- 1.2 The annual funding made available to the Rangitikei District is **\$9,500**.
- 1.3 Copies of the applications received for the 2024/25 funding round are attached to this report.

 - Teams travelling to regional or national sport competitions.

The funding will be used to cover transport costs and logistics, ensuring all our tamariki have access to after-school sports without financial barriers. Our kura has experienced major roll growth, with more students eager to participate in rugby, netball, and touch. However, as a small rural kura, getting our teams to and from local competitions and training sessions remains a significant challenge for many whānau.

Our teams participate in regular local sports competitions outside of school hours, and the funding will help cover transport costs for these events, as well as training sessions essential for skill development. Transport is a major barrier to participation; our teams travel nearly 20km one way just to attend local town competitions, along with varying distances to other rural schools' events. With increasing team sizes and the need for ongoing vehicle maintenance, these costs quickly add up.

Although our kura may appear to be in a good financial position, we have been funding an extra teacher to accommodate our roll growth and have been providing a full complimentary bus service for our town whānau, which has stretched our resources. Additionally, we have contributed towards a classroom upgrade, resulting in a current financial deficit.

We are applying for \$6,000 to cover transport costs and ensure the sustainability of our sports program, addressing increasing travel demands and vehicle upkeep. This funding would ensure that all tamariki, regardless of financial or geographical barriers, can participate in sports, develop their skills, and proudly represent our kura.

We are seeking funding to support the travel needs of our youth netball team, which faces unique challenges due to our rural location. Traveling to games weekly in Palmerston north requires long distances and significant costs, creating a barrier for many of our young

Sport NZ Rural Travel Fund Application Form
Application No. SNZ0013 From Rangitikei College

Form Submitted 31 Mar 2025, 11:58PM NZDT

To help support our students with travel each week to the chosen sport they play - including Rugby (Wanganui), Touch Rugby (Palmerston North) Hockey x2 Teams (Palmerston North), Netball x 3 Teams (Palmerston North), Football Team x2 (Whanganui), Cricket Team (Whanganui), Basketball Teams x4 (Whanganui), Volleyball

Teams x3 (Whanganui & Palmerston North), Golf Team (Marton), , Canoe Polo Team, Moto X Team (Regional Events),

Operating 4 vans (which the school Board has committed to keep updated) we are able to transport nearly all of our students to regional sporting endeavours. The receipt of the sports travel funding enables us to deliver "fees free sport" to our students with the school board funding all the registration costs, uniforms and equipment, and the balance of travel expenses. This is part of our "No Limits" offering to our students - they can play as many sports as they like without the financial burden on their families, many of which cannot afford sport fees. Healthy and activity students are well balanced students.

The Rural Sport Travel Fund assists with this. We also make our vans available to other schools and community groups at minimal cost e.g. including other local schools and sports clubs

Rangitikei College is bucking the national trend of youth sports declining, as our numbers have grown year on year since 2021 (participants and sports offered), and your support via the Rural Travel fund will enable us to continue to do this.

Briefly explain what the funding is going to be used for:

Hello, the Rural Travel Fund would be utilized in the form of fuel vouchers that we would distribute to our sporting families to help contribute towards the cost of vehicle fuel expenses to sports games during the winter season.

Sport NZ Rural Travel Fund Application Form
Application No. SNZ0014 From Vanessa Stafford - DRAFT

This is across our 5 codes of sports that we offer- rugby, hockey, football, netball and basketball. Many children play more than one of these sports, so parents have to cover many kilometers to get them to each game.

Being a rural based club, travel to sports games within various Rangitikei towns can be extensive, meaning the cost of travel can be prohibitive to some families taking part in sport. The RTF goes a long way to ensuring we can support our local sporting children by offering some form of financial support to help ease the financial burden associated with fuel costs.

<u>Fuel</u>	<u>\$2677.60</u>
<u>Vehicle usage cost</u>	<u>\$2000</u>

It is important to note, these are estimates given our vehicles are used for an array of things and fuel particularly is hard to isolate and track to each trip

Distance travelled to local sport competition:
 20km per trip From Taoroa School to Taihape

A brief description of the benefits that have been achieved with these funds:

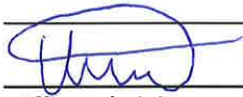

Significantly improved participation in sport
Significantly improved attitudes towards sport
Significantly improved access to sport
Whānau more willing to support our sport kaupapa with transport being provided
Empowered tamariki who have equal access to sporting opportunities

In your opinion how did the rural travel fund assist your team / organisation in increasing participation in your local sport competition in rural areas?

This travel fund has removed our isolation barrier and improved access to sports meaning our tamariki have been able to participate in a variety of sports that they might not have been able to otherwise. Working whānau and whānau who don't have access to a vehicle are able to support our sporting kaupapa thanks to travel assistance being provided- sharing the load between whānau and school. In 2022 we only had **one** child playing netball compared to 23/24 season we had 12 netball players, 12 touch players and 4 Soccer players.

Accountability Statement

Dear Rangitikei Council,

In lieu of receipts and bank statements I am writing a letter of confirmation that the grant of \$4,677.60 for Taoroa School, used in 23/24 year was spent using a range of different funding streams to transport our tamariki to various sports. We own 4 vehicles under our transport service license and have been using these vehicles for a variety of reasons including transporting tamariki to school and to sport so tracking invoices and receipts specific to rural sport has proven to be very difficult as all of our transport expenses come out of the same pot.

We want to thank you for your generous contribution towards our school's focus of removing barriers for our whānau and their tamariki, enabling them to have better access to sport which we believe will have a lifelong positive impact on the lives of our precious tamariki. Having such a high percentage of our students engaging in sport-with enough to make up full sports teams has also had a hugely positive impact on the culture of our school.

Ngā mihi nui

Without these funds our whanau would have had to

In your opinion how did the rural travel fund assist your team/organisation in increasing participation in your local sport competition in rural areas?

This removed the financial barriers faced by many whanau. We *had* a BII team each & every week, which would not have been the case if whanau had to cover *all* these costs.

Distance travelled to local sport competition:

18,652km

A brief description of the benefits that have been achieved with these funds:

Aside from home games where home and away is possible (football & rugby) all secondary sport requires travel to Wanganui and Palmerston North for competitions. By owning and operating 4 vans and a car we were able to transport our students, many of whom would not have been able to compete if reliant on family transport (many families cannot afford, don't have vehicles, or are working when we compete).

In your opinion how did the rural travel fund assist your team / organisation in increasing participation in your local sport competition in rural areas?

Rangitikei College is bucking the trend in secondary sports participation - our numbers have been steady as other ~school see reduced participation. We are also well aware of many of our families lack of financial capacity and the Rural Travel Fund allowed us to more than 50% subsidise travel costs in 2023.

3-GF-6-1 - Sport NZ Rural Travel Fund Accountability Form app: 1

A brief description of the benefits that have been achieved with these funds:

The Rural Travel Fund provides financial support to our member families which enables them to travel their children to more local games that they might not be financially able to attend otherwise.

In your opinion how did the rural travel fund assist your team / organisation in increasing participation in your local sport competition in rural areas?

By providing financial assistance to families who live rurally and find the cost of travelling to local sports games can be prohibitive to taking part. This means more children can play sport.
