24	Next meeting.....	5	<i>Agenda note</i>
25	Future Meeting dates for 2020.....	5	<i>Agenda note</i>
26	Whakamoemiti/Meeting Closed.....	5	

The quorum for the Rātana Community Board is 3.

Council's Standing Orders (adopted 31 October 2019) 11.2 provide: The quorum for Community Boards, Council committees and sub-committees is as for Council, i.e. half the number of members if the number of members (including vacancies) is even or a majority if the number of members is odd.

1 Whakamoemiti

2 Public Forum

3 Apologies

That the apology of absence from Ms Soraya Peke-Mason be received.

4 Members' Conflict of Interest

Members are reminded of their obligation to declare any conflicts of interest they might have in respect of items on this agenda.

5 Confirmation of Order of Business and Late Items

That, taking into account the explanation provided why the item is not on the meeting agenda and why the discussion of the item cannot be delayed until a subsequent meeting, be dealt with as a late item at this meeting.

6 Confirmation of Minutes

The minutes from 11 February 2020 will be tabled at the meeting.

File ref: 3-CB-1-1

Recommendation:

That the minutes of the Rātana Community Board meeting held on 11 February 2020 {as amended/ without amendment} be taken as read and verified as an accurate and correct record of the meeting.

7 Chair's report

A verbal report will be provided at the meeting.

Recommendation:

That the verbal 'Chair's report' to the 14 July 2020 meeting of the Rātana Community Board be received.

8 Council decisions on recommendations from the Board

There were no recommendations made to Council at the previous meeting.

9 Council responses to queries raised at previous meeting

There were no queries made to Council at the last meeting.

10 Update from Te Roopu Ahi Kaa

A verbal update will be provided at the meeting.

Recommendation:

That the verbal 'update on Te Roopu Ahi Kaa' Komiti meeting on 7 July 2020 be received.

11 Council's delegations to the Rātana Community Board

At its meeting of 31 October 2019 Council resolved to invite the Community Boards in early 2020, to consider and recommend on any changes to their delegations for Council to consider. Clause 32(6) of Schedule 7 of the Local Government Act 2002 requires the Council to "consider whether or not to delegate to a community board if the delegation would enable the community board to best achieve its role".

The current delegations will be circulated prior and tabled at the meeting.

Recommendation:

That the Rātana Community Board, in response to Council's invitation to consider and recommend any changes to the Board's delegations....

12 Intermediaries

From time to time, an individual resident or business is dissatisfied with how Council has addressed an issue which they have raised, even though Council considers that the actions taken are reasonable and fair. While such people have a right to request the Ombudsman to investigate the matter, that may be seen as evading the issue and will certainly take time.

An alternative mechanism is to invite the chairs of the Community Boards and Community Committees to act as intermediaries. Such people are more distant from Council than the Mayor and Councillors which means governance-management boundaries are less of an issue. Their role would be to listen to both sides of the story and convey their view. It would not be binding, but it could help increase mutual understanding by both parties.

At its 25 June 2020 meeting, Council endorsed this principle, and invite Chairs of each Community Board and Community Committee to be intermediaries to assess whether Council has been reasonable in fair in responding to a particular issue from a resident or business within the District, and (if the chairs agree) setting that within a broader complaints policy to be considered by the Policy/Planning Committee.

Recommendation:

That, the Chair of Rātana Community Board [agrees/does not agree] to be an Intermediary on behalf of Council and the community they service.

13 Proposed Online Community Radio for Morehu

Mr Lequan Meihana will lead the discussion.

14 Update on Rātana playground project

Last year, Charlie Mete had an informal conversation with Mayor Andy Watson and previous Chief Executive Ross McNeil, which resulted in agreement that, if Rātana provided the voluntary labour etc. to remove the damaged play equipment, Council would dispose of it. Murray Phillips, Team Leader, Parks & Reserves, has been advised that this will be happening shortly. He has visited the area.

Council has agreed to a financial commitment through the Parks Upgrade Partnership Fund of currently \$50,000 to the playground upgrade.

15 Update on the proposed MoU between Council and the Rātana Communal Board of Trustees

There was a meeting to progress this on 21 March 2020.

