Council is required to review its Liquor Control in a Public Place Bylaw in 2018. The existing Bylaw is attached. Currently the Bylaw applies a liquor control area to the Taihape area. During a review, Council has to continue the existing Bylaw, Council has to be satisfied the following criteria is met:

- the level of crime or disorder experienced before the bylaw was made (being crime or disorder that can be shown to have been caused or made worse by alcohol consumption in the area concerned) is likely to return to the area to which the bylaw is intended to apply if the bylaw does not continue.

If Council wishes to make changes, it needs to be satisfied the following criteria can be met:

- the bylaw can be justified as a reasonable limitation on people’s rights and freedoms; and
- a high level of crime or disorder (being crime or disorder caused or made worse by alcohol consumption in the area concerned) is likely to arise in the area to which the bylaw is intended to apply if the bylaw is not made; and
- the bylaw is appropriate and proportionate in the light of that likely crime or disorder

The Board is asked to consider whether the current Bylaw is still appropriate or requires amendment and provide feedback for Council on the criteria listed above.
