## 8 Reports for Information

### 8.1 Mayor's Report - June 2026

**Author: Andy Watson, His Worship the Mayor**

Good afternoon

1. Having just returned from a family holiday, this report will be a little disjointed with the noting of things over the last few weeks that may have already had coverage by Comms or Council. My appreciation to Deputy Mayor Dave Wilson for very ably standing in for me is foremost in my mind. While I was away our district faced the possibility of a weather declaration, the new Central Districts Water Board was put in place and major decisions were made by Council on the Marton Pool and Marton Water project. These were big decisions and I was able to Zoom in to the Council meeting on the day and support them. We now have a future with the Marton Pool and while the water strategy project is frustrating in the delay, the money spent on the new bores is not wasted and what we are wanting is the best option for treatment processes. I and Council are committed to keeping you updated on progress over the next few months. The run-up to Council on these decisions takes time and skill answering questions raised and checking that the right information is available to Councillors. It was a pity that the Harvest Festival had to be cancelled but it was the right call. Dave handled all of this incredibly well – thanks.
2. Central Districts Water is now live and will take effect 2027. I have included some photos from the establishment of the new Board and it was a pity that I was away for the powhiri to welcome the new Board. The next milestone will be the setting of what is known as the Statement of Expectations set by the Shareholder Committee representing the three Councils and Iwi aspirations and direction to the entity. The performance of the entity will be held to account through both this process and the Commerce Commission.

3. Like so many others in our district I took part in ANZAC Day services. It is a time for us to reflect on the sacrifices made by young men and women who left our shores, so many of them not to return. My thanks to all of those who took part. The Rangitikei has a proud military history. With Waiouru to the north of us, and Base Ōhakea and Linton Military Camp to our south, many defence force staff call our district home. We're incredibly grateful for their service to our country, and the contribution that they make to Rangitikei. As part of the day I attended the Ohingaiti service at 10am. The young students from Hunterville School and locals read excerpts from letters sent home from the front which I found particularly moving. We will remember them.
4. Local Government New Zealand have initiated regular Zoom Meetings for members with the Minister of Local Government Simon Watts. The 17 March session was Chaired by LGNZ President Rehette Stoltz and the salient points were -
  - 200 members of LGNZ were on the call including our CE Carol and Councillor Diana Baird.
  - Minister Watts thanked the sector for their work and made the point that Senior Ministers were aware of the scale of reforms that the sector faced.
  - The Minister gave assurance that New Zealand is in a good space around fuel security.
  - He then wanted to highlight several of the reforms before engaging in a Q&A session.
    - i) Simplifying Local Government legislation
      - Consultation/Submission process now closed and under review
      - Regarding timeframes proposed at 2 years – the Minister said that several councils want Government to move with pace, so timelines are currently being reviewed.
      - There was the comment that “one size doesn’t fit all” and there will be regional differences.

## ITEM 8.1

- Government wants to move at pace was repeated.
- ii) Rates Capping
  - Government is looking at a range-based model
  - Feedback to Government is supportive of the direction for the rates cap
  - The Minister said that final design is not there yet, but legislation should be in place before the election
- iii) Ratepayer Assistance
  - A Steering Group has been set up to look at this.
- iv) Dog Control Legislation
  - Current status is not acceptable
  - Notes the three fatalities in Northland resulting from dog attacks
  - Multi-ministers involved in this review and there will be more on this later
  - The Government is keen to work with the LGNZ sector here
- v) RMA Reform
  - Ministers Bishop and Watts are working closely on this
  - Fewer consents will be required perhaps halving the need
  - Reform process is on track
  - The reforms will help councils to meet rates cap

- Q&A Session –

- Timelines for Regional Councils? *No further comment and it had been referenced earlier.*
- Boundary issues for authorities aligned to reform? *Minister Bishop has responsibility in this space.*
- The issue of compensation to property owners over land reclassification – has this been factored into rates pegging? *No clear answer.*
- The question of the costs of audit amidst the backdrop of rates pegging? *Being looked at by Government was the response.*

5. On 21 March I attended the final tribute to 50 years of operation of the Marton OpShop - a High Tea at Rangitikei College. Over the preceding week there was a series of events celebrating this. Rangitikei is built on voluntary organisations, often started by church groups, service groups and our communities and the OpShop is a classic example of this. It has been a remarkable progression over the 50 years lead initially by Ted Calkin, Betty Corballis and Clifford Brown and carried on through Marton Christian Welfare and the current team headed by Mike O'Regan. Our community has benefitted by over \$50m worth of community support, made possible by the huge number of volunteers at the OpShop and by the gifting of the community who supply it. Recently the OpShop was named in 2<sup>nd</sup> place nationally as the Best OpShop in the country – congratulations, this is well deserved. I have included a photo of the cutting of the cake.

