23	Late Items.....	8	
24	Future Items for the Agenda.....	8	
25	Next meeting.....	8	
26	Whakamoemiti/Meeting Closed	8	

The quorum for the Ratana Community Board is 3.

Council's Standing Orders (adopted 3 November 2016) 10.2 provide: The quorum for Council committees and sub-committees is as for Council, ie half the number of members if the number of members (including vacancies) is even or a majority if the number of members is odd.

1 Whakamoemiti

2 Public Forum

3 Apologies

4 Members' Conflict of Interest

Members are reminded of their obligation to declare any conflicts of interest they might have in respect of items on this agenda.

5 Confirmation of Order of Business and Late Items

That, taking into account the explanation provided why the item is not on the meeting agenda and why the discussion of the item cannot be delayed until a subsequent meeting, be dealt with as a late item at this meeting.

6 Confirmation of Minutes

The Minutes from 13 February 2018 are attached.

File ref: 3-CB-1-1

Recommendation

That the Minutes of the Ratana Community Board meeting held on 13 February 2018 be taken as read and verified as an accurate and correct record of the meeting.

7 Chair's report

A report will be provided at the meeting.

8 Ratana centenary

A presentation will be given to the Komiti by the Centennial Celebration Committee.

9 Council decisions on recommendations from the Board

There were no recommendations made to Council.

10 Council response to queries raised at previous meetings

There were no queries raised at the previous meeting.

11 Update from Te Roopu Ahi Kaa

A verbal update from the Te Roopu Ahi Kaa meeting held on 10 April 2018 will be given by Mr Charlie Mete.

12 Update on water supply upgrade

Key points discussed:

- Cost of a new location includes \$1,000 per metre to drill – i.e. a 200 metre bore would incur a \$200,000 cost.
- The \$18,500 Hydrocyclone installation process is underway and expected to deliver the outcome needed. Mr Voss is completing investigations on Plan B should the current bore become unviable.
- It was requested that the community remains informed on any potential time extension to the completion of the fully functioning bore.
- Discussion with the landowner (by the Mayor and the Chair of Assets/Infrastructure Committee) of legalising access to the site is ongoing.

The Ratana Water Supply Newsletter dated March 2018 is attached.

File ref: 5-CM-1C975

Recommendation:

That the 'Ratana Water Supply Upgrade Newsletter' be received.

13 Update on wastewater treatment plant (and meetings of reference advisory group)

To be tabled.

14 Future Ratana Playground

The RDC has agreed to be the umbrella organisation for this project.

15 Other matters raised at previous meeting

Ratana Road – renaming decision

The chair will advise the outcome, following further discussions with the Church Executive.

Tractor damage from mowing wet grounds.

A number of phone calls were held with Charlie Mete to discuss the damage caused by spring mowing of the rugby field. Athol Sanson gave Charlie the contact number of New Zealand Sports Turf Renovators to arrange for a quotation for the repair of the grounds. Charlie also found a local contractor to price the repair of the grounds at a reduced rate. It was agreed

that Charlie seek funding for the repair of the grounds and apply for partial funding through the RDC Parks Partnership Upgrade Fund.

On the 1st March we received an email from John Kaa Ratana Premier Rugby Manager outlining the damage caused by mowing to the rugby field and seeking an alternative venue to hold the clubs seasons games. After consultation with Marton rugby it was agreed that Ratana play the first half of the season at Marton Park with a review of the grounds at the completion of the first round. If the grounds were still looking good at that stage Ratana would be allowed to finish the season playing on Marton Park.

Ownership of the Fire station

On 15 January 2009 the NZFS relinquished its lease of the land, on the basis the building and improvements reverted to the Rangitikei District Council as owner of the land.

At some stage in 2009, the community sought transfer of the land and improvements, being the OFS site only, back to the Ratana Community Board. That required survey and subdivision and possibly some extra work around resource consenting.

The possibility of transfer-back did not progress, despite clear commitment from RDC to facilitate that. There have been no further developments recorded.

Advertising of Ratana Community Board meetings

Two posters have been designed and delivered for display in both shops in the Paa listing all Board meetings for the year and make it clear these were open to the public. This was unfortunately done before the change of time and venue for this current meeting.

