The quorum for the Turakina Community Committee is 3.

At its meeting of 28 October 2010, Council resolved that “The quorum at any meeting of a standing committee or sub-committee of the Council (including Te Roopu Ahi Kaa, the Community Committees, the Reserve Management Committees and the Rural Water Supply Management Sub-committees) is that required for a meeting of the local authority in SO 2.4.3 and 3.4.3.

1 Welcome

2 Apologies

3 Confirmation of order of business

That, taking into account the explanation provided why the item is not on the meeting agenda and why the discussion of the item cannot be delayed until a subsequent meeting, be dealt with as a late item at this meeting.

4 Confirmation of minutes

Recommendation

That the Minutes of the Turakina Community Committee meeting held on 2 June 2016 be taken as read and verified as an accurate and correct record of the meeting.

5 Council decisions on recommendations from the Committee

At its meeting on 30 June 2016, Council confirmed the Committee's recommendation to carry-forward the unspent balance of the Small Projects Fund.

6 Council responses to queries at previous meetings

There were no queries requiring response.

The Council and MidWest Disposals have now signed a Heads of Agreement which provides for the acceptance of pre-treated leachate until 31 December 2017, subject to a management plan covering transport, storage and release of the leachate into the Marton wastewater plant. Council has been explicit that the application for a new consent for the Marton wastewater plant will be on the basis that no leachate will be accepted.

7 Issues from previous meeting

No issues were identified for further discussion.

8 Small Projects Grant Scheme Update - August 2016

A memorandum is attached.

File ref: 3-CC-1-5

Recommendation

That the memorandum 'Small Projects Grant Scheme Update - June 2016' be received.

9 Current infrastructure projects/upgrades and other Council activities within the ward

The report 'Current Infrastructure Projects/Upgrades and other Council Activities within the Turakina Ward' will be circulated to members after 5 August 2016.

10 Implementation of place-making initiatives in Rangitikei 2016/17-2017/18 – Council adopted process

A memorandum is attached

File: 1-CP-7-5

Recommendations

1. That the memorandum 'Implementation of Place-making initiatives in Rangitikei 2016/17 and 2017/18' be received.
2. That the Turakina Community Committee notes the process agreed to be followed to access Council funding and/or undertake place-making on Council owned properties contained in the memorandum "Implementation of Place-making Initiatives in Rangitikei 2016/17 and 2017/18".

11 Parks Upgrade Partnership Programme

One decision in the 2015/25 Long Term Plan was the allocation of up to \$50,000 per year in a fund for parks and reserve upgrades. The funding is allocated to projects which contribute at least \$2 (in cash or kind) for each ratepayer \$ so bringing in a total value of up to \$150,000 each year.

While the allocation of funds is decided by the Assets/Infrastructure Committee, it is envisaged that applications are prepared in consultation with Council staff. Applications are open all year round and treated on a case by case basis. Projects have an upper limit of \$45,000, with anything over this value considered through an Annual Plan process.

The projects need to be consistent with the Parks and Reserves Management Plans and the Policy on Community Gardens.

The application form for the Parks Upgrades Partnership Fund is attached for the Committee's information.

12 Update on the proposed District Plan change

The Commissioner has indicated that he has received all the information he requested from submitters and the Council. The hearing will be formally closed and he will proceed to prepare his decisions. That should be known before the end of August.

13 Proposed upgrade of parking area at the corner of Wanganui Road and SH3

Three options have been costed as noted below. The Roading Operations Manager's preference is for option 2.

Option 1: Patch all potholes with mix 10 hotmix \$3,500.00.

Option 2: Two coat chipseal after pothole patching: \$15,500.00.

Option 3: Rip and remake pothole damaged areas then two coat chipseal: \$22,000.00.

Recommendation

That the Turakina Community Committee approve Option ... as the design for the upgrade of the parking area at the corner of Wanganui Road and SH3.

14 View on number and location of public rubbish bins in Turakina

One of the submissions to "What's new, what's changed...?", the consultation document on the 2016/17 Annual Plan, Council decided to ask Community Boards and Community Committees (at their August meetings) to consider the number and location of public rubbish bins in their respective communities and make recommendations for change.

A map is attached showing present locations of bins in Turakina will be available at the meeting for the Committee to annotate as its feedback to Council.

