#### **REPORT**

SUBJECT:

Sport NZ Rural Travel Fund Scheme Allocation of Funds 2014/15

TO:

Sport NZ Rural Travel Fund Assessment Committee

FROM:

Samantha Whitcombe, Governance Administrator

DATE:

16 April 2015

FILE:

#### 1 Background

- 1.1 The Rural Travel Fund was developed in response to concerns raised by territorial authorities about the lack of participation in sport by young people living in rural communities. Geographical isolation, urban drift, lack of employment opportunities and access to mainstream funding were identified as barriers to sport participation.
- 1.2 The Sport NZ Rural Travel Fund is a partnership between Sport New Zealand and territorial authorities to assist the development of junior sport in rural communities by providing a travel subsidy targeted at young people aged between 5-19 years.
- 1.3 The Rural Travel Fund is designed to help subsidise travel for junior teams participating in local sport competition. The allocation of the fund is based on a population density formula for territorial authorities who have less than 10 people per square kilometre. The total sum available for this funding round is \$9,500+GST.
- 1.4 This report also provides the Assessment Committee with copies of the applications received for the funding to be distributed for 2014/15. The application and assessment process that has been followed for this year is the same as for previous years.
- 1.5 This report also provides the Assessment Committee with the accountability reports for those organisations that received funding last year. This is to enable the Committee to satisfy itself that the public money distributed for the fund has been used for the purpose for which it was intended.

#### 2 Rural Travel Fund Accountability reports

2.1 At last years Assessment Committee the following allocation of the Sport NZ Rural Travel Fund were approved:

•	Taihape Area School	\$2,028.00
•	Hunterville Children's Saturday Morning Sports Club	\$2,020.00
0	Marton Junior Rugby	\$1,078.00
0	Rangitikei College	\$1,123.00
0	Marton United Soccer Club	\$251.00

- 2.2 Successful applicants are required to complete an accountability form. These have been received from all five of the 2013/14 applicants (Hunterville Children's Saturday Morning Sports Club, Rangitikei College, Marton Junior Rugby, Marton United Soccer Club and Taihape Area School).
- 2.3 Once again, the Accountability Report supplied by Hunterville Saturday Morning Sports Club is exemplary and provides a clear and detailed picture of how the funds allocated for the 2013/14 season were spent.
- 2.4 An Accountability Report has been requested from Marton Bears Rugby League Club for the 2012/13 round. If received in time, it will be tabled at the meeting.
- 2.5 Those Accountability Reports that are available are attached for the Committee's reference as Appendix 1. The Rural Travel Fund Reconciliation Report and Summary for 2013/14 is attached as Appendix 2.

#### 3 Rural Travel Fund Eligibility Criteria 2014/15

- 3.1 Applications for the Rural Travel Fund are open to rural sports clubs and rural school teams with young people aged between 5-19 years who require subsidies to assist with transport expenses to local sporting competitions. For a number of sporting codes, the small number of Rangitikei-based competitions means that local competition includes games in neighbouring centres such as Wanganui and Palmerston North.
- 3.2 The Rural Travel Fund is to be managed by the territorial authority, but Sport NZ has a specific prohibition against funding for the purpose of travel to regional or national events.
- 3.3 Sport NZ requires the following criteria to be applied when considering applications for funding. School club teams and sport club teams are defined as:

"a school club team participating in regular local sport competition out of school time, that excludes inter school and intra school competitions played during school time" and / or "a sports club team participating in organised, regular sport competition through club membership outside of school time"

3.4 The Sport NZ Rural Travel Fund does not cover travel to practice sessions.

#### 4 Rural Travel Fund applications received for 2014/15

- 4.1 Seven applications to the scheme have been received with a total of 669 participants. The seven applications comply with the criteria. They are included as a separate document. The summary report form is attached as Appendix 3.
- 4.2 Six of the applicants have received funding in past years with one new applicant this year.
- 4.3 The total sum sought is \$21,160, which is more than twice the amount available for distribution.
- 4.4 The amount being claimed varies greatly with some groups claiming for several sporting codes whilst others are applying for only one code. Worked on a price per participant the amounts being requested vary from \$12.50 per participant through to \$125 per participant.
- 4.5 Previously, the Committee has allocated the grant on a "per participant" basis, with some weighting towards those with further to travel (option 2).
- 4.6 Based on the mileage to be travelled (estimated from the Accountability Reports from previous years, where available), the Committee could decide to pay based on the estimated mileage travelled.
- 4.7 Some examples of the impact of various options are provided in the table below.

Option 1: Flat rate based on 669	Amount	Participants	Flat rate	% of

#### Accountability for 2014 Sport NZ Rural Travel Fund

Please find attached the Accountability Form for Sport NZ RTF Allocations and our supporting documentation.

The Hunterville Children's Saturday Morning Sports Club would like to sincerely thank the Committee for their funding assistance for the 2014 sports season.

We have had another great season with our club members and families. Our summer codes of tennis and cricket are drawing to a close, and we are busy with registrations for the winter sports. Once again, we are receiving a lot of interest from Hunterville children to play winter team sports, and I'm sure we will have another fantastic season.

It is very hard to estimate how much money families spent on travel to get their children to and from Saturday morning games and practises. We have approximately 120 children participating in Saturday morning sports and some of these families are travelling up to 3 hours return on a Saturday, not to mention the practises during the week and additional days if involved in rep sport. For the 2014 season, 19 families put in claim forms for the Rural Travel Fund and the total kilometres travelled by these families were 31894kms. Many of our members do not put in claim forms for travel, but we are very grateful to be able to provide assistance to the families who do claim.

We are very pleased to be able to offer some assistance through the Rural Travel Fund and are sure that this makes a difference to a lot of families.

Thank you for your support.

Regards

Dale Turner

Rangitikei College Anthea Kingi 20 Bredins Line Marton 4710

Dear Anthea

#### Application for the Sport New Zealand Rural Travel Fund

Your application for funding was considered by the Sport New Zealand Rural Travel Fund Assessment Committee at a meeting on 30 May 2014. The Committee had a pool of \$9,500 to distribute and received applications totalling \$21,890.

I am pleased to advise you that a grant of \$1,291.45 was approved. You will receive payment by direct credit within the next few weeks.

All recipients of Sport New Zealand Rural Travel Fund assistance are required to complete and return the enclosed Sport New Zealand Rural Travel Fund Accountability Form for RTF Allocations. The Accountability Form should be returned no later than **28 February 2015** even if you do not intend to apply for funding in 2015.

The Committee requested that applicants be made aware of the specific information that needs to be presented in the Accountability Form. These forms should show the number of students that participated in the sport/s and how the funding was distributed. The accountability report from Hunterville Children's Saturday Morning Sports Club is attached, as it was identified as by the Committee as an exemplary report.

The Committee also requested that in future applications from Rangitikei College, a less substantial financial report be included (e.g. more of a summary than the financial report for the entire School).

We are pleased to be able to assist you and wish you every success.

Yours sincerely

Samantha Whitcombe Governance Administrator

Mittonse

Thank you for the contribution of \$251.00 towards our travel expenses. As per the attached minutes, we agreed that the coaches had to travel to every game and were the ones who meet at the grounds to take the additional players. We therefore toped up the fund to \$260.00, purchased Petrol Vouchers and divided it between the two coaches.