16 Cemetery register alignment

Council's records show two burials, Alan Sonny Boy HURINUI (Friday 23rd January) PLOT 149 ROW 6 and Candice POTAUA (Friday 23rd January) PLOT 51 ROW 2 since the Board's last meeting. This has yet to be confirmed.

17 Request for Service

If a member of the public or committee/board wishes to inform the council of any issues they need help with, want to give us feedback on, think needs our attention or would like to know more about, these requests should be made via a 'fix-it' form. This can be found on the Rangitikei District Website, and is available to be downloaded, or completed electronically. Or they can call 0800 422 522.

Going forward the minute taker of the meeting will provide these forms for anyone wanting to raise a request, and will hand it in to the council the following day for action.

Examples of issues raised recently, include:

Potholes, graffiti, rubbish collection, roaming animals, leaks on the water line, roads needing grading, noise complaints, and public toilet repairs.

18 Ultra-Fast Broadband schedule

Chorus has provided Council with an update on the timings for the fibre roll out throughout the country. Ratana has been scheduled for UFB2+ for 2019. A letter and map are attached.

Recommendation:

That the letter 'UFB2 Schedule Rangitikei' and Ratana map be received.

19 Simultaneous Consultation – alongside “Unfolding the plan – Rangitikei 2018/2028”

Council is also consulting on the following documents during the same period as the consultation “Unfolding the plan – Rangitikei 2018/2028”

- Draft Waste Management and Minimisation Plan
- Draft Significance and Engagement Policy
- Draft Rates Remission on Maori Freehold Land Policy
- Draft Revenue and Financing Policy
- Proposed Schedule of Fees and Charges 2018/19
- Proposed Policy on Development Contributions

The Statement of Proposal, Summary of Information and the submission forms are available on Council's website, or from its service centres in Bulls, Marton and Taihape.

20 Representation Review – Pre-consultation

During 2018 Council must consider its representation arrangements for how councillors are elected. This process is important for ensuring electoral arrangements are fair, and contribute to a transparent democratic process. Key decisions Council needs to make include the number of elected members, whether to have Community Boards, and ward structure. Council will be undertaking pre-consultation with the community from late-April through to late-May on the following issues:

- The structure of wards within the District – whether to retain an amended status quo, or if an alternative option could provide communities with more effective representation.
- Whether to retain the community boards for Taihape and Ratana.

The Policy/Planning Committee has been delegated the authority to approve the pre-consultation survey at their 12 April 2018 meeting. After this meeting Committee members will be provided with further information on the pre-consultation survey. The Community Committee members are asked use their networks to inform their communities of this consultation.

The process moving forward is as follows:

- Pre-consultation on the two options for wards throughout the District and whether to retain the Taihape and Ratana Community Boards.
- Council will consider the pre-consultation and develop a proposal.
- This proposal will be publicly notified – with the chance for the community to submit.

- Council will consider whether to make any changes based on the submissions received.
- The final proposal will be publicly notified by Council.
- The community may be able to put in an objection/appeal to the Local Government Commission to consider.

21 Long Term Plan consultation

The Long Term Plan is an important document which sets out the issues the District faces over the next 10 years, what services Council is planning on providing and where rates are spent. Council is consulting on the Consultation Document for the Long Term Plan between 4 April and 4 May 2018. His Worship the Mayor will be holding a public meeting in the prior to the Ratana Community Board meeting on 10 April 2018 from 6.15pm to talk through the Consultation Document.

The Committee is encouraged to put in a written submission on key issues affecting the community. The community is encouraged to comment on three key issues:

- Rubbish and recycling services in the District's urban areas – Ratana, Koitiata, Scotts Ferry, Bulls, Marton, Taihape and Mangaweka
- Economic development
- Voluntary targeted rate for ceiling and underfloor insulation

Nevertheless the community is able to comment on the other projects Council is involved with provided in the 'What else is happening?' section of the document, or any other issues they want to raise with Council.

Key points of an effective submission include:

- Identify the key points of what you want to achieve.
- Do you support or oppose the proposal? Why?
- Give supporting evidence.
- Keep your argument relevant to the issue.
- Be brief.
- Indicate whether you wish to speak to your submission at the oral hearing.