15 Earthquake-prone buildings

Written submissions on the Earthquake-prone Building Policy close 4 pm Monday 29 August 2016. Hearings of oral submissions are scheduled for Thursday 29 September 2016 at the Council Chambers in Marton. During the consultation process Council is seeking feedback from owners of potentially earthquake-prone buildings as to whether work required under the Policy (assessment, strengthening or removal of masonry chimneys and parapets) has been completed. There is no intended enforcement action if work has not been completed due to the impending Building (Earthquake-prone Buildings) Amendment Act. This Act will replace Council's Earthquake-prone Building Policy. The Act sets out timeframes and requirements for strengthening earthquake-prone buildings. Further information on the Earthquake-prone Building Policy and the upcoming legislation can be found from Friday 29 July on Council's website, libraries and the main office in Marton.

16 Elections 2016: dis-establishment and re-establishment of the Committee

On election day, 8 October 2016, all Community Committees and Reserve Management Committees are disestablished. The Council will call nominations to each committee within thirty days after that. Nominators and electors for community committees must be residents of the relevant ward (as evident from the Rangitikei District electoral roll).

The number of members elected to serve on the Turakina Community Committee shall be a minimum of seven and a maximum of ten.

- Where more than ten nominations are received by the closing date, the Council will call a public meeting and conduct an election by secret ballot;
- Where fewer than seven nominations are received by the closing date, the Council will call a public meeting to seek additional nominations. If the total nominations received prior to and at the public meeting exceed nine, the Council will conduct an election at the public meeting by secret ballot;
- Where fewer than seven nominations have been received at the public meeting called to seek additional nominations, the Council will declare the Community Committee unformed for the triennium.

A minimum of 10 people are required to be present at any public meeting called to seek further nominations, or to elect members, to form a Community Committee. Procedures for election will generally follow those laid down in the Local Electoral Act 2001. Elections will be the responsibility of the Council's Deputy Electoral Officer.

The Council will publicly notify the results of the call for nominations within seven days after the close of nominations and (if applicable) after the public meeting called to form the Committee.

The Committee, once formed, has the power to co-opt additional members provided that the total elected membership does not exceed ten.

The Chairperson of each Community Committee to be appointed from within the Committee itself by the Committee members.

MEMORANDUM

TO: Turakina Community Committee

FROM: Samantha Whitcombe, Governance Administrator

DATE: 27 July 2016

SUBJECT: **Small Projects Grant Scheme Update - August 2016**

FILE: 3-CC-1-5

1 Allocation

- 1.1 The 2016/17 Small Projects Grant Scheme for Turakina Ward is \$671.00.
- 1.2 The allocation of the Small Projects Grant Scheme is for the period 1 July to 30 June each year. At its meeting on 29 February 2016, Council resolved to allow carry-forward from one financial year to the next of up to 100% of the annual allocation for any Committee's Small Projects Grant Fund, with the proviso that this be a specific resolution of the Committee.
- 1.3 At its last meeting for the 2015/16 year the Committee resolved to carry-over the balance of the Scheme; the remaining balance was \$271. This gives a total allocation for the 2016/17 year of \$942.

2 Breakdown

- Nil

3 Remaining Budget

- 3.1 This leaves a remaining budget for the 2016/17 financial year of \$942.

MEMORANDUM

TO: Taihape Community Boards
Turakina Community Committee
Huntermville Community Committees

FROM: Denise Servante, Strategy and Community Planning Manager

DATE: 25 July 2016

SUBJECT: **Implementation of Place-making Initiatives in Rangitikei 2016/17 and 2017/18**

FILE: 1-CP-7

1 Background

- 1.1 Three Town Centre Plans have been adopted by Council for Marton, Bulls and Taihape and three reports produced following “Exploring Possibilities” workshops in Huntermville, Mangaweka and Turakina. These processes provide blueprints for community-led place-making processes in these towns/settlements.
- 1.2 For the first three years of the 2015-25 Long Term Plan, Council has set aside \$60,000 per annum for place-making initiatives. It envisaged:
- Incremental place-making initiatives contributing to overall strategies for each town
 - Retailer engagement with the footpath/retailer with heart initiatives ¹
 - Innovative lease arrangements/pop-up shops (Marton focus initially)
- 1.3 Place-making is a process that requires community engagement to produce amazing spaces, creating a sense of place and comfort and where people will congregate for recreation and relaxation. Where tensions have arisen during some of these projects, it is often because the process of Place-making is misunderstood.
- 1.4 It is **not** a town beautification process. It is **not** about getting consensus within the community before anything can take place. It is **not** about telling other people what they should do.
- 1.5 It **is** about nimble planning – trying out different ideas and experimenting with spaces to see what can be achieved. It **is** about harnessing the commitment, energy and

¹ Engagement with the footpath means lowering the barrier of a shop frontage, so that people on the footpath feel they are already ‘in’ the shop’ Examples of businesses with heart are those openly publicising the availability of toilet facilities, providing free fruit for children, donating a sculpture.

volunteerism of local steering groups and community members and supporting them to create the spaces that they want to spend time in.