6. Taihape Health Update – this has been and still is a roller coaster ride. The collaboration between Otaihape Health Trust and Mokai Patea Services to take over, by way of a longterm “peppercorn” lease, the old hospital at Taihape currently run under Te Whatu Ora initially seemed to be straightforward and a fantastic solution for Taihape and the Rangitikei. Progress has been slow but a Zoom meeting with Minister Simeon Brown in June seemed to provide ministerial direction that it should proceed quickly. Effectively he instructed officials to proceed, the key element being the sale of the buildings for \$1, roof replacement and the ground lease at the peppercorn rental. Since that time, health officials have reneged on that direction especially by asking for a huge unrealistic rental cost. I wrote to the Minister in April and have written again this week asking for an urgent meeting. I know that our MP Suze Redmayne is actively supporting us. If this is not dealt with quickly, we as a community need to take action and politicise it as loudly as possible. Jude MacDonald and Piki Te Ora Hira and all involved need our support.
7. The 2026 Ford Ranger NZ Rural Games took place in Palmerston North on 15 March. Once again a hugely successful event with many of the competitors coming from the Rangitikei. Normally I would attend the welcoming powhiri which this year unfortunately clashed with another event, however I did support the Awards Night on 13 March where Marton’s own fencer Tim Stafford was a finalist in the NZ Rural Sportsman of the Year. Tim’s year was defined by a stunning treble of major titles – the Silver Spades, the East Coast Fencing Rivalry in the USA demonstrating NZ standards on the world stage and the Golden Pliers, NZ’s premier solo fencing competition. Tim is more than a champion fencer – he is a leader and stands for skill, integrity and passion in NZ’s rural sports community. Winning the Golden Pliers twice in one decade defines a career – congratulations on your achievements Tim!
8. Last weekend I attended the 2026 Suzuki Extreme 4x4 Challenge event in Turakina. This annual event has been running since 2015 and the number of people there, I believe, was a record this year. The combination of wet weather the week preceding to make the driving obstacles difficult and two days of dry weather just prior provided a very successful mix. I can’t tell you

ITEM 8.1

who won the event but I can say that as a parking attendant the crowds absolutely loved it and I understand that a large number of people travelled from around the country to watch, many of whom took up local accommodation options – a huge plus for our district.

9. The winners of the 2026 Community Volunteer Awards have now been notified and published on our website and social media pages. Thank you to everyone who took the time to put in nominations recognising the extraordinary work so many volunteers do within our district. Myself and Elected Members are visiting each of the 5 winners to present their awards at separate personalised ceremonies starting on 1 May. Pictures and more information will be available on our website following those events.
  
10. On a final celebratory note, just before I went away I attended the Ballance Farm Environmental Awards where Jarred and Bronwyn Clode and the Te Hou Farms team were named the 2026 Supreme Winners, an achievement that they should be justifiably proud of. Te Hou farms is two-thirds owned by Ngā Wairiki Ngāti Apa Developments Ltd in partnership with Ātihau Whanganui Incorporation. I have included a link for further details - [Jarred & Bronwyn Clode | New Zealand Farm Environment Trust](#)

## Deputy Mayor's Engagements

During the Mayor's annual leave absence, Deputy Mayor Dave Wilson attended the following engagements