The Consultation Document will be tabled at the meeting, but Committee members will be advised of where the document is found on the website when it is available.

Recommendations:

- 1 That the 'Consultation Document for the Long Term Plan 2018-28' be received.
- 2 That the Ratana Community Board nominate *[insert names of Board members]* to put in a submission to the Consultation Document for the Long Term Plan 2018-28 on behalf of the Ratana Community Board.

22 Current infrastructure projects/upgrades and other Council activities within the ward

A report is attached.

File ref: 3-CB-1-1

Recommendation:

That the memorandum 'Extract for Ratana from activity reports to Assets/Infrastructure Committee, Jan-Feb 2018' be received.

23 Late Items

As accepted in Item 5.

24 Future Items for the Agenda

25 Next meeting

12 June 2018, 6.30 pm

Mr Thomas Tataurangi

In attendance Mr Ross McNeil, Chief Executive
Jason Hihera
Kevin

1 Whakamoemiti

Mr Tataurangi provided the opening Karakia. The meeting commenced at 6.35pm

2 Public Forum

3 Apologies

That the apologies for the absence of Ms Maata Kare Thompson, His Worship the Mayor and Cr Peke Mason be received.

Mr Mete / Mr Tataurangi. Carried

4 Members' Conflict of Interest

There were no conflicts of interest declared.

5 Confirmation of Order of Business and Late Items

There was no scheduled change to the order of business.

6 Confirmation of Minutes

Resolved minute number	18/RCB/001	File Ref	3-CB-1-1
-------------------------------	-------------------	-----------------	-----------------

That the Minutes of the Ratana Community Board meeting held on 12 December 2017 be taken as read and verified as an accurate and correct record of the meeting

Mr Tataurangi / Mr Rourangi. Carried

7 Chair's report

Mr Mete provided a verbal report to the Board with the following highlights:

The sports field has been subject to tractor wheel damage when mowed wet resulting in an inability to use it and major work required to repair. The possibility of Council funding was raised.

The Playground draft plan includes extension of the basketball court.

Questions were raised as to whether the approval process for road closure during the upcoming Kapa Haka festival have been followed.

Upgrade of the Kaumatua flats to provide additional exit and entry

The ownership of the Fire station was queried.

Make poster (for display in both shops in the Paa) which listed all Board meetings for the year and make it clear these were open to the public.

Resolved minute number

18/RCB/002

File Ref

That the Chair's report to the Ratana Community Board on 13 February 2018 be received.

Mr Mete / Mr Tataurangi. Carried

8 Council decisions on recommendations from the Board

There were no recommendations made to Council.

9 Council response to queries raised at previous meetings

Additional work on road side drain along Ratana Road – The additional drainage work that the Ratana Community Board has identified was not on Council's original drainage programme. A large drainage programme was identified and was completed. This additional site has been scoped by staff and will be added to this year's drainage programme.

10 Update from Te Roopu Ahi Kaa

A verbal update from the Te Roopu Ahi Kaa meeting held on 13 February was given by Mr Charlie Mete.

11 Update on water supply upgrade

Mr McNeil provided a verbal update to members. A written update was circulated to members post meeting.

12 Update on wastewater treatment plant (and meetings of reference advisory group)

Mr McNeil provided a verbal update to members. A written update was circulated to members post meeting.

13 Future Ratana Playground

A verbal update was provided to the Board outlining the intent to extend the basketball court from a half court to a full. Mr Mete is to clarify plans with Cr Peke Mason.

14 Other matters raised at previous meeting

Iwi Liaison Officer

Mr McNeil provided an overview of the role and process.

Ratana Road – renaming decision

The Chair advised that this item is on the agenda for Sunday's meeting with the Church Executive.

15 Cemetery register alignment

Council's records show two burials, Camelia SAVAGE (Friday 12th January) PLOT 260 ROW 12 and Emanouil Manolis PSAROUDAKIS (Monday 22nd January) PLOT 175 ROW 7 since the Board's last meeting. This was confirmed by Mr Mete at the meeting.