- 1.6 Council provided some training in Place-making through Creative Communities during 2015/16 – this was taken up in Marton, Bulls, Mangaweka and Turakina but not in Ratana or Taihape. Therefore, it is likely there is a different understanding of what Place-making is between communities. Additionally, as not all community members were involved in the Place-making training, there is likely to be a different understanding of Place-making within communities. The key issues are to establish who decides what is done, when, by whom and how is Council funding (if any) allocated?
- 1.7 This memorandum summarises the place-making protocols that have been developed to date and outlines the process adopted by Council at its meeting on 30 June 2016 for proceeding during 2016/17.

2 Town-based Place-making

2.1 The current status of local decision-making/coordination of Place-making is as follows:

- *Bulls*: original Steering Group has folded back into the BCC. Any group/individual wishing to undertake a Place-making project is invited to bring it to the BCC for coordination.
- *Marton*: original Steering Group has now become an active and well-organised Place-making Group that is supported through Project Marton.
- *Taihape*: original Steering Group has wound up and Taihape Community Board has indicated its preferred process of deciding on Place-making projects and requesting that Taihape Community Development Trust facilitate projects.
- *Huntermville*: The Steering Group is operating very much as a “working bee” implementing improvements to Queen’s Park and linking the town centre.
- *Mangaweka*: A local Place-making group has been established and is working on projects as identified through the Exploring Possibilities report.
- *Turakina*: the Turakina Community Committee is leading on Place-making in Turakina, both in terms of deciding what is to be done and facilitating the process.

3 Who decides?

- 3.1 Although place-making is a community-led process, often projects are funded by Council, and/or projects take place on Council-owned land or property. In these cases, the groups have accountabilities back to Council, therefore, Council has the final decision.
- 3.2 Council has adopted Place-making as a strategy which means that it needs to be a “door-opener” not a “gate-keeper”. Council needs to be satisfied that the group understands the process of Place-making and that the specific project is contributing to and part of the relevant Town Centre Plan/Report.
- 3.3 The 7-Day Makeover process was successfully trialled in Bulls and Marton, including a second youth-led makeover in Centennial Park. Using this protocol provides some

assurance that the Place-making process will be followed, avoiding the possibility of reverting to straight-forward beautification projects².

- 3.4 The Council also needs to be satisfied that, as the owner of any assets and the decision-maker, it's Health and Safety obligations are met. A risk assessment template has been developed by the Marton Place-making Group to meet these obligations.
- 3.5 The 7-Day Makeover used a project plan template which ensures that a place-making process is followed. This has been adapted and is attached as Appendix 1 (including the risk assessment template) and it is proposed that any Place-making projects which require Council support/funding complete this template to ensure the integrity of the process.
- 3.6 The "As of Right" guidelines for retailers that have previously been developed still apply for initiatives by shop-owners to engage with potential customers on the street. These are attached as Appendix 2.
- 3.7 Finally some "Rules of Engagement" were developed for the 7-Day makeovers. These have been adapted as a Checklist for the decision-making process to ensure that all due regulatory or permissions processes have been followed. This is attached as Appendix 3. "Approving" these projects is a neutral, operational issue rather than a political or governance one and Council has delegated this to the Chief Executive to be reported to Council.
- 3.8 The 7-Day Makeover suggests a resource of \$5,000 per project. Council's budget of \$60,000 would potentially fund 12 such projects. However, some projects, even in the larger centres could be small, tightly focussed, and cost less than \$500. So, it is not proposed to 'pre-allocate' funds for any one community. The over-riding factor for making Council funding available is where the energy, enthusiasm and commitment to Place-making is greatest.

4 Suggested process

- 4.1 The important thing about the process is that it **enables**:
 - Community Committees/Community Boards/local steering groups/community groups develop a Place-making project, complete the project plan and risk assessment and submit to the Chief Executive for sign off.
 - All 'purchases' using Council funding should be recorded/managed through Council's procurement system.
 - The implementation of the Town Centre Plans should not be the responsibility of a single agency but does require coordination. Chairs of the BCC, MCC, HCC, TCC and TCB could be brought together with the Chief Executive at least twice a year to discuss and agree their priorities along with others who are leading local Place-making initiatives.
 - Community Committees/Community Boards should promote Place-making. take an interest in Place-making projects, may get directly involved in

² Council provides each Community Board/Committee with access to funding for such projects through the Small Project Fund allocated to each and rated locally

implementing Place-making projects or appoint a sub/committee/working group or secure agreement that other agencies undertake specific projects.