16 Update on wastewater treatment plant (and meeting of reference advisory group)

The reference advisory group has not met for during the first part of the year due to the Covid 19 lockdown period and the limitations on gatherings after that. RDC is in negotiation with MfE (Ministry for the Environment) to get clarity on the funding options for the purchase of land. The outcome of these negotiations will direct the future actions and progress of the project.

17 Mayoral Update

A report is attached.

Recommendation:

That the 'Mayoral Update' to the 14 July 2020 meeting of the Rātana Community Board be received.

18 Rangitikei Youth Development Update July 2020

A report is attached.

Recommendation:

That the memorandum 'Rangitikei Youth Development Update July 2020' to the 14 July 2020 Rātana Community Board meeting be received.

19 Placemaking

Discussion item.

20 Community Grants

Round 1 for the 2020/21 year for Councils funding schemes are due to open as follows:

- Events Sponsorship Scheme will be open from 1 August – 21 August 2020.
- The Creative Communities Scheme will be open from 29 August – 18 September 2020.

Applications are being received and processed through the online portal SmartyGrants.

<https://rangitikei.smartygrants.com.au/>

Posters are attached advertising the upcoming funding schemes.

21 Cemetery register alignment

Council's records show two new burials, HOHEPA Tahupotiki Werahiko Paneere, row 13, interred in plot 283, on 25 March 2020 and MEAD Kenneth, row 6, interred in plot 152, on 14 April 2020.

This has been confirmed.

22 Late Items

As accepted in Item 5.

23 Future Items for the Agenda

24 Next meeting

Tuesday 8 September 2020, 6.30pm

25 Future Meeting dates for 2020

Tuesday 10 November at 6.30 pm

26 Whakamoemiti/Meeting Closed

Attachment 1

Report to Council, June 2020.

This Council meeting will see the adoption of the Annual Plan for next year. This has been a very difficult discussion with Council balancing the desire to reduce the rates demand against the need to fund committed programs and to support the local economy.

We started with a rating increase position of around a 3.6% increase on average, we then adopted a series of cost saving measures where all budgets were scrutinised and then we had to add back in such things as the additional allowance for the Bulls Community Centre and unforeseen costs such as the repairs to the Marton B and C dam walls. The irony is that we ended up back at a figure of 3.63 %. There has been interest around why we decided not to go out for a formal submission process around the annual plan setting. Like many Councils it was done on the basis that we were following the Long Term Plan or Long Term Plan Position with no major new works planned. The focus would then be on developing the next LTP.

I agreed after many discussions with staff to support the decision at Council. I did so on the basis that we would have a public meeting with full transparency over the Bulls building costs and I note that we are still to go back to the community with a summary of some of the lessons learnt from this build, something that I have asked staff to do on completion of the project. It will be a marvellous facility but is vitally important that we learn from it particularly when we have other building projects that are imminent. I also agreed on the basis that I would still have, prior to the adoption of the plan, a series of public meetings right throughout the district to provide feedback to the process and to inform our communities. I do this every year, holding about 15 community meetings. Unfortunately, the lockdown process meant that this could not happen and I will go back to these meetings early in the new Council year to start the Long Term Plan discussion.

We have just completed the District Plan Change, Rural to Industrial Land hearing process. A considerable amount of time has been spent on it, I congratulate the submitters both those in support and in opposition for the standard of information presented and for their courage to put their position forward. It is not an easy process. The decision now sits with the Commissioner

who has adjourned the meeting to allow the independant planner to give further advice prior to any decision.

Over the last few months I have thanked on a general basis everyone for the support that has been given to provide welfare during the pandemic and support around the effects of the drought. Two awesome ladies, Emily Raynor and Lindsey Robinson want to publically give the chance for us all to say thanks. They have planned an Essential Workers parade in Broadway from 9.30am-10.00am as part of the “Doors Open Marton” event on the 27th of June in Marton. Essential workers are encouraged to meet 8.45am at Marton Park, and to wear their uniforms in the march giving us all the chance to say thanks for a job well done. The road closure for the parade will finish at 10.00am allowing everyone to stay and enjoy the event atmosphere, support local businesses including those partaking in the local market on the Village Green.

