priority of speakers

The Chairperson must determine the order in which members may speak when two or more members indicate their wish to speak.

Minutes

The Chairperson is to sign the minutes and proceedings of every meeting once confirmed. The Chairperson and chief executive are responsible for confirming the correctness of the minutes of the last meeting of a community board prior to the next election of members.

Questions of speakers

The Chairperson may permit members to ask questions of speakers under public forum or deputations/presentations by appointment, for the purpose of obtaining information or clarification on matters raised by the speaker.

Withdrawal of offensive or malicious expressions

The Chairperson may call upon any member to withdraw any offensive or malicious expression and may require the member to apologise for the expression.

Any member who refuses to withdraw the expression or apologise, if required by the Chairperson, can be directed to withdraw from the meeting for a time specified by the Chairperson.

Failure to leave meeting

If a member or member of the public who is required, in accordance with a Chairperson's ruling, to leave the meeting, refuses or fails to do so, or having left the meeting, attempts to re-enter without the permission of the Chairperson, any member of the police or officer or employee of the community board may, at the Chairperson's request, remove or exclude that person from the meeting.

Audio or audio visual attendance

Where the technology is available and a member is attending a meeting by audio or audio-visual link, the Chairperson must ensure that:

- (a) the technology for the link is available and of suitable quality
- (b) procedures for using the technology in the meeting will ensure that:
 - i. everyone participating in the meeting can hear each other
 - ii. the member's attendance by audio or audio-visual link does not reduce their accountability or accessibility in relation to the meeting
 - iii. the requirements of Part 7 of LGOIMA are met
 - iv. the requirements in these standing orders are met.

If the Chairperson is attending by audio or audio visual link then chairing duties will undertaken by the deputy chair or a member who is physically present

To: Rātana Community Board

From: Rob Smith, Project Engineer – Utilities

Date: 2 February 2017

File: 5-CM-1-C975

1 General

- 1.1 Below are bullet points providing an update on progress for each of the key work elements of the Rātana Water Treatment Plant.

2 Building Construction

- 2.1 Construction of the building is 95% complete with only minor interior works required.

3 Treatment Process

- 3.1 Installation of the water treatment process equipment is currently underway with an expected completion date of 24th of February.

4 Ministry of Health Subsidy

- 4.1 An application for an extension of time was made to and accepted by Ministry of Health, extending the time until completion to the end of April 2017.

5 Reservoir Construction

- 5.1 The reservoir is complete and has been tested. The minor leak in the floor of the reservoir resulting from an anchor bolt hole has been repaired and the tank made water tight.

6 Bore

- 6.1 The bore construction/installation is complete with the exception of the new power supply, see below.

- 6.2 A generator was used to fill the tank for testing for water tightness, and it was noted that the bore functioned as designed.

7 Power Supply

- 7.1 Easement documentation was sent to Mr and Mrs Law, and followed up with a visit. Mr Law objected to the easement and did not sign.
- 7.2 Alternate arrangements were made to bring the power from Ratana township down through the road reserve to avoid the need for easements. Although the additional distance is close to 500m the cost is minor due to savings made not requiring legal and surveying costs required for an easement.
- 7.3 Powerco are expected to start work on the power supply within the next couple of weeks.

Subject: Grants and Funding overview 2017

File: 3-GF-3-1

Overview

There are five different Grants and Funds open to the public, with different funding rounds throughout the year. Full information about these schemes can be found on the Council website: <https://www.rangitikei.govt.nz/district/community/grants-funding>

Creative Community Scheme

This fund is supplied by Creative NZ and administered by the RDC. Members of the public are nominated to the committee, and are joined by a Councillor and the Mayor. Committee terms are for three years, with the latest term beginning in November 2016.

Applications are encouraged from community groups and individuals whose projects demonstrate growth over time, develop and support local artistic communities, and that encourage a transfer of artistic skills. Diversity, inclusion, and projects with a youth focus are also encouraged. *An example is workshops teaching kids screen-printing techniques to create posters for display.*

There are two funding rounds per year, usually opening in March and October.

Sport NZ Rural Travel Fund

This fund is supplied by Sport NZ and administered by the RDC. The Committee is made up of two Councillors and the Mayor.

The fund was developed in response to concerns raised about the lack of participation in sport by young people living in rural communities. It is targeted at young people aged between 5 and 19 years, and is open to all rural sports clubs with eligible members who require subsidies

to assist with transport expenses to local sporting competitions. *An example is Hunterville Children's Saturday Morning Sports Club.*

There is one funding round per year, usually opening in March.

Community Initiatives Fund

This is an RDC fund intended to support community-based projects in the Rangitikei district that develop community cohesion and community resilience. The fund is awarded by the Finance / Performance Committee.

Applications are open to groups (not individuals) that show benefit in one of the following areas: community service and support, leisure promotion, and heritage and environment. Applications are open to local groups as well as those from outside the Rangitikei, however, clear benefit to the Rangitikei must be demonstrated. *An example is a community support group for diabetes sufferers.*

There are two funding rounds per year, usually opening in July and November.

Events Sponsorship Scheme

This is a Council fund intended to support events in the district that help to develop community cohesion and reinforce economic growth. The fund is awarded by the Finance / Performance Committee. There is a maximum cap of 50% of eligible costs that can be funded.

There are three main categories of events: high profile, community, or high profile community events. Applications are open to groups (not individuals) whose events take place within the Rangitikei, and that aren't funded by the RDC ratepayers through other means. The impact of high profile events on the local economy will be measured and reported upon. *An example is the Marton Country Music Festival.*

There are two funding rounds per year, usually opening in July and November.

Parks Upgrades Partnership Fund

This is a Council fund and is the only fund that is available for capital purchases. The fund is awarded by the Assets / Infrastructure Committee and is open year-round. The Council provides up to 33% in cash of the value – in cash or in kind - of the contribution from the community.

The fund aims to encourage partnerships with community groups to develop facilities for recreation and leisure. Focus is on community-led, small-scale projects which create, replace or improve local assets. *An example is the purchase and installation of irrigation equipment for a community garden.*

Funding is open year-round.
