Distance travelled to local sport competition:

A brief description of the benefits that have been achieved with these funds:

The contribution has assisted with the costs of travel and hireage of drivers to sports practices and games.

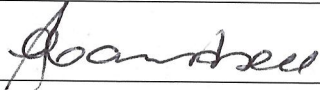

We have 3 minivans but with the high uptake of sport at Nga Tawa we also often have to hire minivans for transport. We also run a horse truck to enable participation at local equestrian events.

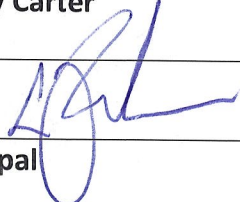

Sport is of high importance for our young women for their wellbeing and this assistance was appreciated.

In your opinion how did the rural travel fund assist your team / organisation in increasing participation in your local sport competition in rural areas?

Assisted with high costs of travel. Running and maintaining vans to enable us to fully participate in sport in the region is of high importance.