A further two burials have since taken place and there is still an issue with communication and records being updated at Council.

An offer for a steel box to cover the lock at the urupa gate was made by Mr Hihera.

16 Increased Delegations

Following the recommendation from the Board's December 2017 meeting, Council resolved to give the Ratana Community Board the following delegations, subject to review in 12 months:

Community Initiatives Fund - consideration of applications from the Ratana community. The proposed funding is for \$1,000

17 Traffic and parking bylaw- Council decisions on local requirements

Council has resolved not to make any amendments to the parking restrictions in Ratana, following feedback from the Board.

18 Current infrastructure projects/upgrades and other Council activities within the ward

Resolved minute number

18/RCB/

File Ref

3-CB-1-1

That the memorandum 'Extract for Ratana from activity reports to Assets/Infrastructure Committee, Nov-Dec 2017' be received.

Mr Rourangi / Mr Tataurangi. Carried

19 Information on Creative Communities and Rural Travel Fund grants

Resolved minute number

18/RCB/

File Ref

That the information pack 'Grants update February 2018' be received.

Mr Tataurangi / Mr Mete. Carried

20 Late Items

Nil

21 Future Items for the Agenda

Centennial Celebration Committee to give a presentation to the Board at its April meeting.

Urupa extension process / timeframe

22 Next meeting

10 April 2018, 6.30 pm

23 Whakamoemiti/Meeting Closed

Mr Tataurangi provided the closing Karakia.

Closed at 7.35 pm.

Confirmed/Chair: _____

Ratana Water Supply Upgrade

Newsletter – March 2018 (Issue 7)

Background:

The major upgrade of the Ratana Water Supply system being undertaken by the Rangitikei District Council is now under way. This newsletter provides an update on progress to date and information on what works are still to be carried out and when.

Update since last newsletter:

The construction of the vehicle crossing and security fence have been completed.

Filtec, the treatment process plant contractor, is due back on site mid April to install a hydrocyclone filter, this will enable the plant to remove sand from the water. Recommissioning of the plant will continue on the successful installation of the filter. This is expected to take two to three weeks.

Scheme Progress:

Works completed to date:

- Construction of the vehicle crossing and security fence
- Redevelopment of the bore.
- Extensive earthworks involving the excavation of 2,000m³ to create the site for the storage reservoir and treatment facility.
- Installation of a 200 mm bore to a depth of 185 m to provide a flow of 5 l/s and up to 14 l/s during peak times.
- 766m³ reservoir to provide 24 hours storage of treated water storage.
- Over 2000 m of PVC and PE pipe to transport water from the bore to the plant and into the township of Ratana.
- 135 m² Treatment Building Constructed
- Ion Exchange and chlorine dosing system equipment assembled and installed.

Upcoming Work

- Install Hydrocyclone
- Treatment plant recommissioning
- Bring new water treatment plant online
- Native planting

Attachment 3

15 March 2018

Hello

As promised late last year, we are pleased to be able to confirm not only the timings for the extension to our fibre roll out throughout the country, but also that Broadspectrum is our service partner for UFB2 and Visionstream for the UFB2+ extension.

Following work with the Government, Crown Infrastructure Partners and our build companies, we have been able to bring the programme completion forward by a massive two years from 2024 to 2022.

This is great news for towns all around the country.

The following table shows what this means for your community and we've included separate maps to show where we will be building:

Classification	Candidate Area	Build Start Year	Build Complete
UFB2+	Ratana/Whangaehu	FY19	Sep-19
UFB2	Marton	FY19	Oct-19
UFB2+	Mangaweka	FY20	Jan-21
UFB2+	Hunternville	FY20	Feb-21
UFB2	Taihape	FY20	May-21
UFB2	Bulls	FY22	Jun-22

Chorus had another busy year in 2017 and in December we were more than 70 per cent of the way to our original goal of bringing fibre within reach of over a million potential customers.

By the end of 2017 we had achieved 42 per cent uptake on the fibre network and that's a big step up from the 35% uptake as recently as August last year.

When we're done, more than 1.3 million customers will be able to connect to our fibre network. That's about three-quarters of the 87% of New Zealanders to be covered, with the balance provided by the other local fibre companies.