Equally we have may more amazing people in our community, Lucy Skou with Brenna O’neil and their team have said that the new park build, a project with a cost of in excess of \$1 million dollars, will happen this summer. How cool is that! These projects are never easy the heartache, committment that is required to get to that stage is considerable. Many times they have probably thought this is just too tough and it is difficult to meet everyones expectations. What we need to do is support them and applaud them!

This has prompted another Community group to investigate a community-led approach to the development of the Wilson Park Playground in Marton.

In Taihape we also have a major project with the walkway linking the Memorial Park through several bridges to Papakai Park. Again there are many key people and as always I apologise to those not mentioned but Don Tantram and Matt Thomas have been amazing. This is a huge project and it follows on from the restoration work, replanting and the new lookout at Mt Stewart in Taihape. These people have given literally years of work to their communities. Council through its partnership funds will support these projects and we will continue to support the people that have the drive to make a difference.

They are not alone and there are many other projects that I could mention, the restoration of water ways, by various groups and accords, the beautification of parks, reserve work, coastal settlement work, the lists are endless and I use the above examples just to illustrate an attitude that we should be proud of.

Council has just had another meeting in Taihape over the Memorial Park build, but we are on the home stretch. This summer we will build the new ablution facilities on the park and we are in the process of construction for the new toilets in Marton. We are also in the final stages of planning with work to start soon on the replacement for the Mangaweka Bridge. Finally we are doing what we said we would do.

Last week our Chief Executive, Peter Beggs and I made the decision to protect the “Cook statue” in Marton. This was made on the basis that we received information that it was to be damaged. The future of the statue should not be my decision so I have referred it to Council who may then decide it should be part of wider community discussion. There will be mixed views and some of them will be highly emotive but lets have that discussion respectfully.

Jan Harris has been employed by MPI (Ministry for Primary Industries) to assist in welfare response to the rural communities in our region. There will be a number of rural social gatherings which will be announced shortly. Jan has an amazing attitude, one that means her requests for help always seem to be met with action.

I am a member of a small group of Mayors called the Mayor’s Task Force for Jobs and as a consequence we, along with three other rural councils were given \$100k as a trial to assist with unemployment. We have called our pilot program Mahi Tahi and it is being run in partnership with Nga Wairiki Ngati Apa in close collaboration with Louise McCoard of Ministry of Social Development. We are well aware of a significant number of people who have been made redundant over the last couple of weeks, so this funding has come at the right time. Hopefully by the time of the meeting I will be in the position to confirm both an expanded funding and a national rollout.

Andy Watson, Mayor.

Attachment 2

Memorandum

To: Ratana Community Board

From: Kelly Widdowson, Strategic Advisor for Youth

Date: 18 June 2020

Subject: **Rangitikei Youth Development Update July 2020**

File: 4-EN-12-1

Yes Programme (Youth Employment Success)

Youth Employment Success (YES) is an online platform that launched in 2016 partnering with a variety of industries to offer free employment-based opportunities to 16-24-year-olds. Since 2016, YES has seen 112 businesses across the country offering their time, close to 1,500 opportunity requests and nearly 20,000 unique visitors to their website across the country. The Whanganui/Rangitikei district platform was launched at the beginning of June, with 80 businesses so far on-board offering opportunities for our youth.

Council, along with 100% Sweet, are engaging with local businesses to offer the same opportunities to youth to connect to local businesses in a real world way. It involves a professional short video clip of business and their staff, talking about what the job entails and how the business and industry is a great career path option. Further the business can choose from a selection of real world help they can offer an interested youth. Such options include a coffee catch up, business walk through, CV review, desk shadow, internship and lots more. Each business decides what, from the offers, they can genuinely deliver.

100% Sweet further works with youth to help them successfully complete a work ready passport which covers a range of skills from the importance of turning up on time to begin drug free, first aid and basic health and safety.

