REPORT

SUBJECT: Sport NZ Rural Travel Fund Scheme Allocation of Funds 2015/16

TO: Sport NZ Rural Travel Fund Assessment Committee

FROM: Samantha Whitcombe, Governance Administrator

DATE: 21 April 2016

FILE: 3-GF-6

1 Background

- 1.1 The Rural Travel Fund was developed in response to concerns raised by territorial authorities about the lack of participation in sport by young people living in rural communities. Geographical isolation, urban drift, lack of employment opportunities and access to mainstream funding were identified as barriers to sport participation.
- 1.2 The Sport NZ Rural Travel Fund is a partnership between Sport New Zealand and territorial authorities to assist the development of junior sport in rural communities by providing a travel subsidy targeted at young people aged between 5-19 years.
- 1.3 The Rural Travel Fund is designed to help subsidise travel for junior teams participating in local sport competition. The allocation of the fund is based on a population density formula for territorial authorities who have less than 10 people per square kilometre. The total sum available for this funding round is \$9,500+GST.
- 1.4 This report also provides the Assessment Committee with copies of the applications received for the funding to be distributed for 2015/16. The application and assessment process that has been followed for this year is the same as for previous years.
- 1.5 This report also provides the Assessment Committee with the accountability reports for those organisations that received funding last year. This is to enable the Committee to satisfy itself that the public money distributed for the fund has been used for the purpose for which it was intended.

2 Rural Travel Fund Accountability reports

2.1 At last years Assessment Committee the following allocation of the Sport NZ Rural Travel Fund were approved:

• Taihape Area School	\$4,893
• Hunterville Children's Saturday Morning Sports Club	\$1,694
• Marton Junior Rugby	\$1,130
• Rangitikei College	\$989
• Marton Bears Sportsclub Inc.	\$189
• Taihape Gym Sports	\$378
• Marton United Football Club	\$227

2.2 Successful applicants are required to complete an accountability form. These have been received from four of the 2014/15 applicants (Hunterville Children's Saturday Morning Sports Club, Rangitikei College, Taihape Area School and Marton United Football Club).

2.3 Accountability reports have been requested from the remaining successful applicants. If any of these are available they will be tabled at the meeting.

2.4 If the accountability report has not been received from Marton Junior Rugby by the day of the meeting the application will need to be declined.

2.5 Those Accountability Reports that are available are attached for the Committee's reference as Appendix 1. The Rural Travel Fund Reconciliation Report and Summary for 2014/15 is attached as Appendix 2.

3 Rural Travel Fund Eligibility Criteria 2015/16

3.1 Applications for the Rural Travel Fund are open to rural sports clubs and rural school teams with young people aged between 5-19 years who require subsidies to assist with transport expenses to local sporting competitions. For a number of sporting codes, the small number of Rangitikei-based competitions means that local competition includes games in neighbouring centres such as Wanganui and Palmerston North.

3.2 The Rural Travel Fund is to be managed by the territorial authority, but Sport NZ has a specific prohibition against funding for the purpose of travel to regional or national events.

3.3 Sport NZ requires the following criteria to be applied when considering applications for funding. School club teams and sport club teams are defined as:

“a school club team participating in regular local sport competition out of school time, that excludes inter school and intra school competitions played during school time” and / or “a sports club team participating in organised, regular sport competition through club membership outside of school time”

- 3.4 The Sport NZ Rural Travel Fund does not cover travel to practice sessions.

4 Rural Travel Fund applications received for 2015/16

- 4.1 Five applications to the scheme have been received with a total of 757 participants. The five applications comply with the criteria. They are included as a separate document. The summary report form is attached as Appendix 3.
- 4.2 All five of the applicants have received funding in past years.
- 4.3 The total sum sought is \$19,200, which is more than twice the amount available for distribution.
- 4.4 The amount being claimed varies greatly with some groups claiming for several sporting codes whilst others are applying for only one code. Worked on a price per participant the amounts being requested vary from \$10 per participant through to \$66 per participant.
- 4.5 Previously, the Committee has allocated the grant on a “per participant” basis, with some weighting towards those with further to travel (option 2).
- 4.6 Some examples of the impact of various options are provided in the table below.

Option 1: Flat rate based on 757 participants	Amount requested	Participants	Flat rate	% of request granted
			\$12.55	
Taihape Area School	\$5,000	250	\$3,138	62%
Hunternville Children's Saturday Morning Sports Club	\$5,000	131	\$1,644	32%

Rangitikei College	\$5,000	231	\$2,899	58%
Marton United Soccer Club	\$3,000	25	\$314	10%
Total	\$21,160	757	\$9,500	

Option 2: Rate based on 757 participants with distance weighting (2x for Taihape and 1.5 x Hunternville).	Amount requested	Participants	With distance weighting	% of request granted
Taihape Area School	\$5,000	250	\$4,429	22%
Hunternville Children's Saturday Morning Sports Club	\$5,000	131	\$1,741	34%

Marton United Soccer Club	\$3,000	25	\$221	7%
Total	\$21,160	757	\$9,500

Accountability Form for RTF Allocations

To: SW
File: 3-GF-6-1
Doc: 16 C059

Please attach:

- Receipts of RTF allocations
- RTF bank account statements
- Any other supporting documentation

Name of organisation: HUNTEVILLE SATURDAY MORNING SPORTS CLUB

Amount of Travel Subsidy: \$1694.00

Estimated cost of travel per year for club/organization: \$5000

Please give details of how money was spent by providing a detailed breakdown of expenditure (ie: costs of petrol, cars and/or bus hire, how much per kilometer given per family, etc).

17 families detailed their total kms travelled over the season
(2068) and I divided the travel subsidy we received (\$1694) by this
kms amount.
$$\frac{\$1694}{22,068} = 0.0767$$

This gave us .07 per km to pay to each family - we then purchased Petrol Vouchers to give to each family.

Distance traveled to local sport competitions/games/practices:

Of the 17 families given the subsidy, a total of
22,068 kms were travelled to Saturday morning sport competitions
and Friday night hockey competition in
Fielding.

A brief description of the benefits that have been achieved with these funds

The petrol vouchers purchased with the travel subsidy provided
has enabled rural families to better afford to take their
children to and from sports games. Some of our families
live up to 60 km away from Wanganui/Fielding or Marton.

It has helped by encouraging these young people to
become/remain active and have parental support by driving
them to sports fixtures.

PTO

In your opinion did the Rural Travel Fund assist your team/organisation to increase participation in local sport competitions/games/practices from rural areas?

Comment:

Yes definitely. we have been receiving this subsidy for a number of years now and we advertise it well - at prizegiving and meeting and acknowledge Sports NZ at these events. It has made families aware that there is help in financing petrol for rural families to attend sports games.

In your opinion did the Rural Travel Fund assist your team/organisation to increase participation in local sport competitions/games/practices from rural areas?

Comment:

Without reduced travel costs, the cost of participating in sport for many of our students would be prohibitive, and therefore participation levels would be lower. Thank you for your support.
