Local Government Official Information Request

Thank you for your request for information from Council. All requests to the Council for information are required to be considered in accordance with the Local Government Official Information and Meetings Act 1987 (LGOIMA). More information about how the Council handles LGOIMA requests can be found in the Council's LGOIMA Request Policy which is available on the Council's website [LGOIMA Request Policy: Rangitikei District Council](#)

Your request for information was received on 10 February 2026 and requested water testing results for Marton. Your questions and our response can be found below:

Question 1:

"We source Marton town water for our production facility at Collagen Solutions NZ Ltd at 10 Hair Street Marton. We take the town water and pass it through a series of controls to ensure the water meets our specific manufacturing requirements. Our in-house controls are based on the quality of the source water.

Previously, the council has shared your testing results, an earlier example is attached for reference. We are reviewing our internal controls and would appreciate your current results for the calendar year 2025 and year to date for 2026".

Response:

We have attached our water testing results for the Marton Water Treatment Plant (WTP) for the period 06 January 2025 to 04 February 2026. The data reported is as per previous results provided to you, as noted in your request.