<https://youthemployer.nz/>

Mahi Tahī

Mahi Tahī is the Rangitikei Employment Programme delivered through partnership with Rangitikei District Council, Te Rūnanga o Ngā Wairiki Ngāti Apa and their Te Puna - Education, Training and Employability branch, Mayor's Taskforce for Jobs and the Ministry of Social Development (MSD). The programme is delivered district wide for both jobseekers and businesses looking for staff. The primary focus is for youth under 25 **OR** anyone who has lost their job due to COVID-19. Funding is used in a bespoke manner and has a focus on working with individuals to make them job ready through upskilling, training, micro credentials and holistic wellbeing. Further Mahi Tahī can support businesses with support packages, onsite buddy training options, and more. Mahi Tahī is committed to working with local employers and jobseekers to provide effective solutions and success for all.

Youth Council

Youth Council is excited to finally attend their postponed training day and inaugural meeting. This will be happening the 4th of July in Chambers. At his meeting they will elect a chairperson, set their vision for the remainder of the year, and implement strategy on how to deliver their vision to the community.

Youth Council, along with other youth in the district, will be attending Festival for the Future (FFTF). This conference is usually held in Wellington over a weekend, however due to the uncertainty of COVID-19, has moved to a digital platform. Although attendees are encouraged by FFTF to attend in the comfort of their own environment, Youth Council agreed they would gain more benefit from attending as a group, being able to bounce ideas and concepts off each other, creating their own festival atmosphere. This will be held at Rangitikei College, 13 – 17 July in conjunction with event ticket holders from Rangitikei College. FFTF features a diverse range of inspiring speakers, future-focused panels, brainstorming workshops and a space for creating and collaborating thoughts and ideas with each other. FFTF is not just for youth, this event offers a global conversation between people from more than 20+ countries. From world class entrepreneurs and leaders of business and government, to young people leading change in grassroots communities. Youth Council, in particular those that attended and benefited from last years event, encourage people of all ages to attend and experience FFTF on this more accessible, innovative platform. The draft timetable attached as **Appendix 1**. More information can be found at <https://www.festivalforthefuture.co/>

John Turkington Forestry Youth Awards 2020

The 2020 Youth Awards is going ahead, despite delays due to COVID-19 lockdown. All category sponsors are still on board with the addition of Rangitikei Anglican Parish sponsoring the new category Wairua for Wellbeing Award. Youth Council will plan and deliver the Youth Award evening, taking place on 27 August at Marton Memorial Hall.

Nominations for the 10 sponsored categories will be open 13 July – 10 August. Online nomination forms can be found at www.rangitikei.govt.nz Attached as **Appendix 2** are the youth awards promotional posters.

Lobby's

The Lobby Taihape was first to re-open post COVID-19 lockdown at Level two as the space allowed for the required social distancing that the Marton Lobby does not. Taihape Lobby continues to be well supervised by Mokai Patea services. Three weeks into level one, Marton Lobby re-opened. Although there has been a gradual return by regular users, this has yet to reach pre-COVID numbers. Staff are gathering information from the youth to assess what they are happy with and what improvements can be made. Staff are working on promotion and planned events to encourage greater youth participation and connection in the wider district.

Recommendation

That the memorandum 'Rangitīkei Youth Development Update July 2020' to the 14 July 2020 Ratana Community Board be received.

Kelly Widdowson
Youth Development Advisor

Appendix 1

**1:00PM–2:00PM // REGISTRATION / CONNECT / MARKETPLACE**

Get registered. Set up your profile. Connect with other attendees. Head over to the 'Expo' and discover opportunities in the virtual marketplace!

2:00PM–2:50PM // MAIN STAGE SPEAKER SESSION**A renewed sense of what's possible. Inspiration & motivation beyond COVID.**

Guy Ryan (MC) / NZ
CEO & Founder of Inspiring Stories
and Festival for the Future.

Bernadette Meehan / USA
Chief International Officer at The
Obama Foundation.

Jamie Tuuta / NZ
Chair of Tourism NZ and Māori TV,
passionate about indigenous wisdom.

Shruthi Vijayakumar / NZ
World Economic Forum Global
Shaper, re-imagining the system.

3:00PM–3:50PM // FACILITATED CONNECTION & NETWORKING

This is an exciting opportunity to connect with other Festival attendees and speakers from New Zealand and around the world. Share your story!

4:00PM–4:50PM // MAIN STAGE SPEAKER SESSION**Bold visions for the future.**

Guy Ryan (MC) / NZ
CEO & Founder of Inspiring Stories
and Festival for the Future.
