Local Government Official Information Request

Thank you for your request for information from Council. All requests to the Council for information are required to be considered in accordance with the Local Government Official Information and Meetings Act 1987 (LGOIMA). More information about how the Council handles LGOIMA requests can be found in the Council's LGOIMA Request Policy which is available on the Council's website [LGOIMA Request Policy: Rangitikei District Council](#)

Your request for information was received on 28 April 2026 and requested information about Noise Complaints. Your questions and our response can be found below:

Question 1:

All noise complaints received over the last five complete calendar years (2021-2025), with for each complaint:

- Date received
- Suburb (or smallest geography releasable without identifying anyone)
- Time of day / day of week if held
- Complaint type (residential party, vehicle, construction, commercial, animal, etc.)
- Outcome / action taken

Response:

We have extracted the requested data from our systems and provide this in the attached spreadsheet. This includes, for each complaint:

- Date received
- Suburb
- Street name
- Time received
- Complaint Type

Withholding of "outcome/action taken"

We have not provided the "outcome" or "action taken" field. This information has been withheld under section 7(2)(a) of LGOIMA, to protect the privacy of natural persons.

The outcome field in our system is recorded as free-text notes and routinely contains identifying information, including names and specific addresses of complainants and/or alleged offenders. While section 16(1)(e) requires us to consider releasing information with deletions, in this case the level of redaction required would be substantial and would remove most of the substantive content of the field, meaning the remaining information would be misleading or of limited value.

Accordingly, we consider that withholding this field in full is necessary to protect privacy.

We have considered the public interest in release under section 7(1) of the Act and do not consider that it outweighs the need to withhold this information.

Question 2:

A list of the most-complained-about addresses or sites over the period, aggregated to a level you're comfortable releasing (e.g. street name only, or the top 20 sites with addresses redacted).

Response:

This information is provided in the attached spreadsheet in aggregated by street name and suburb, along with the total number of complaints for each location.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note that it is our policy to proactively release our responses to official information requests, where appropriate. Our response to your request will be published shortly at [RDC Official Information - Proactive Release](#) with your personal information removed.

If you wish to discuss this decision with us, please feel free to email lgoima@rangitikei.govt.nz.

Yours sincerely,

LGOIMA Officer
Rangitikei District Council