It makes sense to get the best you can and we already have very fast VDSL available in most towns so this is a good interim answer while waiting for fibre. We encourage people to check what they could be getting through our broadband checker at: <https://www.chorus.co.nz/tools-support/broadband-tools/broadband-checker> or go on to our Ask For Better site: <https://www.askforbetter.co.nz/>

But we're not just focused on connecting people to fibre. We're also thinking about what else can connect to our network and provide opportunities for growth. It's an exciting future, with Chorus at the heart of the information superhighway.

Exchange buildings as data centres, fibre connecting CCTV and other smart devices, and infrastructure for micro cell sites. These are all logical extensions of the network infrastructure we have today. We're testing some of these scenarios and you can expect to hear more on that over the coming year.

We haven't forgotten our rural communities and will also continue to upgrade our lines and equipment where we can, bringing faster broadband over the existing copper network.

Thanks for your patience while we finalised our build timings. We're happy to meet with you and your council if you think this would be worthwhile.

Please just let me know.

Cheers

Jo Seddon
Stakeholder Communications Manager
Chorus

Ratana

Attachment 4

COMMUNITY AND LEISURE ASSETS GROUP OF ACTIVITIES 2017/18 Feb-18

Major programmes of work outlined in the LTP/Annual Plan 2017/18				
Parks and Open Spaces	Design/ Scoping	Progress to date	Progress for this period	Planned for the next two months
Parks Upgrade Partnership- \$50,000 available		\$3400 has been granted to Taihape Showjumping Group for upgrading horse yards at Memorial Park, Taihape.	No new applications. \$46,600 still available.	
Community Buildings	Design/ Scoping	Progress to date	Progress for this period	Planned for the next two months
Secure a new contract for the cleaning of Council properties	Council resolved to seek tenders for several geographically defined contracts allowing tenders to cover one, some or all of the contracts, with the new contract/s to start from 1 November 2017, to include the proposed Mangaweka village and Papakai Park toilet facilities, to be inclusive of all cleaning and stock consumables, and to be for a two year period, and that, simultaneously with seeking tenders, staff investigate the implications of bringing the cleaning service in-house.	Council has resolved that an in-house cleaning service for council properties, district-wide, will be implemented, effective 1 November 2017. Materials and consumables have been sourced. Health & Safety briefing has been planned for transferring staff, and appropriate consumable guides and wall charts have been prepared for each council site. In-house team commenced.	This item is now complete.	
Community Housing	Design/ Scoping	Progress to date	Progress for this period	Planned for the next two months
Continue the upgrade programme for Council's community housing (unless the ownership and control is transferred to another organisation)	Inspections will be carried out using the Housing Warrant of Fitness Assessment Checklist and Manual as prepared by the Otago Medical School.	Council resolved, at their November meeting, that the management/ownership of community housing remain in-house for the time-being. Council also resolved that it investigates a rental policy, effective 1 July 2018, determining criteria for break-even rentals and market rentals, and also implements an integrated approach to the delivery of an effective and efficient capital renewal programme including ways to improve the warmth and energy efficiency, and reconfigure and improve the functionality, including sale and purchase, and re-builds and new builds.		Housing inspections will be carried out in Bulls, Marton & Ratana in March. Insulation top-up in the ceiling of Cobber Kain flats scheduled for March.
Public Toilets	Design/ Scoping	Progress to date	Progress for this period	Planned for the next two months
Install public toilets in Mangaweka Village and, if there is sufficient external funding, investigate additional toilets in Papakai Reserve (Taihape), Toe Toe Road, the River Bank at Bulls, Bruce Reserve in Hunterville, Ratana, and Simpsons Bush north of Hunterville	Funding confirmation has been received from Regional Mid-Sized Tourism Facilities Grant Fund for toilets at Mangaweka village, Papakai Reserve, and Bruce Reserve.	Quotations for pre-built structures were sought from three suppliers as per Council's procurement policy. On-site visits have been held with the preferred supplier. Awaiting confirmed quotations. Further on-site meeting to be held at Bruce Park with supplier and DoC.	Planning resource consent requirements for proposed Mangaweka site are continuing to be worked through. Discussions have continued with DoC. Application was made to MBIE for an extension to timeframe.	Secure resource consent for Mangaweka Village toilet.
Cemeteries	Design/ Scoping	Progress to date	Progress for this period	Planned for the next two months
Plan the precise nature of the extension of the Ratana urupa including upgraded road access		Some remedial work has been actioned on the roadway from the road to the Urupa.		