- 27 March – Central Districts Water Joint Shareholder Committee Meeting with all three Councils. I attended on Zoom and Cr Fi Dalgety attended in person. These are important meetings as we continue to form our relationships with CDW and our three Councils.
- 4 April - Bulls Rugby Club 150<sup>th</sup> Jubilee
- Met with Chief Executive regularly including making the unfortunate decision to cancel the 2026 Harvest Festival due to predicted Cyclone Vaianu.
- Zoom meetings with CDEM Regional Mayors and CE's regarding potential impact of Cyclone Vaianu. This was useful in understanding Council processes and while I have confidence in them, confidence can lead to complacency and we should never be complacent when events like this arise. I am confident we have a robust system in place. I thank the Chief Executive for keeping Elected Members well informed during the weather event.
- 11 April - Gumboot Day in Taihape – thanks to the organising groups for a very well run event myself and my wife enjoyed a great day out. P.S. Thanks for the pickled onions!
- 13 April – tangi of Thomas Curtis, former longstanding member of the Te Roopu Ahi Kaa Komiti and well respected for his work on iwi matters in our district.
- 14 April – Te Roopu Ahi Kaa Komiti Meeting.
- 14 April – Rangitikei Rural Support Group meeting – discussed opportunities to work together with their significant networks in Civil Defence. This is a very well respected group with good network connections.
- 15 April – Coroner's Court Hastings – inquiry into the Cyclone Gabrielle deaths, in particular Mr George Luke who died on the Taihape-Napier Road. I attended mainly out of respect to the family and in support of our Chief Executive and Roding Manager who was called upon to give evidence.

## 8.2 Rangitikei at the table: June Engagement on Simplifying Local Government

Author: Katrina Gray, Group Manager - Strategy, Community and Democracy

### 1. Reason for the report

- 1.1 To update the Turakina Community Committee on the Government's latest direction for simplifying local government, and to ask committee members to help encourage their communities to take part in Rangitikei District Council's June engagement.

### 2. Context

- 2.1 The Government's [November 2025 proposal to replace regional councillors with Combined Territories Boards](#) made up of mayors has changed.
- 2.2 Following consultation, the Government has moved to a staged approach:
  - a voluntary Head Start pathway for councils ready to reorganise/amalgamate quickly; and
  - a later backstop process for areas that do not progress through Head Start.
- 2.3 The Head Start pathway is focused on structural reform. In simple terms, this means councils can propose creating new unitary authorities. A unitary authority brings together the functions of a regional council, such as Horizons Regional Council, and a territorial authority, such as Rangitikei District Council, into one organisation.
- 2.4 Proposals can cover all or part of a region, and may include neighbouring councils from different regions where that makes sense. The Government has said Head Start proposals must be submitted by 11.59pm on Sunday 9 August 2026.
- 2.5 You can read more about the May 2026 Government announcement, the Head Start pathway, and Mayor Andy's reaction below:
  - [Mayor Andy Watson Rangitikei must have a say on simplifying local government](#)
  - [Letter from Minister of Local Government, Hon Simon Watts](#)
  - [Information from DIA](#)

### 3. What could this mean for Rangitikei

- 3.1 The way local government is structured affects how decisions are made, how services are delivered, and how local communities are represented.
- 3.2 In his recent opinion piece, Mayor Andy Watson said the Government's direction is clear, and while the timeframe is very tight, Councillors have a responsibility to ensure Rangitikei voice is heard. Mayor Watson also noted that larger councils do not automatically mean lower rates, and that any proposed cost savings need to be understood alongside possible trade-offs.

### 4. June Community Engagement

- 4.1 Before Council decides what path to take, the Mayor and Councillors want to hear from the community.

- 4.2 From June, Council will be holding public meetings across the district and opening an online survey. This engagement will ask people what matters most to them, such as;
- keeping local decision-making close to rural communities,
  - protecting the local identity of Rangitikei,
  - improving council processes,
  - understanding possible costs and savings,
  - protecting local services,
  - strengthening the regional influence of Rangitikei.
- 4.3 The purpose of this engagement is to make sure people understand what is happening, why it matters, and how they can share what is important to them.
- 4.4 Public meeting dates: <https://www.rangitikei.govt.nz/council/local-government-reforms/simplifying-local-government>
- 4.5 Requests for additional public meetings can be made to [info@rangitikei.govt.nz](mailto:info@rangitikei.govt.nz).

## 5. Role of this committee

  - encouraging people to attend a public meeting
  - directing people to the online survey
  - helping people understand that this is about the future shape of local government and local voice.

## 6. Supporting information

- 6.1 The Turakina Community Committee will be provided with additional communications material at the meeting to distribute through their communities. Should you require additional material to support your local conversations, please contact [comms@rangitikei.govt.nz](mailto:comms@rangitikei.govt.nz)
