- **Footpaths – outcome of submission to the Long Term Plan**

A petition containing 39 signatures was received as a submission to the Long Term Plan requesting that Council upgrade the footpaths in Turakina village, particularly relating to the walk to school. The petition was lodged by Council in the name of the first signature to the petition: Margaret McLean, principal at the School and the acknowledgement and response were sent to Ms McLean at principal@turakina.school.nz.

Following its deliberations on submissions, Council requested that further work be done by the Assets/Infrastructure Committee to monitor the general upkeep and upgrade of the footpaths in Turakina, including the laying of chip seal, through the normal business of the activity and the committee. The general upkeep of the footpaths in Turakina has been included in the 2015/16 programme, including the laying of chip seal.