ROADING AND FOOTPATHS GROUP OF ACTIVITIES 2017/18 Feb-18

Major programmes of work outlined in the LTP/Annual Plan 2017/18					
Pavement Rehabilitation	Route Position Length	Status	Start date	Completion date	Planned for the next two months
Rehabilitation of 6.52 km of existing sealed roads subject to Project Feasibility Reports to determine validity for progressing to the design and construction phase.					
Sealed Road Resurfacing (over 200m)	Route Position Length	Status	Start date	Completion date	Planned for the next two months
Sealed road resurfacing of 60.9 km (over 200 metres). This list is indicative and subject to alteration when and where reprioritised sites and conflicts with external activities are identified.					
Capex report 2017/18	cumulative to 30/09/2017	cumulative to 31/12/2017	cumulative to 30/3/2018	cumulative to 30/6/2018	Budget
Sealed road surfacing:	\$507	266,097			1,789,375
Drainage Renewals	10,687	109,571			352,425

Pavement rehabilitation	214,863	422,073			1,688,679
Structures component replacement	175	45,322			189,163
Traffic services renewal	176,516	189,514			224,950
Associated improvements	This category has been deleted				
Unsealed road metalling	159,916	223,395			460,125
TOTAL	562,664 (12%)	1,255,972 (27%)			4,704,717
Streetlight renewals	Design/ Scoping	Tender/Contract docs	Under construction	Complete	Planned for the next two months F74:F88
LED replacements – accelerate the replacement of high pressure sodium in pedestrian category lighting areas[1] so that the programme of replacing all 1098 streetlights not yet replaced by LEDs is complete before December 2018 [1] This category includes all the District's local urban roads except for some high use routes n Marton. State highways are outside the scope of this programme.	There are approximately 100 LED's left to be replaced most of these in Taihape, these should be completed by February.				As there was savings on the purchase for stage 2 LED's there will be a surplus of funds which will be used to start stage 3 which are the higher use roads in Marton. Lighting designs for stage 3 have been completed. All funds at the advanced FAR will be spent this year.
Carry forward programmes from 2016/17					
Other areas of network following storm event in June 2015					James road site to be completed - carried over from the 16/17 year.
Repairs to damage from Debbie event April 2017					Most sites have been designed for repair and repairs currently underway
Repairs for damage to network arising from July 13/14 event.					Considerable damage to the network as a result of this event. Most designs completed and work has commenced on some sites.

RUBBISH AND RECYCLING GROUP OF ACTIVITIES 2017/18

Feb-18

Major programmes of work outlined in the LTP/Annual Plan 2017/18

What are they:	Targets	Progress to date	Work planned for next three months	
Review the Waste Management and Minimisation Plan	This must be complete by 30 June 2018: Waste Management Act, section 50. Consultation will coincide with that undertaken for the 2018-28 Long Term Plan. The waste assessment (prescribed under section 51 of the WMA) must be complete before that review starts. Ideally, this work entails an analysis of all waste streams. However, as all kerb-side collection of waste in the District is done by private contractors, access to information about the characteristics of this waste is unlikely. This means the analysis is confirmed to waste taken to the waste transfer stations. Budget Waste takes its waste direct to the landfill.	Council LTP workshop held in December-Revised costings for various options tabled.	Draft WMMP 2018 out for consultation in association with LTP.	
Waste minimisation	Waste Education NZ visits.	Marton School -August	Participation is optional	
	Horizons Enviroschools programme.	Kumara cluster workshop	Participation in programme - optional	
Other projects				
What they are:	Targets:	Progress to Date	Work planned for next three months	
WMMP 2017	Prepare Draft for Consultation	Draft WMMP out for consultation	Consultation on draft WMMP 2018	Feb-18
