L Mauchline-Campbell / A Campbell. Carried

4 Matters arising

- A Service Request has been made regarding possible relocation of the litter bin near the Service Station (still need to check with rubbish contractors [Downers/Fulton Hogan] regarding what they are contracted to do).

5 Council decisions on recommendations from the Committee

There were no recommendations from the Committee requiring a Council decision.

6 General business

From Council

- Long Term Plan meetings are coming up. These will be advertised on the web site and in the local papers. Starting time will be 6.30 p.m.

Bonny Glenn

- The Pre-Hearing meeting for submitters will be on August 23rd, 5.00 p.m. at the Friendship Hall in Marton.

Note to Council: Could Public meetings please NOT be scheduled for 5.00 p.m. This is an extremely inconvenient time for both farmers and those residents who are working.

Questions for Council:

- What progress has been made on the drainage/flooding issues in the Whangaehu Valley - see note below from TCC Minutes 13 March 2014.

- Discussion with Mr and Mrs Sainsbury -

The Sainsburys moved from Auckland to Rangitikei.

Their property on Ruatangata Road, 6Km North of Whangaehu Village has been flooded by overflow from a drain apparently owned by Horizons Regional Council that doesn't go under the road. It needs a culvert put in. The Sainsburys have been in discussions with Council Staff about this issue. The easy solution seems to be that a culvert be put under the road where the drain comes to a stop.

The Turakina Community Committee is happy to support the Sainsburys to seek a satisfactory resolution to their flooding issue (next meeting 3.4.14).

Action: The Committee requests that Council staff/contractors be asked to decide who actually does own the Drain, and who should put a culvert in (to be reported back to the Turakina Community Committee as soon as possible).

Discussion regarding a possible "Project" for the village -

- Suggestion: A Picnic Table by the bus shelter, and possibly a shade tree. The Prison apparently builds picnic tables. Mr England to check and report back to next meeting.

"Town Centre Plans"

- Bulls, Hunterville, Taihape and Marton have been included in the Consultant's brief for town centre plans, paid for by the Council.
- Request to Council - could we have Turakina included?

Turakina Tartan

- Heather Calkin has the pattern. Suggested we could paint the third side of the bus shelter. Ms Welsh to contact Heather Calkin (contact details on Caledonian Society web site) for the colours/pattern, and report back to next meeting.