- That Council continues to negotiate a role for the town coordinators through the MOU arrangement.

5 Recommendations

- 5.1 That the memorandum "Implementation of Place-making Initiatives in Rangitikei 2016/17 and 2017/18" be received.
- 5.2 That the Community Board/Committee notes the process agreed to be followed to access Council funding and/or undertake place-making on Council owned properties contained in the memorandum "Implementation of Place-making Initiatives in Rangitikei 2016/17 and 2017/18".

Place-making Project Plan Template

This template is to help Council establish what your project is, who is involved and where your resources that are needed, are coming from. That is are the necessary resources will be sourced e.g. Council funding, self/group funding or donation.

Name of your Group	
Name of your Project	
Location of your Project	
What is the vision of your project	
How did it come to be agreed upon?	
Is it a new concept or has it been worked on previously?	
Does it relate to the Town Centre Plan? If so, how?	
What individuals have been involved in the planning process?	
What individuals are going to be involved in carrying the project out?	
What businesses are involved?	

So we clearly understand your concept and plan please include photos of the location of the Place-making project, drawings, photo-shop etc. from your brainstorming sessions and any photos of items you plan to incorporate.

The below template is for you to highlight and describe each sub project that is involved in creating the overall project and the budget allocated for each. Note in budget if resources and/or materials are Council funded, self/group funded or donated. You may have multiple sub-projects for larger projects or only a few for a small one. Reproduce as necessary.

Sub Project 1.

As of Right Town Centre Place Making

- a guide for retailers

Let's raise the bar and develop an even more vibrant, creative, neighbourly and respectful town!

Permitted Use of the Footpath Area

Pedestrian Movement

1. You can display items in front of retail outlets as long as a 2.1 metre carriageway, measured from the road edge is clear at all times for pedestrians
2. You can paint shop fronts and verandas in the colour of shop owner's choice
3. Items may be hung from verandas as long as an allowance of 2.1 metres from the bottom of the item/sign edge to the ground is left

Signage

Each retail outlet can have either a **Sign** or **Flag** meeting the below specifications, to advertise their business.

Foot path signs

Maximum height	1.0 metres
Maximum width	0.6 metres
Maximum base spread	0.6 metres

Flag Signs

Maximum height	2.0 metres
Maximum width	0.9 metres
Maximum base spread	0.6 metres
Maximum flagpole height	3.0 metres

Street Music

You can play music of choice to enhance street ambience and character.

Linger Nodes

Areas of footpath may be set aside for community activities, ie community piano, (must be anchored) hop scotch, chess or games boards as long as the activity does not impede pedestrian flows.

The Golden Rule: enhance neighbourliness, avoid nuisance

So let's be creative with our town space.

And make our streets, vibrant, happy, shared places where all are welcome.

Rangitikei District Council

Parks Upgrades Partnership Fund

Expression of Interest

Do you have a great idea to add or improve on recreational facilities at a Council-owned park?

Do you have good support for your idea from the community?

Have you got a realistic fundraising plan that can raise at least two thirds of the resources needed to make it happen?

If so, then Rangitikei District Council wants to hear from you!

We know that the communities in the District have long been active in developing facilities for their recreation and leisure. We want to encourage this by providing up to 33% in cash of the value – in cash or in kind – of the contribution from the community for small-scale, community-led, capital projects.

WHAT DO WE MEAN BY SMALL-SCALE, COMMUNITY-LED CAPITAL PROJECTS?

Capital Project is a project which creates a new asset, replaces an existing asset, upgrades an existing asset or refurbishes an existing asset.

Community-led means a project that has been identified from within the community, where the majority of the fundraising has taken or will take place within the community and where the asset will be owned by the Council, or available for use by the community as if it were owned by Council.

Small-scale means a project with the total value of less than \$45,000, taking into account actual costs **and** the value of donated labour or materials.

PLEASE NOTE: Applications may be submitted at any time and will be considered at the next available Assets/Infrastructure Committee of Council (usually within a month). All applications are copied into the Assets/Infrastructure Committee Order Paper and are therefore available to the general public.

Please complete this application form in conjunction with Council staff. The sooner you talk with us about your idea, the sooner we can give you an answer about whether Council can support your project.
